

Lake Weed Management Committee

Tuesday October 29 ,2024

Regular Meeting/Zoom Only

7:00 pm

--	--	--

Meeting called to order at 7:00

Minutes of September 24, 2024. A motion to approve as corrected by Marty Harris, 2nd by Michele Fitzpatrick and approved. Correction was to use ~~successful~~ to replace ~~limited success~~ in Tyler Lake Report

Woodridge Lake: Report given by Chris Kennavane stated that Woodridge finally got the permit to add 440 additional carpe which was accomplished two weeks ago. Their harvester was under repair and as a result the weed growth was significant. Water quality remained good all summer. Dam repair was successful and work will continue over several seasons.

Dog Pond: No Report

West Side Pond: No Report

Tyler Lake: Michele Fitzpatrick Draw-down and “rake the lake” was very successful and well received. Storm drain presentation had a small turnout.

The Calender for 2025 was presented and approved. Calender is Included with this report and to be filed with the Town of Goshen

Motion to adjourn at 7:08 by Marty, 2nd by Chris and approved.

Present: Marty Harris, Michele Fitzpatrick and Chris Kennavane. Absent
Chris Sanders, Lida Exstein, John Hay, Simon Ellis and Joe Welsh.

Mark S Harris
