Director's Report for October 21, 2026 Meeting

- Weeding the children's room continues. Books will be donated to the Friends. Once the major weeding is done we will do inventory in this room as well, followed by the teen room.

- The Puzzle Room is ready to go. We will promote it in the newsletter and on social media, as well as putting flyers up once we figure out the best way for the public to participate, e.g. specifying age groups and figuring out times to offer it.

- I have emailed the Teen Advisory Board in an attempt to set up a meeting time. We will discuss possibly adding steps to the puzzle room, ideas for social media and outreach, and general ideas to improve library services for teens and young adults. Finding a time to meet has proven to be a struggle.

Budget v. Actual Report

- Currently I am dealing with 2 budget issues. For some reason the meetings and dues budget line doesn't cover enough of what is actually owed for meetings and dues. This leaves me with the dilemma of over drafting the correct line or using an incorrect line.

- Also, we need more library cards and no closely applicable budget line has nearly enough money for this expense. The "office supplies" line has enough money but using this will assure that that budget line is way over drafted by the end of the fiscal year.

- I am aware that there isn't really anything I can do at this point, but I wanted to bring it up before it happened as opposed to have it seen after the fact.

Past Programs

- Nothing specific to report.

Upcoming Programs

- October 28 a paranormal investigator is coming to give a presentation called "Ghosts of the Revolutionary War" to coincide with the 250th anniversary of the US, Halloween, and hopefully contain some local legends.

- October 29 magician Dan Bowen about doing a children's program at the library.

- November 11 John Adams impersonator George Baker is coming to give a talk in character about Abigail Adams.

- I am currently "shopping" for Christmas programs, ideally one for adults and one for children.

Director's Report for November 18, 2026 Meeting

Budget v. Actual Report

- Currently I am dealing with 2 budget issues. For some reason the meetings and dues budget line doesn't cover enough of what is actually owed for meetings and dues. This leaves me with the dilemma of over drafting the correct line or using an incorrect line.

I went ahead and filed this under the correct heading, resulting in the meetings and dues line being overdrawn. The good news is that there should be nothing more under that heading and we can change that line total when we approve the next budget.

- Also, we need more library cards and no closely applicable budget line has nearly enough money for this expense. The "office supplies" line has enough money but using this will assure that that budget line is way over drafted by the end of the fiscal year.

The cards were ordered and have yet to be paid for. I want to consider them "supplies" but that will completely spend that whole budget line and much more.

As mentioned before, Town Hall gave me the packet to get next year's budget ready. My plan is to bring it up today, provide whatever documents anyone needs over the course of the next month, and submit the budget to the board at next month's meeting.

Past Programs

- I am confident that Courtney's return will result in larger numbers for story times and children's programs in general.

- We are still struggling to bring in numbers that are as large as we'd like. We will continue to tweak the kind of programs we have as well as where and when they are held.

Upcoming Programs

- I am currently "shopping" for Christmas programs, ideally one for adults and one for children.

Dear Library Board,

I am writing to formally request money from the Harmon Fund for the purchase of 37 Nutmeg Book Award Nominees.

The Nutmeg Book Award is a Connecticut-based program that encourages students to read and vote for their favorite books across different age groups, including elementary, middle, and high school levels (grades K–12). Winners are selected based on student votes, highlighting books that resonate with young readers. These are essential works for all Connecticut Public Libraries.

The 37 nominated books that we wish to order cost $448.77.

Respectfully submitted,

Philip Armentrout

SUBJECT: 2027 Meeting Dates

It is that time of year again. Attached you will find a 2027 calendar with the State holidays per § 1-4 crossed out. The circled dates are that of the Town Meetings and the election.

As per §1-225 "each public agency shall file not later than January 31st a schedule of the regular meetings for the ensuing year.... **No such meeting of any such public agency shall be held sooner than thirty days after the filing of such schedule".**

If January 2027 was on your 20265 schedule that will allow you to file your notice in January. If not make sure that your calendar is filed with the December agenda. Otherwise you will be holding a Special meeting in January.

Also please remember any member who wishes to resign needs to hand in an original resignation to the Town Clerk.
