Attention: Residents
RE: Community Services

Dear Residents,

I am pleased to announce a dedicated point of contact for Community Services within our town. Alyssa Fabbri- First Selectman Aide will serve as our Community Services Liaison, connecting residents with available resources and support. She will assist residents in identifying services that meet their needs, foster relationships within the community, and provide follow-up to ensure residents receive appropriate assistance.

Please note that Alyssa is **not a social worker**. The First Selectman continues to serve in that role. All information shared with Alyssa will be **treated confidentially**.

Residents seeking guidance or assistance with community resources are encouraged to reach out to Alyssa. She is committed to supporting our community by providing information, guidance, and connections to the resources you may need.

Sincerely,

Seth Breakell, First Selectman

Contact Information:

Community Services Phone: (860-710-2374)

Email: selectmanaide@goshenct.gov

Office Hours:

Monday-Thursday: 8am-4pm

Friday: 8am-12pm

****This resource is not intended for medical emergencies. It is meant for general support during difficult or hardship situations only. If you are experiencing a medical emergency, please call 911 immediately.****

March 24, 2026

To Whom It May Concern:

This is to inform you of the scheduled maintenance activities by Eversource Energy on selected electric rights-of-way in your town in 2026.

Eversource, through its approved and licensed contractors, will be performing vegetation management work within the cleared areas of the right-of-way through the selective application of approved herbicides. Eversource uses federally approved, state-registered herbicides by state-licensed applicators in a prescribed and targeted manner to control the incompatible vegetation. Residents abutting the right-of-way will be notified by the contractor. All personnel involved will carry proper identification. This work will not interrupt electric services. Typical work hours are Monday through Saturday, from 7:00 AM to 7:00 PM; however, crews may work beyond these hours if weather or other conditions require it.

In wetlands locations, we have received the approval of the Connecticut Department of Energy & Environmental Protection (DEEP) to apply herbicides that are approved for use in wetland areas by the state DEEP and the U.S. Environmental Protection Agency (EPA). Applications of herbicides are allowed to areas where there is no standing water.

This letter serves as our notice of the maintenance, and I ask that if you have any questions on the work contact me at (888) 673-9943 or CTVegMaintenance@eversource.com.

Sincerely,

Michael Rasy
