Public Comment:

1. Barbara Putnam distributed materials and expressed concern about the town's pension plan obligation and debt service. She urged the Board of Finance to pay close attention to current trends.
2. Nancy Southard, Tax Collector, said taxes are pretty much on track but she is concerned that she began collections earlier (mid-Fall) this year and some accounts are 2-3 years in arrears. The largest is approximately \$60K. She has sent a number of accounts to her Marshall. In reply to Mr. Fishman's query about such properties, Ms. Southard said there were 30+ more liens this year than last year. In reply to Mr. Wilson's query about following Torrington's lead in quickly moving on businesses suspected of closing, Ms. Southard said she has done this also. In reply to Mr. Weik's query on billing, Ms. Southard said she bills 1x year.

Board of Selectmen's Update: First Selectman Leo Paul, Jr. said the Board of Selectman is beginning the budget process and has held capital improvement meetings, with possibly the final meeting to be held 12-13-11. There will be a full newly empanelled BOS meeting next week. In reply to Mr. Geiger's query about FEMA reimbursements, Mr. Paul said the town is still working with FEMA on Hurricane Irene damages and might expect 70-75% reimbursement mostly for road clean-up. It is too early to have feedback on the October snowstorm which caused damage to two bridges. In reply to Anne Dranginis' query about whether the Capital Committee is still meeting, Mr. Paul confirmed that and said tonight's Bond Resolution is for next year.

Director of Finance's Monthly Status Report: Karl Fisher, Director of Finance, presented the financial overview as of November 30, 2011. The Town has collected 51.9% of revenue and has spent 37% of the budget in the BOS Budget approximately 42% through the fiscal year. The Fund Balance at the end of FY 2011 is 13.35% of Total Revenue Collected.

The Town has collected 51.9% of total revenue as of November. The largest percentage was the collection of current year property taxes with 55% being collected by November 30. In November of FY 2011, the Town collected 50.5% total revenue and collected 54.5% of property taxes.

Pertaining to Expenditures, the BOS budget currently shows the Town being 52.3% committed and 37% spent through the fiscal year. In FY 2011, the BOS was 48% committed and 34% spent. All of the third party agencies are paid in July of each FY. In many cases, these are one-time payments and therefore increase the percent spent for the month.

Mr. Fisher said the town has collected about 73% of prior year taxes. Pertaining to revenue, Mr. Fisher said that building fees are up. In reply to Ms. Barnes' query about the lack of a Board of

Education update for several months, Mr. Geiger offered to request these reports from the Chair of the Board of Education. Consensus from the group agreed that Mr. Geiger should pursue this. In reply to Mr. Fishman's query about the amount collected by the Town in Conveyance Tax in FY 2011, Mr. Fisher said he would get this amount from the Town Clerk's office and send it to the BOF. (**Update:** Mr. Fisher sent the following update in an Email dated 12-13-11: "As of June 30, 2011, the Town Clerk collected \$117,121.46 or 111.5% of the budget. As of November Fiscal Year 2011, the tax collector had collected \$45,387.28 which is 43% of Budget. As a reminder, in FY12, the Town has collected \$35,470 which is 34% of budget.")

Use of Fund Balance for Pay-as-you-go Capital Projects:

Mr. Fisher distributed a Review of Fund Balances and explained in detail all items under Option A. The General Fund Unassigned Fund Balance is 13.5% of Revenues and Transfers In.

Mr. Paul said whatever monies are remaining from the capital budget at the end of the year are transferred to Capital Non-recurring Account. Regarding the Ten-Year Road Program, the Town had been bonding about \$900,000/year for this. The Town is now paying for it out of current tax revenue and does one-third each year.

Ms. Dranginis requested more details on the \$352,262 figure under the heading "Less Grant/Other Funding" and Mr. Fisher said he will provide that information for next month's meeting.

Mr. Geiger noted that 3 out of the last 5 years, the Town has made funding in the pension plan a \$14.7Mil liability for future pensions and we are about 65% funded. He suggested as the Town considers "Pay-as-you-go" projects, they also consider putting money aside for this out of fund balances. Mr. Gadomski also suggested the pensions should incorporate greater employee contributions to lessen Town responsibility.

Mr. Geiger said that Blum Shapiro's current Town audit must be finished by the end of the calendar year and the BOF should be receiving a draft of this audit, which would include the pension fund figure that is unfunded.

Lengthy discussion was held on the Town's Capital Budget 2011/2012, including details on bonded projects that were to be approved in the Bond Resolution. Mr. Geiger proposed taking the \$60,370 targeted for Exterior Concrete Stairs and Walkways and increasing the bonding resolution by that amount for the pension plan.

Consider and Act Upon a Bond Resolution:

David Wilson introduced and read the following resolution:

2. Mr. Wilson said the Capital Committee is now working on capital requests. Items costing \$10,000+ go on the capital budget. They are still awaiting a detailed plan from Parks & Recreation Dept. on maintenance of community fields.
