BOARD OF SELECTMEN'S MEETING

May 19, 1983

The Board of Selectmen's meeting of May 19, 1983, was called to order at 7:33 p.m. by First Selectman M. Foster Mather; Board members present: Maryann P. Boord, Gregory G. Curtis.

A request from Durham Little League for authorization to spend \$800 from Town Property Maintenance to offset the cost of repairs to the dugouts at the ballfields was approved on a motion by G. Curtis, second M. Boord; 3 ayes.

Motion by M. Boord, second G. Curtis, to approve the minutes of the previous meeting of May 5, 1983. There were no questions re weekly disbursements.

Report of the First Selectman

- 1) Reported he wrote to the state re land sale on Route 79 and has not yet had a reply;
- 2) Discussed article in The Middletown Press entitled "State Attorney Opts to Sue Durham Farm";
- 3) Said the resampling results of 3 wells near the Simon Farm appear fantastic; however, a problem has arisen re manure removal.

Discussion re revised ordinance on garbage: proposes mandatory recycling, however; residents would retain either their own collectors or deposit the garbage themselves at the dump. Motion G. Curtis to approve the revised ordinance for presentation at the Adjourned Annual Budget Meeting of 5/23/83; second M. Boord; 3 ayes.

Motion F. Mather, second G. Curtis to appoint George Zeeb as a public member of the INLAND WETLANDS AND WATER-COURSES AGENCY; said term to be three years and to expire 12/31/85; 3 ayes. Because there has been a discrepancy in the expiration dates of the agency, the 2 other public members' terms were so defined officially by the Board of Selectmen:

- 1) Helmuth Brown: term expires 12/31/83
- 2) Alois Petrzel: term expires 12/31/84.

Motion F. Mather to appoint Kathleen Beatty as an alternate member of the ZONING BOARD OF APPEALS; said term to expire with the General Town Election of 1983. This fills the vacancy created by the appointment of Rosemarie Naples as a regular member. Motion seconded

by G. Curtis; 3 ayes. The General Town Election term will then expire in 1985.

Motion by F. Mather to designate Francis E. Behrens, Sr. as the CONSERVATION COMMISSION'S representative to the INLAND WETLANDS AND WATERCOURSES AGENCY; second G. Curtis; 3 ayes.

The First Selectman reported that Town Counsel attended the hearing re Clark Estate and no opposition was raised to the town's proposed purchase of the 3.48 acres. He noted that Ray and Isabelle Wimler have first refusal on the property, however.

Comments G. Curtis:

- 1) Ms. Coe, Main Street, requests the Board of Selectmen use influence to have a tree stump on state land removed from her property.
- 2) A highway crewman has reported to him that gasoline is again being taken at the garage.

The First Selectman noted that the budget proposal for the Adjourned Annual Budget Meeting will reflect the change in the proposed ordinance, reducing the DMIAB amount and the total figure.

The meeting adjourned at 8:20 p.m.

The next regularly scheduled meeting of the Board of Selectmen is set for June 2, 1983.

Respectfully submitted,
