- c) **Student A** will meet as scheduled with a school counselor. The need for continued counseling will be by determination of the counselor. Verification of ongoing counseling or the determination that further counseling is no longer needed will be provided in writing from the counselor to the Superintendent.
- d) **Student A** will be permitted the opportunity for early readmission on a probationary status, at the start of the second semester of the 2013-2014 school year on or about January 21, 2014, if the Superintendent, in her sole discretion, determines that **Student**

Determination of satisfactory participation in the alternative educational program will be at the sole discretion of the Superintendent. Expectations include attaining acceptable grades in all courses; excellent attendance; completing all homework assignments; completing all assignments and projects within the prescribed timeframe; cooperating with tutors; and the absence of any serious disciplinary infractions.
