PLAY HAS NO LIMITS

Coming to Downtown Easley

Why Here? Why Now?

As our community continues to grow, the demand for thoughtful, inclusive recreation grows with it. Families are looking for public spaces that celebrate diversity, support sensory needs, and promote social connection. By moving forward now, we have the opportunity to create a flagship play environment that reflects our community values and sets the standard for accessibility in the Upstate.

Investing in this playground today ensures that every child who visits Downtown Easley is welcomed fully—able to participate, explore, and thrive. This is our moment to make a lasting impact for generations of families, and with your support, we can bring this vision to life at a time when it is needed most.

OUR COMMITMENT TO INCLUSIVE PLAY

Universally designed playgrounds are created to be accessible to all who visit. Three components help create A Higher Level of Inclusive Play: physical accessibility, age and developmental appropriateness, and sensory-stimulating activity. Combined, these will create an inclusive play environment that meets the needs of all children in the same place in a variety of ways. Children of all abilities will come together to play and imagine—making them equal through play.

WELCOME TO THE VIBRANT CITY OF EASLEY!

Thank you for considering a sponsorship opportunity with us for the Downtown Easley Inclusive Playground. We are excited to embark on this important project that will provide a safe, accessible, and fun environment for all children in our community, fostering connections across generations.

Nestled in the foothills of the Blue Ridge Mountains, Easley offers a stunning backdrop for our new playground. This multigenerational space will be designed to ensure that every child, regardless of ability, can play and thrive together, creating a vibrant atmosphere where families can gather and enjoy quality time.

Our city is home to numerous parks, community spaces, and recreational facilities that celebrate diversity and promote well-being. The Inclusive Playground will add to our offerings, complementing our award-winning Nalley-Brown Nature Park and Brushy Creek Greenway Trail, which are perfect for connecting with nature.

As you explore our city, you will find a welcoming community ready to embrace the joy and laughter that the Inclusive Playground will bring for children, parents, and grandparents alike. We invite you to support this initiative and help us create an environment where all generations can enjoy the thrill of play and connection.

Thank you once again for your consideration in partnering with us for this wonderful opportunity to enrich our community.

Sincerely, Lisa Talbert, Mayor
City of Easley, South Carolina
