

Official Statement Dated August 9, 2022

NEW ISSUE

S&P GLOBAL RATINGS: AA+
(See "Ratings" herein.)

In the opinion of Bond Counsel, rendered in reliance upon and assuming the accuracy of and continuing compliance by the Town with certain representations and covenants relating to the applicable requirements of the Internal Revenue Code of 1986, as amended (the "Code"), under existing law, interest on the Bonds is excluded from gross income for federal income tax purposes and is not treated as an item of tax preference for purposes of calculating the federal alternative minimum tax under the Code. In the opinion of Bond Counsel, under existing statutes, interest on the Bonds is excluded from Connecticut taxable income for purposes of the Connecticut income tax on individuals, trusts and estates and is excluded from amounts on which the net Connecticut minimum tax is based in the case of individuals, trusts and estates required to pay the federal alternative minimum tax. Bond Counsel expresses no opinion regarding any other tax consequences related to the ownership or disposition of, or the accrual or receipt of interest on, the Bonds. (See "Tax Matters" herein.)

TOWN OF LITCHFIELD, CONNECTICUT

\$2,085,000 GENERAL OBLIGATION BONDS, ISSUE OF 2022

(BANK QUALIFIED)
BOOK-ENTRY-ONLY

Dated: Date of Delivery

Due: Serially, August 1, as shown herein

The Bonds will be general obligations of the Town of Litchfield, Connecticut (the "Town"), and the Town will pledge its full faith and credit to pay the principal of and interest on the Bonds when due. (See "Security and Remedies" herein.)

Interest on the Bonds will be payable semiannually on February 1 and August 1 in each year until maturity, commencing February 1, 2023.

The Bonds will be issued by means of a book-entry system and registered in the name of Cede & Co., as nominee for The Depository Trust Company ("DTC"), New York, New York. The Beneficial Owners of the Bonds will not receive certificates representing their ownership interest in the Bonds. Principal of, redemption premium, if any, and interest on the Bonds will be payable by the Town or its agent to DTC or its nominee as registered owner of the Bonds. Ownership of the Bonds may be in principal amounts of \$1,000 or integral multiples thereof. DTC will act as security depository for the Bonds. So long as Cede & Co. is the Bondowner, as nominee for DTC, reference herein to the Bondowner or owners shall mean Cede & Co., as aforesaid, and shall not mean the Beneficial Owners (as described herein) of the Bonds. (See "Book-Entry Transfer System" herein.)

The Bonds are subject to optional redemption prior to maturity as described herein. (See "Optional Redemption" herein.)

The Certifying Bank, Registrar, Transfer and Paying Agent for the Bonds will be U.S. Bank Trust Company, National Association, of Hartford, Connecticut.

* - Priced assuming optional redemption on August 1, 2028; however any such redemption is at the option of the Town. (See "Optional Redemption" herein.)

Roosevelt & Cross, Inc. & Associates

The Bonds are offered for delivery when as, and if issued, subject to the final approving opinion of Pullman & Comley, LLC, Bond Counsel, of Hartford, Connecticut. It is expected that delivery of the Bonds in book-entry-only form will be made to DTC on or about August 23, 2022.

This cover page contains certain information for quick reference only. It is not a summary of this issue. Investors must read the entire Official Statement to obtain information essential to the making of an informed investment decision.

- (1) Copyright, American Bankers Association. CUSIP® is a registered trademark of the American Bankers Association. CUSIP numbers have been assigned by an independent company not affiliated with the Town and are included solely for the convenience of the holders of the Bonds. The Town is not responsible for the selection or use of these CUSIP numbers, does not undertake any responsibility for their accuracy, and makes no representation as to their correctness on the Bonds or as indicated above. The CUSIP number for a specific maturity is subject to being changed after the issuance of the Bonds as a result of various subsequent actions including, but not limited to, a refunding in whole or in part of such maturity or as a result of the procurement of secondary market portfolio insurance or other similar enhancement by investors that is applicable to all or a portion of certain maturities of the Bonds.

No dealer, broker, salesperson or other person has been authorized by the Town to give any information or to make any representations, other than those contained in this Official Statement or any supplement which may be issued hereto; and if given or made, such other information or representations must not be relied upon as having been authorized by the Town. This Official Statement does not constitute an offer to sell or the solicitation of an offer to buy, nor shall there be any sale of the Bonds by any person in any jurisdiction in which it is unlawful for such person to make such offer, solicitation or sale.

This Official Statement is not to be construed as a contract or agreement between the Town and the purchasers or holders of any of the Bonds. Any statements made in this Official Statement involving matters of opinion or estimates are not intended to be representations of fact, and no representation is made that any such opinion or estimate will be realized. The presentation of information in this Official Statement is intended to show recent historic trends and is not intended to indicate future or continuing trends in financial or other positions of the Town. No representation is made that past experience, as might be shown by financial or other information herein, will necessarily continue or be repeated in the future. Neither the delivery of this Official Statement nor any sale of the Bonds shall, under any circumstances, create any implication that there has been no material change in the affairs of the Town since the date of the Official Statement.

The information, estimates and expressions of opinion in this Official Statement are subject to change without notice.

All quotations from and summaries and explanations of provisions of statutes, charters, or other laws and acts and proceedings of the Town contained herein do not purport to be complete, are subject to repeal or amendment, and are qualified in their entirety by reference to such laws and the original official documents. All references to the Bonds and the proceedings of the Town relating thereto are qualified in their entirety by reference to the definitive form of the Bonds and such proceedings.

The independent auditors for the Town are not passing upon and do not assume responsibility for the sufficiency, accuracy or completeness of the financial information presented in this Official Statement (other than matters expressly set forth in Appendix A, "Audited Financial Statements" herein), and make no representation that it has independently verified the same. The auditors have not been engaged nor performed audit procedures regarding the post audit period. The auditors have not provided their written consent to use their Independent Auditors' Report.

Bond Counsel is not passing upon and does not assume responsibility for the sufficiency, accuracy or completeness of the statements made or financial information presented in this Official Statement (other than matters expressly set forth as its opinion in Appendix B "Form of Opinion of Bond Counsel" herein) and makes no representation that it has independently verified the same.

The Town deems this Official Statement to be "final" for purposes of Securities and Exchange Commission Rule 15c2-12(b)(1), but is subject to revision or amendment.

This Official Statement may include "forward-looking statements" within the meaning of Section 27A of the Securities Act of 1933, as amended, and Section 21E of the Securities Exchange Act of 1934, as amended. Without limiting the foregoing, the words "may," "believe," "could," "might," "possible," "potential," "project," "will," "should," "expect," "intend," "plan," "predict," "anticipate," "estimate," "approximate," "contemplate," "continue," "target," "goal" and similar expressions are intended to identify forward-looking statements, although not all forward-looking statements contain these words. All forward-looking statements included in this Official Statement are based on information available to the Town up to the date as of which such statements are to be made, or otherwise up to, and including, the date of this document, and the Town assumes no obligation to update any such forward-looking statements to reflect events or circumstances that arise after the date hereof or after the date of any report containing such forward-looking statement, as applicable. Actual results could differ materially from those anticipated in these forward-looking statements as a result of certain important factors, including, but not limited to (i) the effect of and from, future municipal, state and federal budgetary matters, including state and federal grants and other forms of financial aid to the Town; (ii) federal tax policy, including the deductibility of state and local taxes for federal tax purposes; (iii) macroeconomic economic and business developments, both for the country as a whole and particularly affecting the Town; (iv) financial services industry developments; (v) litigation or arbitration; (vi) climate and weather related developments, natural disasters and other acts of God; (vii) factors used in estimating future obligations of the Town; (viii) the effects of epidemics and pandemics, including economic effects; (ix) foreign hostilities or wars; (x) foreign or domestic terrorism; and (xi) other factors contained in this Official Statement.

THE BOND ISSUE SUMMARY

The information in this Bond Issue Summary and the cover page is qualified in its entirety by the detailed information and financial statements appearing elsewhere in this Official Statement. This Official Statement speaks only as of its date and the information herein is subject to change.

Issuer:	Town of Litchfield, Connecticut (the "Town").
Issue:	\$2,085,000 General Obligation Bonds, Issue of 2022 (the "Bonds").
Dated Date:	Date of Delivery.
Interest Due:	February 1 and August 1 in each year until maturity, commencing February 1, 2023.
Principal Due:	Serially, August 1, 2023 through 2037, as detailed in this Official Statement.
Purpose and Authority:	The Bonds are being issued to finance certain capital projects undertaken by the Town. (See "Authorization and Purpose of the Bonds" herein).
Redemption:	The Bonds are subject to optional redemption prior to maturity. (See "Optional Redemption" herein.)
Security:	The Bonds will be general obligations of the Town and the Town will pledge its full faith and credit to the payment of principal of and interest on the Bonds when due. (See "Security and Remedies" herein.)
Credit Rating:	The Bonds have been rated "AA+" by S&P Global Ratings ("S&P"). The bond rating on the Town's outstanding bonds is currently "AA+" by S&P. (See "Ratings" herein.)
Tax Status:	See "Tax Matters" herein.
Continuing Disclosure:	In accordance with the requirements of Rule 15c2-12(b)(5) promulgated by the Securities and Exchange Commission, the Town will agree to provide, or cause to be provided, (i) annual financial information and operating data, (ii) notices of certain events within ten (10) business days of occurrence of such events and (iii) timely notice of a failure to provide the required financial information by the date specified pursuant to a Continuing Disclosure Agreement to be executed by the Town in substantially the form attached as Appendix C to this Official Statement.
Registrar, Transfer Agent, Certifying Agent and Paying Agent:	U.S. Bank Trust Company, National Association, Corporate Trust Services, CityPlace I, 185 Asylum Street, 27 th Floor, Hartford, Connecticut 06103.
Legal Opinion:	Pullman & Comley, LLC of Hartford, Connecticut will act as Bond Counsel. See "Form of Opinion of Bond Counsel" attached as Appendix B to this Official Statement.
Delivery and Payment:	It is expected that delivery of the Bonds in book-entry-only form will be made to The Depository Trust Company on or about August 23, 2022 against payment in Federal Funds .
Issuer Official:	Questions concerning the Town and this Official Statement should be directed to Amaechi E. Obi, Director of Finance, Town of Litchfield, Connecticut - Telephone (860) 567-7554.
Municipal Advisor:	Munistat Services, Inc., 129 Samson Rock Drive, Suite A, Madison, Connecticut 06443, attention: Mr. Mark N. Chapman, Managing Director, Telephone: (203) 421-2087.

The Preliminary Official Statement is available in electronic form only at www.i-dealprospectus.com and www.munistat.com. For additional information please contact the Municipal Advisor at susan.caron@munistat.com or mark.chapman@munistat.com.

I. SECURITIES OFFERED

INTRODUCTION

This Official Statement, including the cover page and appendices, is provided only in connection with the initial offering and sale of \$2,085,000 General Obligation Bonds, Issue of 2022 (the "Bonds") to present certain financial and supplementary economic and demographic data relevant to the Town of Litchfield, Connecticut (the "Town"), and may not be reproduced or used in whole or in part for any other purpose.

All quotations from and summaries and explanations of provisions of statutes, charters, or other laws and acts and proceedings of the Town contained herein do not purport to be complete and are qualified in their entirety by reference to the original official documents; and all references to the Bonds and the proceedings of the Town relating thereto are qualified in their entirety by reference to the definitive form of the Bonds and such proceedings.

The presentation of information is intended to show recent historical trends and is not intended to indicate future or continuing trends in the financial or other positions of the Town. Except for information expressly attributed to other sources, all financial and other information presented herein has been provided by the Town.

Bond Counsel is not passing upon and does not assume responsibility for the accuracy or adequacy of the statements made in this Official Statement (other than matters expressly set forth in their opinion in Appendix B) and they make no representation that they have independently verified the same.

DESCRIPTION OF THE BONDS

The Bonds will be dated the date of delivery and will mature on the dates and in the principal amounts set forth on the cover page hereof. Interest on the Bonds will be payable February 1 and August 1 in each year until maturity, commencing February 1, 2023. Interest will be calculated on the basis of a 360-day year consisting of twelve 30-day months and will be payable to the registered owners of the Bonds at the rates per annum specified by the successful bidder as set forth on the cover page, as of the close of business on the fifteenth day of January and July in each year, or the preceding business day if the fifteenth is not a business day. A book-entry system will be employed evidencing ownership of the Bonds in principal amounts of \$1,000 or integral multiples thereof, with transfers of ownership effected on the records of The Depository Trust Company, New York, New York ("DTC"), and its participants pursuant to rules and procedures established by DTC and its participants. (See "Book-Entry Transfer System" herein). The Certifying Bank, Registrar, Transfer and Paying Agent will be U.S. Bank Trust Company, National Association of Hartford, Connecticut. The legal opinion on the Bonds will be rendered by Pullman & Comley, LLC of Hartford, Connecticut, as set forth in Appendix B. The Bonds SHALL be designated by the Town as qualified tax-exempt obligations under the provisions of Section 265(b) of the Internal Revenue Code of 1986, as amended and described herein. **The Bonds are subject to redemption prior to maturity as described herein. (See "Optional Redemption" herein.)**

OPTIONAL REDEMPTION

The Bonds maturing on or before August 1, 2028 are not subject to redemption prior to maturity. The Bonds maturing on August 1, 2029 and thereafter are subject to redemption prior to maturity, at the election of the Town, on and after August 1, 2028, at any time, in whole or in part, and by lot within a maturity, in such amounts and in such order of maturity as the Town may determine, at the redemption price or prices (expressed as a percentage of the principal amount of Bonds to be redeemed) set forth in the following table, plus interest accrued and unpaid to the redemption date:

<u>Redemption Dates</u>	<u>Redemption Price</u>
August 1, 2028 and thereafter	100%

NOTICE OF REDEMPTION

Notice of redemption shall be given by the Town or its agent by mailing a copy of the redemption notice by first-class mail at least thirty days prior to the date fixed for redemption to the registered owner of the Bonds designated for redemption in whole or in part, at the address of such registered owner as the same shall last appear on the registration books for the Bonds. Failure to give such notice by mailing to any registered owner, or any defect therein, shall not affect the validity of the redemption of any other Bonds. Upon the giving of such notice, if such funds available solely for redemption are on deposit with the Paying Agent, the Bonds or portions thereof so called for redemption will cease to bear interest after the specified redemption date.

If less than all the Bonds of any one maturity shall be called for redemption, the particular Bonds or portions of Bonds of such maturity to be redeemed shall be selected by lot in such manner as the Town in its discretion may determine; provided, however, that the portion of any Bond to be redeemed shall be in the principal amount of \$5,000 or some multiple thereof and that, in selecting Bonds for redemption, each Bond shall be considered as representing that number of Bonds which is obtained by dividing the principal amount of such Bond by \$5,000.

The Town, so long as a book-entry system is used for the Bonds being called for redemption, will send any notice of redemption only to DTC (or a successor securities depository) or its nominee. Any failure of DTC to advise any Direct Participant, or of any Direct Participant or Indirect Participant to notify any Indirect Participant or Beneficial Owner, of any such notice and its content or effect will not affect the validity of the redemption of such Bonds called for redemption. Redemption of portions of the Bonds of any maturity by the Town will reduce the outstanding principal amount of Bonds held by DTC. In such event it is the current practice of DTC to allocate by lot, through its book-entry system, among the interest held by Direct Participants in the Bonds to be redeemed, the interest to be reduced by such redemptions in accordance with its own rules or other agreements with Direct Participants. The Direct Participants and Indirect Participants may allocate reductions of the interests in the Bonds to be redeemed held by the Beneficial Owners. Any such allocation of interests in the Bonds to be redeemed will not be governed by the determination of the Town authorizing the issuance of the Bonds and will not be conducted by the Town, the Registrar or Paying Agent.

AUTHORIZATION AND USE OF PROCEEDS OF THE BONDS

Authorization: The Bonds are being issued pursuant to Title 7 of the Connecticut General Statutes, as amended, and certain bond resolutions adopted by the voters at a Town Meeting held on May 12, 2022.

Use of Proceeds: Proceeds of the Bonds will be used to finance the following capital projects.

<u>Projects</u>	<u>Total Bond Authorizatio</u>	<u>Amount of Notes Outstanding</u>	<u>Additions (Reductions)</u>	<u>The Bonds (This Issue) (1)</u>	<u>Premium Applied (This Issue) (1)</u>
2022-23 Capital Improvement Program.....	\$ 5,486,143	\$ -	\$ 2,166,000	\$ 2,085,000	\$ 81,000

(1) Expected use, however, the Town may spend proceeds on other capital projects to meet its capital cash flow needs. Amounts used to finance capital projects of the Town include a portion of the original issue premium for the Bonds.

RATINGS

The Bonds have been rated "AA+" by S&P Global Ratings ("S&P"). Certain outstanding bonds of the Town are also rated "Aa2" by Moody's Investors Service, Inc. ("Moody's") and "AA+" by S&P. However, the Town did not seek a rating from Moody's on this issue. Such ratings reflect only the views of such rating agency and any explanation of the significance of such ratings should be obtained from the rating agency furnishing the same, at the following address: Moody's Investors Service, Inc., 7 World Trade Center, 250 Greenwich Street, New York, New York 10007 and Standard & Poor's Rating Services, 55 Water Street, New York, New York 10041-003. Generally, a rating agency bases its rating on the information and materials furnished to it and on investigations, studies and assumptions of its own. The Town may furnish certain information and materials to the rating agencies, some of which may not have been included in this official statement. There is no assurance such rating will continue for any given period of time or that such rating will not be revised downward or withdrawn entirely by the rating agency, if in the judgment of such rating agency, circumstances so warrant. Any such downward revision or withdrawal of such rating may have an adverse effect on the market price of the Town's bonds and notes, including the Bonds.

SECURITY AND REMEDIES

The Bonds will be general obligations of the Town and the Town will pledge its full faith and credit to pay the principal of and interest on the Bonds when due.

Unless paid from other sources, the Bonds are payable from the general property tax revenues of the Town. The Town has the power under Connecticut General Statutes to levy ad valorem taxes on all property subject to taxation by the Town without limit as to rate or amount, except as to certain classified property such as certified forest land taxable at a limited rate and dwelling houses of qualified elderly persons of low income or qualified disabled persons taxable at limited amounts. There were 927.8 acres of such certified forest land on the last completed grand list of the Town. Under existing statutes, the State of Connecticut is obligated to pay the Town the amount of tax revenue which the Town would have received except for the limitation upon its power to tax such dwelling houses.

Payment of the Bonds is not limited to property tax revenues or any other revenue source, but certain revenues of the Town may be restricted as to use and therefore may not be available to pay debt service on the Bonds. There are no statutory provisions for priorities in the payment of general obligations of the Town. There are no statutory provisions for a lien on any portion of the tax levy or other revenues or property to secure the Bonds or judgments thereon, in priority to other claims.

The Town is subject to suit on its general obligation bonds and notes and a court of competent jurisdiction has the power in appropriate proceedings to render a judgment against the Town. Courts of competent jurisdiction also have the power in appropriate proceedings to order payment of a judgment on such bonds or notes from funds lawfully available therefor or, in the absence thereof, to order the Town to take all lawful action to obtain the same, including the raising of the required amount in the next annual tax levy. In exercising their discretion as to whether to enter such an order, the courts may take into account all relevant factors, including the current operating needs of the Town and the availability and adequacy of other remedies.

Enforcement of a claim for payment of principal of or interest on such bonds or notes of the Town would also be subject to the applicable provisions of Federal bankruptcy laws, as well as other bankruptcy, insolvency, reorganization, moratorium and other similar laws affecting creditors' rights, heretofore or hereafter enacted by the Congress or the Connecticut General Assembly extending the time for payment or imposing other constraints upon enforcement insofar as the same may be constitutionally applied and to the exercise of judicial discretion. Under the Federal bankruptcy code, the Town may seek relief only, among other requirements, if it is specifically authorized, in its capacity as a municipality or by name, to be a debtor under Chapter 9 thereof, or by State law or a governmental officer or organization empowered by State law to authorize such entity to become a debtor under such chapter. Section 7-566 of the Connecticut General Statutes, as amended, provides that no Connecticut municipality shall file a petition in bankruptcy under Chapter 9 of Title 11 of the United States Code without the express prior written consent of the Governor. This prohibition applies to any town, city, borough, metropolitan district and any other political subdivision of the State of Connecticut having the power to levy taxes and issue bonds or other obligations.

BOOK-ENTRY TRANSFER SYSTEM

The Depository Trust Company ("DTC"), New York, New York, will act as securities depository for the Bonds. The Bonds will be issued as fully-registered securities registered in the name of Cede & Co. (DTC's partnership nominee) or such other name as may be requested by an authorized representative of DTC. One fully-registered Bond certificate will be issued for each interest rate of the Bonds, in the aggregate principal amount of such interest rate, and will be deposited with DTC.

DTC, the world's largest securities depository, is a limited-purpose trust company organized under the New York Banking Law, a "banking organization" within the meaning of the New York Banking Law, a member of the Federal Reserve System, a "clearing corporation" within the meaning of the New York Uniform Commercial Code, and a "clearing agency" registered pursuant to the provisions of Section 17A of the Securities Exchange Act of 1934. DTC holds and provides asset servicing for over 3.5 million issues of U.S. and non-U.S. equity, corporate and municipal debt issues, and money market instruments (from over 100 countries) that DTC's participants ("Direct Participants") deposit with DTC. DTC also facilitates the post-trade settlement among Direct Participants of sales and other securities transactions in deposited securities, through electronic computerized book-entry transfers and pledges between Direct Participants' accounts. This eliminates the need for physical movement of securities certificates. Direct Participants include both U.S. and non-U.S. securities brokers and dealers, banks, trust companies, clearing corporations, and certain other organizations. DTC is a wholly-owned subsidiary of The Depository Trust & Clearing Corporation ("DTCC"). DTCC is the holding company for DTC, National Securities Clearing Corporation and Fixed Income Clearing Corporation, all of which are registered clearing agencies. DTCC is owned by the users of its registered subsidiaries. Access to the DTC system is also available to others such as both U.S. and non-U.S. securities brokers and dealers, banks, trust companies, and clearing corporations that clear through or maintain a custodial relationship with a Direct Participant, either directly or indirectly ("Indirect Participants"). DTC is rated AA+ by Standard & Poor's. The DTC Rules applicable to its Participants are on file with the Securities and Exchange Commission. More information about DTC can be found at www.dtcc.com.

Purchases of the Bonds under the DTC system must be made by or through Direct Participants, which will receive a credit for the Bonds on DTC's records. The ownership interest of each actual purchaser of each Bond ("Beneficial Owner") is in turn to be recorded on the Direct and Indirect Participants' records. Beneficial Owners will not receive written confirmation from DTC of their purchase. Beneficial Owners are, however, expected to receive written confirmations providing details of the transaction, as well as periodic statements of their holdings, from the Direct or Indirect Participant through which the Beneficial Owner entered into the transaction. Transfers of ownership interests in the Bonds are to be accomplished by entries made on the books of Direct and Indirect Participants acting on behalf of Beneficial Owners. Beneficial Owners will not receive certificates representing their ownership interests in the Bonds, except in the event that use of the book-entry system for the Bonds is discontinued.

To facilitate subsequent transfers, all Bonds deposited by Direct Participants with DTC are registered in the name of DTC's partnership nominee, Cede & Co., or such other name as may be requested by an authorized representative of DTC. The deposit of Bonds with DTC and their registration in the name of Cede & Co. or such other DTC nominee does not effect any change in beneficial ownership. DTC has no knowledge of the actual Beneficial Owners of the Bonds; DTC's records reflect only the identity of the Direct Participants to whose accounts such Bonds are credited, which may or may not be the Beneficial Owners. The Direct and Indirect Participants will remain responsible for keeping account of their holdings on behalf of their customers.

Conveyance of notices and other communications by DTC to Direct Participants, by Direct Participants to Indirect Participants, and by Direct Participants and Indirect Participants to Beneficial Owners will be governed by arrangements among them, subject to any statutory or regulatory requirements as may be in effect from time to time.

Redemption notices shall be sent to DTC. If less than all of the Bonds within an issue are being redeemed, DTC's practice is to determine by lot the amount of the interest of each Direct Participant in such issue to be redeemed.

Neither DTC nor Cede & Co. (nor any other DTC nominee) will consent or vote with respect to Bonds unless authorized by a Direct Participant in accordance with DTC's Procedures. Under its usual procedures, DTC mails an Omnibus Proxy to the Town as soon as possible after the record date. The Omnibus Proxy assigns Cede & Co.'s consenting or voting rights to those Direct Participants to whose accounts the Bonds are credited on the record date (identified in a listing attached to the Omnibus Proxy).

Redemption proceeds, principal payments and interest payments on the Bonds will be made to Cede & Co., or such other nominee as may be requested by an authorized representative of DTC. DTC's practice is to credit Direct Participants' accounts upon DTC's receipt of funds and corresponding detail information from the Town or the Paying Agent, on payable date in accordance with their respective holdings shown on DTC's records. Payments by Participants to Beneficial Owners will be governed by standing instructions and customary practices, as is the case with securities held for the accounts of customers in bearer form or registered in "street name," and will be the responsibility of such Participant and not of DTC, the Paying Agent, or the Town, subject to any statutory or regulatory requirements as may be in effect from time to time. Payment of redemption proceeds, principal payments and interest payments to Cede & Co. (or such other nominee as may be requested by an authorized representative of DTC) is the responsibility of the Town or Paying Agent, disbursement of such payments to Direct Participants will be the responsibility of DTC, and disbursement of such payments to the Beneficial Owners will be the responsibility of Direct and Indirect Participants.

DTC may discontinue providing its services as depository with respect to the Bonds at any time by giving reasonable notice to the Town or Paying Agent. Under such circumstances, in the event that a successor depository is not obtained, Bond certificates are required to be printed and delivered.

The Town may decide to discontinue use of the system of book-entry transfers through DTC (or a successor securities depository). In that event, Bond certificates will be printed and delivered to DTC.

The information in this section concerning DTC and DTC's book-entry system has been provided by DTC. The Town takes no responsibility for the accuracy thereof.

REPLACEMENT BONDS

The determination of the Town authorizing the Bonds provides for issuance of fully registered Bond certificates directly to Beneficial Owners of the Bonds or their nominees in the event that: (a) DTC determines not to continue to act as securities depository for the Bonds, and the Town fails to identify another qualified securities depository for the Bonds to replace DTC; or (b) the Town determines to discontinue the book-entry system of evidence and transfer of ownership of the Bonds. A Beneficial Owner of the Bonds, upon registration of certificates held in such Beneficial Owner's name, will become the registered owner of the Bonds.

DTC PRACTICES

The Town can make no assurances that DTC, Direct Participants, Indirect Participants or other nominees of the Beneficial Owners of the Bonds will act in a manner described in this Official Statement. DTC is required to act according to rules and procedures established by DTC and its participants which are on file with the Securities and Exchange Commission.

TAX MATTERS

Federal Taxes. In the opinion of Bond Counsel, under existing law, (i) interest on the Bonds is excluded from gross income for federal income tax purposes, and (ii) such interest is not an item of tax preference for purposes of the federal alternative minimum tax.

Bond Counsel's opinion with respect to the Bonds will be rendered in reliance upon and assuming the accuracy of and continuing compliance by the Town with its representations and covenants relating to certain requirements of the Internal Revenue Code of 1986, as amended (the "Code"). The Code and regulations promulgated thereunder establish certain requirements which must be satisfied at and subsequent to the issuance of the Bonds in order that interest on the Bonds be and remain excludable from gross income for federal income tax purposes. Failure to comply with such requirements may cause interest on the Bonds to be included in gross income for federal income tax purposes retroactively to the date of issuance of the Bonds irrespective of the date on which such noncompliance occurs. In the Tax Regulatory Agreement, which will be delivered concurrently with the issuance of the Bonds, the Town will covenant to comply with certain provisions of the Code and will make certain representations designed to assure compliance with such requirements of the Code including, but not limited to, investment restrictions, periodic payments of arbitrage profits to the United States, requirements regarding the proper use of the Bond proceeds and certain other matters. The opinion of Bond Counsel delivered on the date of issuance of the Bonds is conditioned upon compliance by the Town with such requirements.

No other opinion is expressed by Bond Counsel regarding the federal tax consequences of the ownership of, or the receipt or accrual of interest on, the Bonds.

Original Issue Discount. The initial public offering prices of certain maturities of the Bonds may be less than the stated principal amount (the "OID Bonds"). Under existing law, the difference between the stated principal amount and the initial offering price of each maturity of the OID Bonds will constitute original issue discount. The offering prices relating to the yields set forth on the cover page of this Official Statement for such OID Bonds are expected to be the initial offering prices to the public (excluding bond houses and brokers) at which a substantial amount of the OID Bonds are sold. Under existing law, original issue discount on the OID Bonds accrued and properly allocable to the owners thereof under the Code is excludable from gross income for federal income tax purposes if interest on the OID Bonds is excludable from gross income for federal income tax purposes.

Under the Code, for purposes of determining an owner's adjusted basis in an OID Bond purchased at an original issue discount, original issue discount is treated as having accrued while the owner holds such OID Bond and will be added to the owner's basis. The owner's adjusted basis will be used to determine taxable gain or loss upon the sale or other disposition (including redemption or payment at maturity) of such an OID Bond.

Prospective purchasers of OID Bonds should consult their own tax advisors as to the calculation of accrued original issue discount, the accrual of original issue discount in the case of owners of OID Bonds purchasing such OID Bonds after the initial offering and sale, and the state and local tax consequences of owning or disposing of such OID Bonds.

Original Issue Premium. The initial public offering prices of certain maturities of the Bonds may be more than their stated principal amounts payable at maturity (the "OIP Bonds"). In general, an owner who purchases an OIP Bond must amortize the original issue premium as provided in the applicable Treasury Regulations, and amortized premium reduces the owner's basis in the OIP Bonds for federal income tax purposes. Prospective purchasers of OIP Bonds at a premium to its principal amount should consult their tax advisors regarding the amortization of premium and its effect upon basis.

Other Federal Tax Matters. Prospective purchasers of the Bonds should be aware that ownership of the Bonds may result in collateral federal income tax consequences to certain taxpayers, including, without limitation, financial institutions, certain insurance companies, recipients of Social Security or Railroad Retirement benefits, certain S corporations, foreign corporations subject to the branch profits tax, taxpayers eligible for the earned income credit, and taxpayers who may be deemed to have incurred or continued indebtedness to purchase or carry tax-exempt obligations. Bond Counsel does not express any opinion regarding such collateral tax consequences. Prospective purchasers of the Bonds should consult their tax advisors regarding collateral federal income tax consequences. Prospective purchasers of the Bonds may also wish to consult with their tax advisors with respect to the need to furnish certain taxpayer information in order to avoid backup withholding.

State Taxes. In the opinion of Bond Counsel, under existing statutes, interest on the Bonds is excluded from Connecticut taxable income for purposes of the Connecticut income tax on individuals, trusts and estates and is excluded from amounts on which the net Connecticut minimum tax is based for individuals, trusts and estates required to pay the federal alternative minimum tax.

Interest on the Bonds is included in gross income for purposes of the Connecticut corporation business tax.

Accrued original issue discount on an OID Bond is also excluded from Connecticut taxable income for purposes of the Connecticut income tax on individuals, trusts and estates and is excluded from amounts on which the net Connecticut minimum tax is based for individuals, trusts and estates required to pay the federal alternative minimum tax.

Owners of the Bonds should consult their own tax advisors with respect to the determination for state and local income tax purposes of original issue discount or original issue premium accrued upon sale or redemption thereof, and with respect to the state and local tax consequences of owning or disposing of such Bonds.

Changes in Federal and State Tax Law. Legislation affecting tax-exempt obligations is regularly considered by the United States Congress. Court proceedings may also be filed, the outcome of which could modify the tax treatment of obligations such as the Bonds. There can be no assurance that legislation enacted or proposed, or actions by a court, after the issuance of the Bonds will not have an adverse effect on the tax status of interest on the Bonds or the market value or marketability of the Bonds. These adverse effects could result, for example, from changes to federal or state income tax rates, changes in the structure of federal or state income taxes (including replacement with another type of tax), or repeal (or reduction in the benefit) of the exclusion of interest on the Bonds from gross income for federal or state income tax purposes for all or certain taxpayers.

Investors in the Bonds should be aware that future legislative actions may increase, reduce or otherwise change (including retroactively) the financial benefits and the treatment of all or a portion of the interest on the Bonds for federal income tax purposes for all or certain taxpayers. In all such events, the market value of the Bonds may be adversely affected and the ability of holders to sell their Bonds in the secondary market may be reduced. The Bonds are not subject to special mandatory redemption, and the interest rates on the Bonds are not subject to adjustment, in the event of any such change in the tax treatment of interest on the Bonds.

General. The opinion of Bond Counsel is rendered as of its date, and Bond Counsel assumes no obligation to update or supplement its opinion to reflect any facts or circumstances that may come to its attention or any changes in law that may occur after the date of its opinion. Bond Counsel's opinion is based on existing law, which is subject to change. Such opinion is further based on factual representations made to Bond Counsel as of the date of issuance. Moreover, Bond Counsel's opinion is not a guarantee of a particular result, and is not binding on the Internal Revenue Service or the courts; rather, such opinion represents Bond Counsel's professional judgment based on its review of existing law, and in reliance on the representations and covenants that it deems relevant to such opinion.

The discussion above does not purport to deal with all aspects of federal or state or local taxation that may be relevant to a particular owner of the Bonds. Prospective owners of the Bonds, particularly those who may be subject to special rules, are advised to consult their own tax advisors regarding the federal, state and local tax consequences of owning and disposing of the Bonds.

GLOBAL HEALTH EMERGENCY RISK

The outbreak of COVID-19 was declared a Public Health Emergency of International Concern by the World Health Organization. On March 13, 2020, the President of the United States declared a national emergency as a result of the COVID-19 outbreak. The outbreak of the virus has affected travel, commerce and financial markets globally. There can be no assurances that the continuing prevalence of COVID-19 will not materially affect local, state, national, and global activity; increase public health emergency response costs; and materially adversely impact the financial condition of the Town.

Federal Response to COVID-19's Impact on the Economy

On March 11, 2021, President Biden signed into law the \$1.9 trillion American Rescue Plan Act of 2021 (the "Rescue Plan"). The Rescue Plan relief package includes, amongst other provisions, \$350 billion in state and local government aid. Of the \$350 billion, the State and its local governments are expected to receive approximately \$4.2 billion as a result of this legislation, with \$2.6 billion in State relief and another \$1.6 billion in relief for local governments.

The Rescue Plan relief package also includes approximately \$123 billion to allow for a return to full-time, in-person teaching at elementary and high schools, which funds may be used for numerous purposes, including but not limited to expanding testing, modifying classrooms, improving ventilation, and hiring more custodial staff. The State's K-12 schools are expected to receive approximately \$1.1 billion.

The Rescue Plan relief package includes another \$160 billion dedicated to COVID-19 vaccination development and distribution.

State and Local Responses to COVID-19's Impact on the Economy

Governor Lamont also declared a state of emergency throughout the State of Connecticut and took steps to mitigate the spread and impacts of COVID-19. Public schools began to operate remotely and many businesses, with the exception of those deemed to be essential, were required to operate in a limited capacity, if not required to temporarily close altogether. Connecticut's COVID-19 vaccination plan commenced on December 14, 2020, and today the vaccine is widely available to all individuals aged 5 and over. As of February 28, 2022, the State has lifted nearly all restrictions put in place during the height of the pandemic. The State will continue to evaluate the need for additional restrictions on an on-going basis. For up-to-date information concerning the State's actions in response to COVID-19, see <https://portal.ct.gov/coronavirus>. Neither the Town, nor the parties involved with the issuance of the Bonds, has reviewed the information provided by the State on its website and such parties take no responsibility for the accuracy thereof.

The extent to which COVID-19 impacts the State's operations and its financial condition will depend on future developments, which are uncertain and cannot be fully predicted with confidence at this time, including the duration of the outbreak, new information which may emerge concerning the severity of COVID-19 and the actions to contain COVID-19 or treat its impact, among others. There can be no assurances that the outbreak will not further materially adversely affect the financial condition of the State or the Town.

To date, the Town has not experienced a material negative financial impact as a result of COVID-19. The Town collected approximately 98.9% of the Fiscal Year 2021 General Fund current levy, with 98.7% having been collected for Fiscal Year 2020 and 98.7% having been collected for Fiscal Year 2019. As of June 30, 2022, the Town had collected 99.1% of Fiscal Year 2022 current levy.

Over the next two years, the Town expects to receive \$1.824 million in federal funding as a result of the Rescue Plan. The Town has received approximately 50%, or \$912 thousand, in funding from this program. The Town is developing a plan for the use of such funds that will focus on infrastructure improvements and other initiatives that comply with the program eligibility criteria.

Cybersecurity

The Town like many other public and private entities, relies on technology to conduct its operations. The Town and its departments face cyber threats from time to time, including but not limited to hacking, viruses, malware, phishing, and other attacks on computers and other sensitive digital networks and systems. To mitigate the risk of business operations impact and/or damage from cyber incidents or cyber-attacks, the Town invests in various forms of cybersecurity and operational controls. No assurances can be given, however, that such security and operational control measures will be completely successful to guard against cyber threats and attacks. The results of any such attack could impact business operations and/or damage the Town's digital networks and systems and the costs of remedying any such damage could be substantial. The Town has purchased endpoint protection package from Cowbell to mitigate the risks associated with cyber security threats. The Town stores its digital data in the cloud as well as introducing an enhanced daily SPAM filter. In addition, the Town is in the process of implementing multi-factor authentication for users. This initiative will be completed during summer of 2022.

Climate Change

Numerous scientific studies have detailed changing global weather patterns and the potential for increasing extreme weather events across the world. Like much of Connecticut, the Town is vulnerable to inland wetland, small river and stream flooding. Furthermore, the Town faces other threats due to climate change, including damaging wind that could become more severe and frequent. The Town cannot predict the timing, extent or severity of climate change and its impact on its operations and finances.

QUALIFICATION FOR FINANCIAL INSTITUTIONS

The Bonds SHALL be designated by the Town as qualified tax exempt obligations under the provisions of Section 265(b) of the Internal Revenue Code of 1986, as amended, for purposes of calculating the deduction by financial institutions for interest expense allocable to the Bonds.

AVAILABILITY OF CONTINUING DISCLOSURE INFORMATION

The Town will enter into a Continuing Disclosure Agreement with respect to the Bonds, substantially in the form attached as Appendix C to this Official Statement (the "Continuing Disclosure Agreement"), to provide or cause to be provided, in accordance with the requirements of Securities and Exchange Commission Rule 15c2-12, (i) annual financial information and operating data, (ii) notice of the occurrence of certain material events within 10 days of the occurrence of such events; and (iii) timely notice of a failure by the Town to provide the required annual financial information. The winning bidder's obligation to purchase the Bonds shall be conditioned upon its receiving, at or prior to the delivery of the Bonds, an executed copy of the Continuing Disclosure Agreement for the Bonds. (See Appendix C "Form of Continuing Disclosure Agreement").

The Town has previously undertaken in Continuing Disclosure Agreements entered into for the benefit of holders of certain of its general obligation bonds and notes to provide certain annual financial information and event notices pursuant to Rule 15c2-12(b)(5). In the past five years, the Town has not failed to comply in any material respect with its undertakings under such agreements.

II. THE ISSUER

DESCRIPTION OF THE TOWN

The Town of Litchfield (the “Town” or “Litchfield”) was incorporated in 1719 by an act of the Colonial Assembly of Connecticut on the lands bought in 1716 from Tunxis Indians. Litchfield is located in Litchfield County, approximately thirty-three miles west of Hartford and sixteen miles north of Waterbury. Litchfield covers a 57.3 square mile area and is bordered by the Towns of Goshen, Torrington, Harwinton, Thomaston, Morris, Washington and Warren. To the east of Litchfield is Connecticut Route 8 which provides north-south interstate connections from Bridgeport to the Massachusetts border. Connecticut Routes 63, 118, 202 and 254 also serve the Town. Rail service is available connecting with Waterbury and the south, while coach and motor freight companies serve the Town's residents and businesses.

The Town is primarily residential; however, there are several commercial and industrial companies. The Town offers exceptional cultural and recreational opportunities. The Town's educational system consists of one elementary school for Pre K through 3rd grade, one intermediate school for 4th through 6th grades and one middle/high school for 7th through 12th grades. The Town, as well as each of the Member Towns of Regional School District No. 6 (the Towns of Warren, Morris and Goshen) approved at referendum on June 28, 2022 to merge and to create a new Regional School District No. 20. The new Regional School District No. 20 is scheduled for a September 2024 opening. The merger will provide advanced opportunities for the Town's students, academically, in sports, the arts, music and theater and create significant cost savings for all 4 towns.

Litchfield is a community predominantly composed of owner-occupied, single-family dwellings. Single-family dwellings comprise over 80% of all housing units in the Town. During the 2010 U. S. Census, the Town population was 8,466.

In 1959, a special act of the Connecticut General Assembly established the Litchfield Historic District as the first in the State of Connecticut to be registered on the U. S. National Register of Historic Places. The entire district includes more than 475 buildings constructed primarily during the 18th and 19th centuries.

FORM OF GOVERNMENT

The Town is governed by a five-person Board of Selectmen with the First Selectman serving as the full-time Chief Executive. The Town Meeting is the legislative body. The Board of Education, Board of Finance, Board of Assessment Appeals and Planning and Zoning are elective boards, while members of all other boards and commissions are appointed by the Board of Selectmen. The Board of Finance is the budget making authority and sets the mill rate after the budget has been adopted by the Town Meeting.

The Boroughs of Litchfield and Bantam lie entirely within the Town of Litchfield as independent units of government. Created by the Connecticut Legislature in 1915 and granted Special Charters, they exercise certain municipal powers within their respective jurisdictions including taxing and financing powers. Governed by a biennially elected Warden and Council of Burgesses, the Boroughs are responsible for sidewalk and street light maintenance as well as other services. Bantam has largely relinquished these responsibilities and regulations of its inland wetlands to the Town, but it does continue to enact its own zoning regulations.

MUNICIPAL OFFICIALS

Name	Position	Term	Length of Service
Denise Raap.....	First Selectman.....	2 Years -- Elected	2.5 years
Jodiann Tenney.....	Selectman.....	2 Years -- Elected	2.5 years
Christine Harding.....	Selectman.....	2 Years -- Elected	0.5 years
Jonathan E. Tarrant.....	Selectman.....	2 Years -- Elected	10.0 years
Jeffrey J. Zullo.....	Selectman.....	2 Years -- Elected	11.0 years
Francis C. Carpentier.....	Town Treasurer.....	2 Years -- Elected	5.0 years
Lisa A. Losee.....	Town Clerk.....	4 Years -- Elected	13.0 years
Helen Bunnell.....	Tax Collector.....	Appointed	3.0 years
Amaechi E. Obi.....	Director of Finance.....	Appointed	7.5 years

SUMMARY OF MUNICIPAL SERVICES

Police. The Town is serviced by the Connecticut State Police, Troop L, located in Litchfield, and employs two Resident Troopers assigned to Litchfield. Safety Officers are hired on an as-needed basis for various circumstances and events. The Town has patrol vehicles that are dispatched and supervised by the State Police.

Fire/Ambulance. Fire protection is provided by four volunteer fire companies and one volunteer ambulance company. One of the fire companies also provides ambulance services while another fire company also provides first responders services. A six member Board of Fire and Emergency Medical Services Commission, appointed by the Board of Selectmen, serve as a supervisory and coordinating body. The combined membership of the four fire companies and one ambulance company equals approximately 180 members. The Town has two utility vehicles, four tankers, seven pumpers, one ladder truck, two pickup trucks, three rescue vehicles and five ambulances.

Affordable Housing. To foster development of housing for families with incomes below 80% of median, the Town works closely with the Litchfield Housing Trust, a not for profit organization. The Housing Trust began operations 25 years ago and has sponsored 47 homes. Most are single family, owner occupied properties scattered throughout Litchfield. In the process of developing housing, the Housing Trust carries out housing related goals of the Town's Plan of Conservation and Development.

Typically owned by younger families, the housing developed by the Housing Trust provides residences for locally employed workers, families wishing to live in Litchfield, and volunteers in the Town's emergency services.

All property developed by the Housing Trust is assessed property tax. The Town has donated unused Town owned property to the Housing Trust, generating opportunities for additional housing and placing the property on the tax rolls.

The Housing Trust's most recent development has been the adaptive reuse of an abandoned small fire house, donated by the Town. This new housing utilizes state of the art energy efficient features such as geothermal heating and cooling and has won national acclaim.

Although the Town cooperates closely with the Housing Trust, no Town budget funds are spent on the Housing Trust's activity. The Housing Trust generates its funds through private contributions, fees paid by homeowners plus State and Federal Grants. The local banking community has been especially active in providing mortgage financing for the individual homeowners.

By affording housing opportunities for families who could not afford to locate to Litchfield or who otherwise would have to relocate, the Housing Trust offers additional stability to the community.

Public Health Nursing. Public Health Nursing programs in Litchfield are provided by VNA Northwest, Inc., Litchfield Health and Wellness, Homecare Northwest, Inc. and the Visiting Nurse Services of Connecticut, Inc. Skilled nursing, physical therapy, occupational therapy, speech therapy, home health aides and homemaking services are available. Additionally, the VNA of Litchfield provides funding for home healthcare for Litchfield residents in times of need. The VNA of Litchfield also provides funding for respite care for Alzheimer's patients and mental health services. A very successful Hospice Program for the terminally ill and their families is easily accessible. Several private nursing organizations within the Town also offer services. The community is served by an assisted living facility named Brandywine Assisted Living at Litchfield (Sarah Pierce Community), and an independent/assisted living facility called Fernwood.

Senior Citizens. The Litchfield Housing Authority presently oversees both the Wells Run Housing Project comprised of 30 housing units, and Bantam Falls which has 36 units. Wells Run was built in 1975 with a grant provided by the Connecticut Department of Housing. In October 2009, a Small Cities Grant for \$700,000 was awarded from the State of Connecticut for renovations. Rent is based on income and is adjusted to allow for the resident-paid cost of electricity. Bantam Falls was funded in conjunction with the State of Connecticut Department of Housing and a Small Cities Grant. Rent is based on income and electricity is included in the payment. Privately owned senior housing facilities are located in Litchfield and Bantam Boroughs and in the Northfield Village area.

The Town administers rural transit bus services to the elderly and disabled. The bus service is supported by municipal funding, Western Connecticut Area Agency on Aging, the Federal Transit Administration and a ConnDOT Elderly and Disabled Transportation Grant. The Town has been providing bus service since 1998 to serve seniors and disabled with its fourteen passenger mini-bus. The bus serves as a supplemental link for special events and healthcare. The Town provides transportation each weekday from Litchfield to Torrington, where residents may connect with other Torrington routes at the Municipal Parking Lot behind the Torrington Public Library on Daycoeten Place. Combined passenger trips between Northwest Transit and the Town bus currently averages 291 per month.

An elderly nutrition program offers seniors sixty years of age or older nutritionally sound meals at a specified town location. A "Meals on Wheels" program for those unable to prepare their meals is also available. Weekly elderly blood pressure screenings are provided at the VNA Northwest, Inc. office in Bantam. The Litchfield Hills Chore Service helps elderly residents with household chores and errands. The Town employs a full-time Social Services Coordinator to respond to both senior and other public needs, manage and coordinate the Town's local Food Pantry and schedule the routes and drivers of the Municipal Bus for seniors and disabled residents.

Libraries. The Oliver Wolcott Library is the principal public library for the Town. In the fiscal year ending June 30, 2014, the Library circulated 156,360 items. Print books continue to represent the largest segment of circulation with more than 94,350 books circulating last fiscal year. The Oliver Wolcott Library averaged about 240 visits each day and an average of 234 patrons logging in to view, use or visit one of the Town's online resources each day. Each month, an average of 934 children and 375 adults attended a program at the library. The Oliver Wolcott Library is open seven days a week.

The Oliver Wolcott Library was the first library in the State of Connecticut, and remains one of the few in New England, to offer an outreach lending machine. The "OWL Box" is located inside the Bantam Market in Bantam, offering patrons additional access to library materials. Every month an average of 210 items were borrowed from the OWL Box.

The Oliver Wolcott Library is committed to being a leader in energy efficiency. In addition to the Town's aggressive recycle program, over the last ten years, the Library has continued to look for ways to reduce its electrical and oil usage.

The Library's materials include bestsellers, adult and children's books, DVDs, music CDs, audio books, downloadable audio books and ebooks, newspapers, magazines, and museum passes. The Library offers services and programs, including a weekly e-newsletter, bi-monthly print newsletter, staff recommended reading/watching blog, online access to a variety of resources, high-speed internet and wireless access, LCD rentals, quiet room for study, meeting room for meetings, monthly book discussion groups, literary events and author readings, podcast recordings of all of its author events. Musical and theatrical programs, lectures on a range of topics, writing and poetry workshops, weekly story hour programs for babies through age seven, after-school programs, art and literature programs for children, annual Kindergarten Social, annual Family Day, and the annual Festival of Trees.

The Library also offers ½ hour one-on-one basic computer classes that termed "Book a Librarian". Recently, the Library initiated more senior outreach by providing monthly visits to the senior lunch and introducing "senior bags" filled with information about services available to seniors in the area. The Library also offers preschool outreach with regular visits to all area preschools, day care centers and Headstart programs. The website is www.owlibrary.org. The website also includes several subscription-based online research tools like *Consumer Reports Online*, *Morningstar*, *Price It: Antiques and Collectibles*, and much more.

Recreation. The Parks and Recreation Department offers a variety of programs for the entire community, ranging from pre-school activities to programs for seniors. A multitude of Day camps offer individual or team sports skill building and participation throughout the summer, including baseball, soccer, basketball, field hockey and tennis, to name a few. These camps provide training from beginner to advanced levels in each sport.

There are year-round activities that cater to the diverse aspects of the community. Four running races and a triathlon are sponsored annually. Other activities include: gymnastics; mixed-martial arts; introduction to dance; hip-hop classes; country line dancing class; karate; American Red Cross babysitting classes; acting; and, filmmaking classes. A weekly series of cross country races are held on Thursday evenings throughout the summer at White Memorial, along with two "Nights of Miles" and a "Race for Relays" held at the Plumb Hill track. The Department oversees the ski club. The Department is associated with these cooperating groups: Little League Baseball commonly known as Tri-Town; the Litchfield Soccer Club; the Litchfield Track Club, and, the Litchfield Lacrosse Club. Boys and girls have competitive basketball leagues in the winter months and the 3rd and 4th graders have basketball workshops at the Forman School. There are winter and summer galas for senior citizens that include dining and dancing with a live band. There is also a free Summer Concert Series on Wednesday nights on the Green and a block party for the Litchfield Hills Road Race.

The Recreation Department oversees a large community field that has a track, two Little League baseball fields, one Babe Ruth baseball field, two tennis courts, a pavilion, an outdoor basketball court, a smaller basketball court for younger children, and a playscape playground. At another site, there is a smaller community field with a playground, one Little League baseball field, one outdoor basketball court, a pavilion and small playground. On Bantam Lake, the Recreation Department oversees the Town Beach with a boat launch, picnic tables and docks. Ice skaters enjoy unsupervised use of the outdoor rink behind Town Hall, weather permitting, which is also under the umbrella of the Recreation Department.

Sanitary Sewers. Litchfield's first sanitary sewers date back to the 1880s. The existing sanitary sewer system is comprised of more than 26 miles of collection systems. The majority of the Litchfield sewerage is treated at its wastewater treatment plant located in the south western portion of town adjacent to the Bantam River. Utilizing inter municipal agreements, portions of Litchfield's flows discharge to treatment plants in Torrington and Thomaston and Litchfield accepts flows from the West Shore of Bantam Lake in Morris. Litchfield's treatment plant was constructed in 1971 and was upgraded between 2002 and 2004. The plants current design flow is 0.940 MGD (million gallons per day) with a peak hourly flow of 2.13 MGD. Total flow for 2020-2021 was 147,150,000 gallons or 0.447 MGD which represents 40% of capacity.

The sanitary sewer operating expenses for 2020-2021 were \$1,121,328, including \$321,552 in debt service payments and \$300,000 in transfers to WPCA Capital Reserve Fund for future plant improvements. The treatment facility has 4 full time employees.

Public Works. The Department of Public Works has the responsibility of providing maintenance, repair and construction services for the efficient management of public properties and physical resources. The Department presently has seventeen personnel in operations and three in administrative and engineering areas.

The municipal infrastructure managed by the Department includes 123 miles of roadway, 21 bridges, 24 major culverts, 21 miles of storm drainage, half mile of sidewalks, 6 buildings, a municipal parking lot, 30 acres of parks (including Litchfield Community Field and Northfield Community Field), property and recreational facilities, and construction equipment and Town vehicles.

Public Works has added a facilities director effective August 26, 2012, who is in charge of the maintenance for the three Litchfield Schools and has a staff of 15.

Solid Waste. The Town signed a five year agreement with USA Hauling and Recycling commencing July 1, 2022 until June 30, 2027 at \$111/ton with the opportunity to offset tipping fees with recycling revenue. The Litchfield SMART Task Force is committed to educate the residents about food waste diversion and increasing recycling efforts, especially with the Town's commercial businesses and schools. Last year, the Town received a permit from DEEP to have on-site composting at the Town's Recycling Center. Realizing that almost 30% of the waste stream is food scraps, if this food waste could be removed, it will create a significant savings to the taxpayers.

All solid waste and recyclables are picked up and processed by USA Hauling and/or their affiliates.

All municipalities, including the Town, pledge their full faith and credit for the payments of all Service Payments and any delayed-payment charges and costs and expenses of the Authority and its representatives in collecting overdue Service Payments. Each municipality agrees that its obligation to make any such Service Payments and other such payments, in the amounts and at the time specified in the Service Contract, whether to the Authority or the trustee, shall be absolute and unconditional, shall not be subject to any setoff, counterclaim, recoupment, defense (other than payment itself) or other right which the municipality may have against the Authority, the trustee of the Authority's Bonds or any other person for any reason whatsoever, shall not be affected by any defect in title, compliance with the plans and specifications, condition, design, fitness for use of or damage to or loss or destruction of, the System or any part thereof and so long as the Authority shall accept solid waste delivered by the municipality pursuant to the Service Contract, shall not be affected by any interruption or cessation in the possession, uses or operation of the System or any part thereof by the Authority or the operator of the System or any reason whatever.

To the extent that a municipality does not make provisions or appropriations necessary to provide for and authorize the payment by such municipality to the Authority of the payments required to be made by it under the Service Contract, the remaining municipalities, including the Town, must levy and collect such general or special taxes or cost sharing or other assessments as may be necessary to make such payments in full when due thereunder. In the event of any disputes as to any portion of any bill, the disputing municipality will nevertheless pay the full amount of the disputed charges when due and will within 30 days from the date of the disputed bill, give written notice of the dispute to the Authority. The dispute will then be resolved under the dispute resolution provisions of the Service Contract.

Water. Aquarion Water Company of Connecticut ("Aquarion") provides water for public water supply and fire protection to approximately 2,300 people primarily in Litchfield, and also some in Torrington and Goshen. In Litchfield, Aquarion serves a limited area predominately located within the Town's historic/business district and along Route 202 westerly to the Borough of Bantam. Aquarion is the largest investor-owned water utility in New England and the seventh largest in the country. The Company is regulated by the State of Connecticut Departments of Public Health, Environmental Protection, and Public Utilities Control. Aquarion has a formal program for identifying and prioritizing investments to improve product and service quality in its water systems, including Litchfield. Part of this program is regular updates to its Water Supply Plan which compares available supply to demand over a 50-year period and identifies system deficiencies and improvement plans. The Water Supply Plan is updated and approved by the Connecticut Department of Public Health every five years. The remainder of the Town is serviced by private wells. Fire ponds are strategically located to enhance fire protection services. An aquifer protection plan is in place to identify, preserve, and protect the Town's ground water.

Utilities. The Town is serviced by Frontier Communications for telephone service. The delivery of electricity for the Town and Board of Education is through Eversource. Beginning in fiscal year 2011, the Town participated in a Connecticut Conference of Municipalities bidding process to lower its electrical supply cost. As a result, the Town purchases its electrical supply from Constellation Newenergy. The Litchfield school system purchases its electrical supply from Eversource. The Town and Board of Education have installed three solar locations: on the roof of Center School, as a Solar Carport at the Litchfield Intermediate School and ground mounted Solar Panels at the Litchfield High School. The yearly lease revenue is approximately \$62,000 per year for 30 years.

EDUCATIONAL SYSTEM

The Town's elementary school system consists of: one school for pupils in grades Pre K through 3; one school for pupils in grades 4 through 6; and one middle/high school for pupils in grades 7 through 12. The Town, as well as each of the Member Towns of Regional School District No. 6 (the Towns of Warren, Morris and Goshen) approved at referendum on June 28, 2022 to merge and to create a new Regional School District No. 20. The new Regional School District No. 20 is scheduled for a September 2024 opening. The merger will provide advanced opportunities for the Town's students, academically, in sports, the arts, music and theater and create significant cost savings for all 4 towns.

(1) In negotiations.

Connecticut General Statutes Sections 7-473c, 7-474, and 10-153a to 10-153n provide a procedure for binding arbitration of collective bargaining agreements between municipal employers and organizations representing municipal employees, including certified teachers and certain other employees. The legislative body of a municipality may reject an arbitration panel's decision by a two-thirds majority vote. The State of Connecticut and the employee organization must be advised in writing of the reasons for rejection. The State then appoints a new panel of either one or three arbitrators to review the decisions on each of the rejected issues. The panel must accept the last best offer of either of the parties. In reaching its determination, the arbitration panel gives priority to the public interest and the financial capability of the municipal employer, including consideration of other demands on the financial capability of the municipal employer. For binding arbitration contracts, in assessing the financial capability of a municipal entity, there is an irrefutable presumption that a budget reserve of (i) 5% or less with respect to teachers' contracts, and (ii) 15% or less with respect to municipal employees, is not available for payment of the cost of any item subject to arbitration. In light of the employer's financial capability, the panel considers prior negotiations between the parties, the interests and welfare of the employee group, changes in the cost of living, existing employment conditions, and the wages, salaries, fringe benefits and other conditions of employment prevailing in the labor market, including developments in private sector wages and benefits.

ECONOMIC DEVELOPMENT

The Economic Development Commission, appointed in December of 1993, is charged with conducting research into the economic conditions and trends in the Town. The Commission currently makes recommendations to the appropriate officials and agencies regarding action to improve the Town's economic environment. It also seeks to coordinate the activities of and cooperate with unofficial bodies organized to promote economic activity. The EDC secured a \$38,500 grant from the State of Connecticut to launch a "Visit Litchfield CT" Marketing Campaign to promote the Town's local businesses, schools and natural resources. This is a multi-faceted campaign engaging social media, print media and a website presence. The Town is seeing an expansion of business growth as evidenced by the repurposing of a closed Nursing Facility into a 31 room Bed & Breakfast on North Street, and a conversion of the closed County Courthouse into a 19-20 room Boutique Hotel by the Developer Lex Litchfield in partnership with the Hospitality Group "Salt". A new bakery, coffee, grab and go restaurant has opened, an elevated Taco/Tequila Bar has opened and an upscale deli, "Petraroia's Deli", has opened in a renovated space. The Town has also attracted new specialty and local novelty stores CP Farmhouse, BluPrint Kitchen and Discernable Palates. The Town has strengthened its position as a destination for Connecticut tourists, as well people from outside of Connecticut.

The Litchfield Planning and Zoning Commission adopted its 10-year Plan of Conservation and Development (POCAD) on May 20, 2017. As supplements to POCAD, the Commission adopted a set of maps including the zoning map on May 20, 2017.

The Board of Selectmen appointed a Long-Range Capital Improvements Committee in November of 1993 to review all proposed capital expenditures submitted for Town Meeting approval as part of the Annual Budget or as part of a special appropriation. The Committee makes recommendations based upon the following considerations: (a) the extent to which the proposed expenditure is needed; (b) what alternatives to proceeding with the proposed expenditure exist; (c) the soundness of the proposal in terms of the need to be fulfilled; and (d) the likely consequences of the cost of the proposed expenditures on the Town's financial position and mill rate. The acclamation to the process over the years has benefited the town with better control of the capital needs on a prioritized basis. This continues to be an annual and ongoing review committee.

The Economic Development Commission's mission statement is as follows:

The Economic Development Commission will stay informed on economic conditions and monitor trends within the Town of Litchfield and make recommendations to appropriate officials and agencies. The commission shall also take action to improve said economic conditions and seek to coordinate with the activities of various related commissions and unofficial organizations to further Litchfield's economic development well-being.

The Town has expanded the Community Emergency Response Team to 50 plus volunteers. The Bantam Annex Food Co-op is fully stocked and operational. The Municipal Bus has been taken back by the Town and provides an essential service to its seniors and disabled. The Town joined Sustainable CT in January 2020 and has achieved Bronze Certification and soon to submit its application for Silver. The Solar project was completed, providing a savings of over \$3 million to the Town taxpayers over the next 30 years. The Town implemented a Food Waste Diversion program and Textile Collection program. The Town has increased transparency and communication to its residents through the Town of Litchfield Facebook page, Instagram presence, virtual meetings with access to ZOOM recordings and a new comprehensive Town Website. The Town has introduced the acceptance of credit cards at many town offices. The Town has launched the Visit Litchfield CT Marketing Campaign to highlight all the wonderful things about the Town. The Town supports and encourages the renewed energy and expanded efforts of the Litchfield Park & Recreation Department, the Litchfield Social Service Department and the Economic Development Commission. The Town has applied for and received thousands of dollars' worth of new grants to offset costs to the taxpayers. The Town has created a Community Traffic Action Group, that applied for and received a Road Safety Audit Report, who continues to work closely with the CTDOT to implement structural and visual improvements to make the Town's roads safer and slower. The Town has assembled a Broadband Committee to explore the options available in the Town and region to improve opportunities for residents to work from home, attend virtual classrooms and provide telehealth access.

IV. TAX BASE DATA

ASSESSMENT PRACTICES

The Town last revalued its real property effective October 1, 2018. Section 12-62 of the Connecticut General Statutes establishes the revaluation cycle for Connecticut municipalities. The law requires a revaluation every five years, and the Assessor shall perform a full inspection of all parcels once every ten years. Section 12-62 also imposes a penalty on municipalities that fail to effect revaluations as required, with certain exceptions. Municipalities may choose to phase-in real property assessment increases resulting from a revaluation, but such phase-in must be implemented in less than five assessment years. The maintenance of an equitable tax base by locating and appraising all real and personal property within the Town for inclusion onto the grand list is the responsibility of the Assessor's Office. The grand list represents the total assessed values for all taxable and tax-exempt real estate and taxable personal property and motor vehicles located within the Town on October 1. Assessments for real estate are computed at 70% of the estimated market value at the time of the last revaluation, while assessments for motor vehicles and personal property are computed at 70% of the current fair market value. Every year the Board of Assessment Appeals ("BAA") determines whether each taxpayer petition for assessment reduction on the current grand list is warranted. BAA also has the authority to increase assessments.

When a new structure or modification to an existing structure is undertaken, the Assessor's Office receives a copy of the permit issued by the Building Inspector. A physical appraisal is then completed and the structure classified and priced from a schedule developed as of the revaluation. Property depreciation and obsolescence factors are also considered when arriving at an equitable value.

Motor vehicle lists are furnished to the Town by the State of Connecticut and appraisals of motor vehicles are accomplished in accordance with an automotive price schedule as recommended by the State Office of Policy and Management and the Assessor. Section 12-71b of the Connecticut General Statutes provides that motor vehicles which are registered with the Commissioner of Motor Vehicles after the October 1 assessment date but before the next August 1 are subject to a property tax as if the motor vehicle had been included on the October 1 Grand List. The tax is prorated, and the pro-ration is based on the number of months of ownership between October 1 and the following July 31. Cars purchased in August and September are not taxed until the next October 1 Grand list. If the motor vehicle replaces a motor vehicle that was taxed on the October Grand List, the taxpayer is entitled to certain credits.

All business personal property (furniture, fixtures, equipment, machinery and leased equipment) is assessed annually. An assessor's clerk and audit is completed periodically. Assessments for both personal property and motor vehicles are computed at seventy (70%) of present market value.

Section 12-124a of the Connecticut General Statutes permits a municipality, upon approval of its legislative body, to abate property taxes on owner-occupied residences to the extent that the taxes exceed eight percent of the owner's total income, from any source, adjusted for self-employed persons to reflect expenses allowed in determining adjusted gross income. The owner must agree to pay the amount of taxes abated with interest at 6% per annum, or at such rate approved by the legislative body, at such time that the residence is sold or transferred or on the death of the last surviving owner. A lien for such amounts is recorded in the land records but does not take precedence over any mortgage recorded before the lien. The Town has approved the use of this abatement provision. See "Global Health Emergency Risk" herein.

PROPERTY TAX COLLECTION PROCEDURE

Taxes for the fiscal year are paid on the grand list of the prior October 1, and are due July 1, payable in two installments, one half on July 1 and one half on January 1. Payments not received by August 1 and February 1, respectively, become delinquent.

According to the provisions of Sections 12-146 of the Connecticut General Statutes, delinquent property taxes are subject to an interest rate of 1.5% per month (18% per annum).

MOTOR VEHICLE PROPERTY TAX RATE

Section 12-71e(a) of the Connecticut General Statutes has been amended such that the mill rate for motor vehicles shall not exceed 45 mills for the assessment years commencing October 1, 2017 to October 1, 2020, inclusive, and for the assessment year commencing October 1, 2021, and each assessment year thereafter, the mill rate for motor vehicles shall not exceed 32.46 mills. Section 12-71e(b) of the Connecticut General Statutes has been amended to provide that no district or borough may set a motor vehicle mill rate that if combined with the motor vehicle mill rate of the town, city, consolidated town and city or consolidated town and borough in which such district or borough is located would result in a combined motor vehicle mill rate (1) above 39 mills for the assessment year commencing October 1, 2016, or (2) above 45 mills for the assessment years commencing October 1, 2017 to October 1, 2020, inclusive, or (3) above 32.46 mills for the assessment year commencing October 1, 2021, and each assessment year thereafter. The Town's adopted mill rate for motor vehicles for the fiscal year ending June 30, 2023 is 26.80 mills.

PROPERTY TAX LEVIES AND COLLECTIONS

FY Ending 6/30	Net Taxable Grand List (1)	Tax Rate (In Mills)	Total Adjusted Tax Levy	Collected End of Each FY	Uncollected Taxes End of Each FY	Uncollected Taxes As of 6/30/22

V. FINANCIAL INFORMATION

FISCAL YEAR

The Town's fiscal year begins July 1 and ends June 30.

ACCOUNTING POLICIES

The Town's accounting policies are summarized in Note 1 "Summary of Significant Accounting Policies" in the Notes to Financial Statements (Appendix A).

BASIS OF ACCOUNTING

See Note 1-C "Measurement Focus, Basis of Accounting and Financial Statement Presentation" in the Notes to Financial Statements (Appendix A).

ANNUAL AUDIT

Pursuant to the provisions as delineated in the Municipal Auditing Act (Chapter 111 of the Connecticut General Statutes), the Town is obligated to undergo an annual examination by an independent certified public accountant. The firm of Clermont & Associates LLC of Prospect, Connecticut, is the auditor, and is required to conduct an examination under the guidelines issued by the State of Connecticut, Office of Policy & Management, which receives a copy of said audit report when completed.

The most recent annual audit covers the fiscal year ended June 30, 2021, a portion of which is included in this document and made a part hereof as Appendix A. Included in Appendix A are the Independent Auditor's Report, Management's Discussion and Analysis, the Town's Basic Financial Statements, the Notes to Financial Statements and the Required Supplementary Information, together with the report of the independent auditor as prepared by Clermont & Associates LLC, Independent Certified Public Accountants. The information contained in "Appendix A" is not the whole audit report. A full report is available from the Director of Finance, Town of Litchfield, upon request.

BUDGETARY PROCEDURES

The Town adheres to the following procedures in establishing the annual budget. In May, the Board of Finance submits to the annual Town Meeting, at which taxpayer comments are obtained, a proposed operating budget for the year commencing July 1. The operating budget includes proposed expenditures and the means of financing them. Per the Connecticut General Statutes, the Annual Town Meeting may be adjourned to a referendum vote within 14 days of the Town Meeting Date.

<u>On or About</u>	<u>Action</u>
First week in February	The Board of Selectmen holds a series of public workshops on each departmental budget.
March	The Board of Finance receives the Selectmen's recommended operating and capital budget and Board of Education budget.
Early April	Board of Finance conducts public hearing on budget.
Early May	Town Meeting votes on budget or it is adjourned to referendum.

Generally, all unencumbered appropriations lapse at year end except those for the capital projects funds. Encumbered appropriations are carried forward. Appropriations for capital projects are continued until completion of applicable projects, even when projects extend more than one fiscal year.

The Town's budget process must also anticipate the impact of the State of Connecticut's budget which proceeds simultaneously with the Town's budget.

Section 4-66(h) (the "Act"), as amended, reduces a municipality's revenue sharing grant if its general budget expenditures (as modified by the Act) in any fiscal year exceeds a threshold set forth in the Act. As a result of utilizing modified budget growth to reduce a municipality's revenue sharing grant, the Act is sometimes popularly referred to as imposing a "spending cap". Beginning in fiscal year 2018, the Office of Policy and Management ("OPM") must reduce the municipal revenue sharing grant amount for those municipalities whose spending, with certain exceptions, exceeds the spending limits specified in the Act. Each fiscal year, OPM must determine the municipality's percentage growth in spending over the prior fiscal year and reduce the grant if the growth rate is equal to or greater than 2.5% or the inflation rate, whichever is greater. The reduction is generally equal to 50 cents for every dollar the municipality spends over this cap.

The Act requires that each municipality annually certify to the Secretary of OPM whether the municipality exceeded the spending cap and if so, the amount over the cap.

Under the Act, municipal spending does not include expenditures: (1) for debt service, special education, costs to implement court orders or arbitration awards, budgeting for an audited deficit, nonrecurring grants, capital expenditures of \$100,000 or more, or payments on unfunded pension liabilities; (2) associated with a major disaster or emergency declaration by the President or disaster emergency declaration issued by the Governor under the civil preparedness law; or (3) for any municipal revenue sharing grant the municipality disburses to a special taxing district, up to the difference between the amount of property taxes the district levied on motor vehicles in the 2013 assessment year and the amount the levy would have been had the motor vehicle mill rate been 32 mills, for FY 17 disbursements, or 29.63 mills, for FY 18 disbursements and thereafter. In addition, if budget expenditures exceed the 2.5% cap, but are proportional to population growth from the previous year, the municipal revenue sharing grant will not be reduced.

For fiscal years ending June 30, 2020 and each year thereafter, each municipal revenue sharing grant is proportionately reduced if amounts in the revenue sharing account are insufficient to fund all the revenue sharing grants.

SUPPLEMENTAL APPROPRIATIONS

The Town annually budgets a contingency fund against unexpected supplementary appropriations. The Board of Selectmen may recommend contingency fund transfers of up to \$20,000 to the Board of Finance without a Town Meeting. The Board of Finance is authorized to transfer budgeted amounts between appropriations and can approve additional appropriations up to an aggregate of \$20,000 per department per year. Transfers and additional appropriations aggregating more than \$20,000 for any one department per year must be approved by the Town Meeting.

EMPLOYEE PENSION SYSTEMS

The Town has a defined benefit retirement plan (the "Town Plan") that covers substantially all employees of the Town and Board of Education hired before July 1, 2012, except certified staff of the Board of Education covered by the State Teachers' Retirement Board Plan. The Town is the administrator of this single-employer public employee retirement system ("PERS") established and administered to provide pension benefits for its employees. The Town Plan provides retirement, disability and death benefits to plan members and beneficiaries.

Employees are eligible to participate in the Town Plan when they complete one year of eligible service, have completed 1,000 hours during the first 12 months of employment and have attained the age of 18. For employees who do not complete 1,000 hours of service during the first 12 months of employment, eligibility begins on the first day of the plan year during which 1,000 hours were completed. Employees are 100% vested after five (5) years of credited service. Effective July 1, 2015, all employees eligible for the defined benefit pension plan will begin to contribute 1% of their salary.

Employees hired on or after July 1, 2012 will no longer be eligible to participate in the defined benefit pension plan and will be eligible to participate in the defined contribution plan for which the Town will contribute a sum equal to 3% of the employee's bi-weekly wages to a 401A account commencing the first payroll after the employee's one year anniversary.

The Town has a non-contributory defined benefit retirement plan (the "Merit Service Plan") that covers all volunteer fireman who belong to the volunteer fire departments and, as of July 1, 1992, the members of the volunteer ambulance corps. Volunteer fireman and ambulance corps members are eligible to participate in the plan on July 1 following the date on which one year of eligible service has been completed.

The eligible faculty and professional personnel of the Board of Education ("BOE") participate in a multiple employer cost sharing contributory defined benefit plan, established under Chapter 167a of the Connecticut General Statutes. The BOE plan is administered by the Connecticut State Teachers' Retirement Board. The Town does not and is not legally responsible to contribute to the plan. The State of Connecticut contributes based on actuarially determined amounts.

The Town's audit report dated June 30, 2021 summarizes actuarial information based upon the July 1, 2018 actuarial valuation, funding, pension cost and net pension asset amounts for the Town Plan and the Merit Service Plan. The Audit Report also provides information on eligibility and additional information on the BOE plan. (See Appendix A, Note 10 "Pension Plans and Benefits Provided", of the "Notes to Financial Statements").

As of Fiscal Year 2011, the firm of Hooker and Holcombe, Inc. has provided actuarial services for the Town.

In accordance with Government Accounting Standards Board's (GASB) Statement No. 67, the components of the net pension liability of the Town plans as of June 30 were as follows:

	Town Plan				
	2021	2020	2019	2018	2017
Total pension liability.....	\$ 19,360,202	\$ 18,757,398	\$ 18,802,845	\$ 16,890,531	\$ 16,268,788
Plan fiduciary net position.....	19,119,297	15,696,537	15,285,894	14,223,198	13,298,567
Net pension liability.....	<u>\$ 240,905</u>	<u>\$ 3,060,861</u>	<u>\$ 3,516,951</u>	<u>\$ 2,667,333</u>	<u>\$ 2,970,221</u>
Plan fiduciary net position as a % of total pension liability.....	98.8%	83.7%	81.3%	84.2%	81.7%

	Merit Service Plan				
	2021	2020	2019	2018	2017
Total pension liability.....	\$ 4,912,035	\$ 4,738,779	\$ 4,590,114	\$ 4,252,936	\$ 4,115,774
Plan fiduciary net position.....	5,038,525	4,138,486	4,033,747	3,851,737	3,693,369
Net pension liability.....	<u>\$ (126,490)</u>	<u>\$ 600,293</u>	<u>\$ 556,367</u>	<u>\$ 401,199</u>	<u>\$ 422,405</u>
Plan fiduciary net position as a % of total pension liability.....	102.6%	87.3%	87.9%	90.6%	89.7%

The following represents the net pension liability of the Town, calculated using the current discount rate of each plan, as well as what the Town's net pension liability would be if it were calculated using a discount rate that is 1 percentage point lower or 1 percentage point higher than the current rate:

	Town Plan		
	1% Decrease	Current	1% Increase
	5.75%	Discount Rate	7.75%
		6.75%	
Net Pension Liability....	\$ 2,150,582	\$ 240,905	\$ (1,404,679)

	Merit Service Plan		
	1% Decrease	Current	1% Increase
	5.75%	Discount Rate	7.75%
		6.75%	
Net Pension Liability....	\$ 481,901	\$ (126,490)	\$ (630,767)

Based upon a July 1, 2020 actuarial valuation, the actuarial value of assets and actuarial liabilities for the Town Plan and Merit Service Plan were as follows:

(Town Plan)

Actuarial Valuation July 1	Actuarial Value of Assets (a)	Actuarial Accrued Liability (AAL) (b)	Unfunded (Overfunded) AAL (UAAL) (b) - (a)	Funded Ratio (a) / (b)
2012	\$ 8,192,297	\$13,085,274	\$ 4,892,977	62.6%
2014	11,177,311	14,910,311	3,733,000	75.0
2016	12,002,600	15,614,934	3,612,334	76.9
2018	14,223,198	17,651,590	3,428,392	80.6
2020	15,696,537	18,874,498	3,177,961	83.2

(Merit Service Plan)

Actuarial Valuation July 1	Actuarial Value of Assets (a)	Actuarial Accrued Liability (AAL) (b)	Unfunded (Overfunded) AAL (UAAL) (b) - (a)	Funded Ratio (a) / (b)
2012	\$ 2,546,572	\$ 3,367,567	\$ 820,995	75.6%
2014	3,282,069	3,749,977	467,908	87.5
2016	3,368,953	3,972,584	603,631	84.8
2018	3,851,737	4,455,182	603,445	86.5
2020	4,138,486	4,763,908	625,422	86.9

The following table represents a prospective forecast of the Town Plan's Actuarial Determined Employer Contribution ("ADEC") based on the July 1, 2020 valuation and assumes (i) that the Town will pay the ADEC each year; and (ii) the method for amortizing the unfunded liability has been changed from an open amortization period of 20 years to closed amortization period, with a minimum period of 15 years. As of July 1, 2020 there are 18 years remaining.

**Schedule of Employer Contributions
(Town Plan)**

Fiscal Year	Actuarial Determined Employer Contribution	Actual Contribution	Percentage Contributed
2019	\$ 665,541	\$ 851,760	128.0
2020	550,742	559,267	101.5
2021	559,267	559,267	100.0
2022	520,645	520,645	100.0
2023 (1)	528,358	528,358	100.0

(1) As budgeted for fiscal year 2022-23.

The following table represents a prospective forecast of the Town Plan's Actuarial Determined Employer Contribution ("ADEC") based on the July 1, 2020 valuation and assumes that the Town will pay the ADEC each year.

(Merit Service Plan)

Fiscal Year	Actuarial Determined Employer Contribution	Actual Contribution	Percentage Contributed
2019	\$ 118,419	\$ 118,419	100.0
2020	119,508	119,508	100.0
2021	119,508	119,508	100.0
2022	127,954	127,954	100.0
2023 (1)	127,954	127,954	100.0

(1) As budgeted for fiscal year 2022-23.

For further details on the plans, see Appendix A, Note 10 "Pension Plans and Benefits Provided" of the "Notes to Financial Statements".

OTHER POST-EMPLOYMENT BENEFITS

As disclosed in the audited financial statements for the year ended June 30, 2020, the Board of Education ("BOE") provides certain retirees with health care, life insurance and lump sum benefits, in accordance with certain union contracts.

For further details on the plans, see Appendix A, Note 11 "Other Post-Employment Benefits" of the "Notes to Financial Statements".

The Retiree Health Plan ("RHP") is a single-employer defined benefit healthcare plan administered by the BOE. The RHP provides medical and dental insurance benefits to eligible retirees and their spouses. All employees of the BOE are eligible to participate in the plan.

A trust was officially established on March 29, 2011 between the Town and the Litchfield Board of Education and the Town's Pension Commission. The monies in the OPEB special revenue fund were transferred to the OPEB trust fund on that date. As in prior years, all expenses for postemployment benefits were paid out of the General Fund during fiscal year ended June 30, 2016. The plan does not issue a stand-alone financial report.

For fiscal year 2016-17, the Town and Board of Education implemented Government Accounting Standards Board's ("GASB") Statement No. 74. In accordance with GASB Statement No. 74, the net position is based on the fair market value as of the end of the fiscal year and the total OPEB liability is based on the actuarial assumptions as of the prior valuation date updated to the end of the fiscal year. The components of the net OPEB liability of the Town and Board of Education as of June 30 were as follows:

	2021	2020	2019	2018	2017
Total OPEB liability.....	\$ 1,405,426	\$ 2,075,598	\$ 2,013,952	\$ 2,437,252	\$ 2,346,310
Plan fiduciary net position.....	1,963,110	1,572,024	1,495,122	1,372,819	1,289,275
Net OPEB liability.....	<u>\$ (557,684)</u>	<u>\$ 503,574</u>	<u>\$ 518,830</u>	<u>\$ 1,064,433</u>	<u>\$ 1,057,035</u>
Plan fiduciary net position as a % of total OPEB liability.....	139.7%	75.7%	74.2%	56.3%	54.9%

The following represents the net OPEB liability of the Town and Board of Education, calculated using healthcare cost trend rates that are 1 percentage point lower or 1 percentage point higher than the current healthcare cost trend rate:

	1% Decrease	Current	1% Increase
	5.75%	Discount Rate	7.75%
Net OPEB Liability.....	\$ (410,447)	\$ (567,684)	\$ (687,689)

INVESTMENT POLICIES AND PROCEDURES

The Town's investment practices have been to invest only in the following investments: (1) certificates of deposit; (2) overnight repurchase agreements collateralized by U.S. government agency obligations which are priced daily; and (3) the State of Connecticut Short-Term Investment Fund ("STIF"). Additional information on the Town's investment policies and investments related to the Pension Trust Funds are available upon request to the Director of Finance. (See Appendix A, Note 3, "Cash, Cash Equivalents and Investments" of the "Notes to Financial Statements").

PROPERTY TAX REVENUES

Fiscal Year	General Fund Revenues		Property Tax Revenues	Property Tax As a % of General Fund Revenues
2023 (Adopted Budget)	\$ 31,959,350	(1)	\$ 29,698,527	92.9
2022 (Estimated Actuals)	32,301,990	(1)	29,675,271	91.9

LEGAL REQUIREMENTS FOR APPROVAL OF BORROWING

The Town has the power to incur indebtedness by issuing its bonds or notes as authorized by the Connecticut General Statutes subject to statutory debt limitations. All capital projects which are financed by the issuance of bonds or notes must be approved by voters of the Town at a Town Meeting or Referendum.

TEMPORARY FINANCING

When general obligation bonds have been authorized, bond anticipation notes may be issued maturing in not more than two years (CGS Sec. 7-378). Temporary notes may be renewed up to ten years from their original date of issue as long as all project grant payments are applied toward payment of project costs or temporary notes when they become due and payable, and the legislative body schedules principal reductions by the end of the third year and for each subsequent year during which such temporary notes remain outstanding, in an amount equal to a minimum of 1/20th (1/30th for sewer projects and certain school projects) of the estimated net project cost (CGS Sec. 7-378a). The term of the bond issue is reduced by the amount of time temporary financing exceeds two years.

Temporary notes may be funded beyond ten years from their initial borrowing date, if written commitment exists for State and/or Federal grants for terms not to exceed six months until such time that the final grant payments are received (CGS Sec. 7-378b).

Temporary notes may also be issued for up to 15 years for certain capital projects associated with the operation of a waterworks system (CGS Sec. 7-244a) or a sewage system (CGS Sec. 7-264a). In the first year following the completion of the project(s), or in the sixth year following the original date of issue (whichever is sooner), and in each year thereafter, the notes must be reduced by 1/15th of the total amount of the notes issued by funds derived from sources of payment specified by statute. Temporary notes may be issued in one-year maturities for up to 15 years in anticipation of sewer assessments receivable, such notes to be reduced annually by the amount of assessments received during the preceding year (CGS Sec. 7-269a).

SCHOOL BUILDING GRANT REIMBURSEMENTS

Pursuant to Section 10-287i of the Connecticut General Statutes, the State of Connecticut will provide proportional progress payments for eligible school construction expenses on projects approved after July 1, 1996 (the "Current Program").

Under the Current Program, the State of Connecticut is making proportional progress payments for eligible construction costs during project construction. The State grants are being paid directly to the municipality after it submits its request for progress payments, and accordingly, the municipality will issue its bonds only for its share of project costs.

CLEAN WATER FUND PROGRAM

The Town is a participant in the State of Connecticut Clean Water Fund Program (Connecticut General Statutes Section 22a-475 et seq., as amended) which provides financial assistance through a combination of grants and loans bearing interest at a rate of 2% per annum. All participating municipalities receive a grant of 20% and a loan of 80% of total eligible costs (with the exception of combined sewer overflow correction projects which are financed with a 50% grant and a 50% loan.)

Loans to the Town are made pursuant to Project Grant and Project Loan Agreements. The Town is obligated to repay only that amount which it draws down for the payment of project costs ("Loan Agreements"). The Town must permanently finance its draws under the Interim Funding Obligation ("IFO") through the issuance of a Project Loan Agreement ("PLO") at the conclusion of the project secured by the full faith and credit of the Town, and/or a dedicated source of revenue of the Town.

Amortization of each loan is required to begin one year from the earlier of the scheduled completion date specified in the Loan Agreement or the actual project completion date. The final maturity of each loan is twenty years from the scheduled completion date. Principal and interest payments are made (1) in equal monthly installments commencing one month after the scheduled completion date, or (2) in single annual installments representing 1/20 of total principal not later than one year from the scheduled completion date specified in the Loan Agreement repayable thereafter in monthly installments. Loans made under loan agreements entered into prior to July 1, 1989 are repayable in annual installments. Borrowers may elect to make level debt service payments or level principal payments. Borrowers may prepay their loans at any time prior to maturity without penalty.

The Town has the following Clean Water Fund loan outstanding:

<u>Project</u>	<u>Date of Issue</u>	<u>Original 2% Loan Amount</u>	<u>Amount Outstanding for the Sewer Construction Projects As of August 23, 2022</u>
CWF PLO 499-C.....	07/31/2004	\$ 4,595,198	\$ 250,817

LIMITATION OF INDEBTEDNESS

Municipalities shall not incur indebtedness through the issuance of bonds or notes which will cause aggregate indebtedness by class to exceed the following:

General Purposes:	2.25 times annual receipts from taxation
School Purposes:	4.50 times annual receipts from taxation
Sewer Purposes:	3.75 times annual receipts from taxation
Urban Renewal Purposes:	3.25 times annual receipts from taxation
Unfunded Pension Liability Purposes:	3.00 times annual receipts from taxation

In no case however, shall total indebtedness exceed seven times the base. "Annual receipts from taxation," (the "base") are defined as total tax collections including interest, penalties and late payment of taxes and state payments for revenue loss under CGS Sections 12-129d and 7-528.

The CGS also provide for exclusion from the debt limit calculation debt (i) issued in anticipation of taxes; (ii) issued for the supply of water, gas, electricity, electric demand response, conservation and load management, distributed generation and renewable energy projects; for the construction of subways for cables, wires and pipes; for the construction of underground conduits for cables, wires and pipes; for the construction and operation of a municipal community antenna television system and for two or more of such purposes; (iii) issued in anticipation of the receipt of proceeds from assessments levied upon property benefited by any public improvement; (iv) issued in anticipation of the receipt of proceeds from State or Federal grants evidenced by a written commitment or for which allocation has been approved by the State Bond Commission or from a contract with the state, state agencies or another municipality providing for the reimbursement of costs but only to the extent such indebtedness can be paid from such proceeds; (v) issued for certain water pollution control projects; and (vi) upon placement in an escrow of the proceeds of refunding bonds, notes or other obligations or other funds of the municipality in an amount sufficient to provide for the payment when due of principal of and interest on such bond, note or other evidence of indebtedness.

VII. LEGAL AND OTHER LITIGATION

LITIGATION

The Town of Litchfield, its officers, employees, boards and commissions are named defendants in a number of lawsuits, tax appeals, administrative proceedings and other miscellaneous claims. It is the Town Attorney's opinion that such pending litigation will not be finally determined, individually or in the aggregate, so as to result in final judgments against the Town which would have a material adverse effect on the Town's financial position.

MUNICIPAL ADVISOR

The Town has retained Munistat Services, Inc. (the "Municipal Advisor") to serve as its municipal advisor in connection with the issuance of the Bonds. The Municipal Advisor has not independently verified any of the information contained in this Official Statement and makes no guarantee as to its completeness or accuracy. The Town may engage the Municipal Advisor to perform other services, including without limitation, providing certain investment services with regard to the investment of Bond proceeds.

DOCUMENTS ACCOMPANYING DELIVERY OF THE BONDS

Upon delivery of the Bonds, the purchaser will be furnished with the following:

1. A Signature and No Litigation Certificate stating that at the time of delivery no litigation is pending or threatened affecting the validity of the Bonds or the levy or collection of taxes to pay them;
2. A certificate on behalf of the Town signed by the First Selectman, Town Treasurer, and the Director of Finance, which will be dated the date of delivery of the Bonds, and which will certify to the best of said officials' knowledge and belief, that the descriptions and statements in the Official Statement relating to the Town of Litchfield and its finances were true and correct in all material respects and did not contain any untrue statements of a material fact or omit to state a material fact necessary to make the statement therein, in light of the circumstances under which they were made, not misleading, and that there has been no material adverse change in the financial condition of the Town from that set forth in or contemplated by the Official Statement;
3. A Receipt for the purchase price of the Bonds;
4. The approving opinion of Pullman & Comley, LLC, Bond Counsel, of Hartford, Connecticut in substantially the form attached to the Official Statement as Appendix B;
5. An executed Continuing Disclosure Agreement for the Bonds in substantially the form attached to the Official Statement as Appendix C; and
6. Within seven business days of the bid opening, the Town will furnish the purchaser of the Bonds a reasonable number of copies of the Official Statement, as prepared by the Town.

A record of the proceedings taken by the Town in authorizing the Bonds will be kept on file at the office of the U.S. Bank Trust Company, National Association, CityPlace I, 185 Asylum St., 27th Floor, Hartford, Connecticut, will be available for examination upon reasonable request.

[The remainder of this page intentionally left blank]

CONCLUDING STATEMENT

Additional information may be obtained upon request from the office of the Director of Finance at (860) 567-7554 or from the Municipal Advisor at (203) 421-2087.

Any statements in this Official Statement involving matters of opinion or estimates, whether or not expressly so stated, are intended as such and not as representations of fact. No representation is made that any of such statements will be realized. This Official Statement is not to be construed as a contract or agreement between the Town and the purchasers or holders of any of the Bonds.

INDEPENDENT AUDITOR'S REPORT

Board of Finance
Town of Litchfield, Connecticut
Litchfield, CT 06759

Report on the Financial Statements

We have audited the accompanying financial statements of the governmental activities, the business-type activities, each major fund and the aggregate remaining fund information of the Town of Litchfield Connecticut, as of and for the year ended June 30, 2021, and the related notes to the financial statements, which collectively comprise the Town of Litchfield, Connecticut's basic financial statements as listed in the table of contents.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express opinions on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to the financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinions.

Opinions

In our opinion, the financial statements referred to above present fairly, in all material respects, the respective financial position of governmental activities, the business-type activities, each major fund and the aggregate remaining fund information of the Town of Litchfield, Connecticut as of June 30, 2021, and the respective changes in the financial position, and, where applicable, cash flows thereof and the respective budgetary comparison for the General Fund for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Other Matters

Required Supplementary Information

Accounting principles generally accepted in the United States of America require that the *management's discussion and analysis* on pages 3a through 3g and the required supplemental information relating to pension on pages 57-67, be presented to supplement the basic financial statements. Such information, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board, who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. We have applied certain limited procedures to the required supplementary information in accordance with auditing standards generally accepted in the United States of America, which consisted of inquiries of management about the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the basic financial statements, and other knowledge we obtained during our audit of the basic financial statements. We do not express an opinion or provide any assurance on the information because the limited procedures do not provide us with sufficient evidence to express an opinion or provide any assurance.

Other Information

Our audit was conducted for the purpose of forming opinions on the financial statements that collectively comprise the Town of Litchfield, Connecticut's basic financial statements. The combining and individual nonmajor fund financial statements and schedules, the statement of changes in fund balance – by project, the schedule of property taxes levied, collected and outstanding, and the schedule of debt limitation are presented for the purposes of additional analysis and are not a required part of the basic financial statements.

The combining and individual nonmajor fund financial statements and schedules, the statement of changes in fund balance – by project, the schedule of property taxes levied, collected and outstanding, and the schedule of debt limitation are the responsibility of management and were derived from and relate directly to the underlying accounting and other records used to prepare the basic financial statements. Such information has been subjected to the auditing procedures applied in the audit of the basic financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the basic financial statements or to the basic financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the combining and individual nonmajor fund financial statements and schedules described in the above paragraph are fairly stated in all material respects in relation to the basic financial statements taken as a whole.

Other Reporting Required by Government Auditing Standards

In accordance with *Government Auditing Standards*, we have also issued our report dated November 30, 2021, on our consideration of the Town of Litchfield, Connecticut's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is solely to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the Town of Litchfield, Connecticut's internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Town of Litchfield, Connecticut's internal control over financial reporting and compliance.

Prospect, Connecticut

November 30, 2021

TOWN OF LITCHFIELD, CONNECTICUT
MANAGEMENT'S DISCUSSION AND ANALYSIS

JUNE 30, 2021

This discussion and analysis of the Town of Litchfield, Connecticut's, (the "Town"), financial performance is provided by management to provide an overview of the Town's financial activities for the fiscal year ended June 30, 2021. Please read this MD&A in conjunction with the Town's financial statements.

Financial Highlights

- Net position of our governmental activities increased by \$1.8 million.
- Net position of our business-type activities increased by \$165 thousand.
- The General Fund reported a fund balance this year of \$7.66 million; \$69 thousand more than the General Fund balance reported in the prior year.
- The resources available for appropriation in the General Fund were \$7.3 million.

Overview of the Financial Statements

This annual report consists of a series of financial statements. The statement of net position and the statement of activities (Exhibits A and B, respectively) provide information about the activities of the Town as a whole and present a longer-term view of the Town's finances. Fund financial statements are presented in Exhibits C and D. For governmental activities, these statements tell how these services were financed in the short-term as well as what remains for future spending. Fund financial statements also report the Town's operations in more detail than the government-wide statements by providing information about the Town's most significant funds. In addition, beginning this fiscal year, the Town maintains the water pollution control authority as a proprietary fund (Exhibits G, H and I). The remaining statements provide financial information about activities for which the Town acts solely as a trustee or agent for the benefit of those outside of the government.

Government-Wide Financial Statements

The analysis of the Town as a whole begins on Exhibits A and B. The statement of net position and the statement of activities reports information about the Town as a whole and about its activities for the current period. These statements include all assets and liabilities using the accrual basis of accounting, which is similar to the accounting used by most private-sector companies. All of the current year's revenues and expenses are taken into account regardless of when cash is received or paid.

These two statements report the Town's net position and related changes. The Town's net position, the difference between assets and liabilities, is one way to measure the Town's financial health, or financial position. Over time, increases or decreases in the Town's net position are one indicator of whether its financial health is improving or deteriorating. The reader needs to consider other nonfinancial factors, such as changes in the Town's property tax base and the condition of the Town's capital assets, to assess the overall health of the Town.

In the statement of net position and the statement of activities, the Town reports its activities as follows:

- *Governmental activities* - The Town's basic services are reported here, including general government, public safety, community services, public works, education, public library, and municipal facilities. Property taxes, charges for services, and state and federal grants finance most of these activities.
- *Business-type activities* - The Water Pollution Control Authority's activity is reported here.

Fund Financial Statements

The fund financial statements begin with Exhibit C and provide detailed information about the most significant funds - not the Town as a whole. Some funds are required to be established by State Statute. However, the Board of Selectman establishes many other funds to help control and manage financial activities for particular purposes or to show that it is meeting legal responsibilities for using grants and other money (like grants received for education from the State and Federal governments). The Town's funds are divided into three categories: governmental, proprietary, and fiduciary.

- *Governmental funds (Exhibits C and D)* - Most of the Town's basic services are reported in governmental funds, which focus on how money flows into and out of those funds and the balances left at year-end that are available for spending. These funds are reported using an accounting method called modified accrual accounting, which measures cash and all other financial assets that can readily be converted to cash. The governmental fund statements provide a detailed short-term view of the Town's general government operations and the basic services it provides. Governmental fund information helps you determine whether there are more or fewer financial resources that can be spent in the near future to finance the Town's programs. The relationship (or differences) between governmental activities (reported in the statement of net position and the statement of activities) and governmental funds is described in a reconciliation at the bottom of the fund financial statements.
- *Proprietary funds (Exhibits G, H and I)* - When the Town charges customers for the services it provides, whether to outside customers or to other units of the Town, these services are generally reported in proprietary funds. Proprietary funds are reported in the same way that all activities are reported in the statement of net position and the statement of activities. Internal service funds (the component of proprietary funds) are used to report activities that provide supplies and services for the Town's other programs and activities, such as the Town's self medical insurance Internal Service Fund.
- *Fiduciary funds (Exhibits J and K)* - The Town is the trustee, or fiduciary, for its employees' pension plans. All of the Town's fiduciary activities are reported in separate statements of fiduciary net assets and changes in fiduciary net position. These activities are excluded from the Town's other financial statements because the Town cannot use these assets to finance its operations. The Town is responsible for ensuring that the assets reported in these funds are used for their intended purposes.

Government-Wide Financial Analysis

The analysis below focuses on the net position (Table 1) and changes in net position (Table 2) of the Town's governmental activities and business-type activities. The Town's net position for governmental activities increased \$1.8 million from \$65.8 million in 2020 to \$67.6 million in 2021.

The net operating income and net investment income decreased the business-type activities by \$113 thousand for the fiscal year ending June 30, 2021. The net position ended at \$5.0 million.

Increase (decrease) in net position	\$ 1,826	3,404

Town Funds Financial Analysis**Governmental Funds**

As the Town completed the year, the governmental funds (as presented in the balance sheet - Exhibit C) reported a combined fund balance of \$13.25 million which is a \$1.72 million increase from the previous year.

Proprietary Funds

The Town reports the Water Pollution Control Authority as a proprietary fund (Exhibit G, H, and I). Under this presentation, the operating income was \$123 thousand, which included depreciation expense of \$168 thousand. Net fund position at year end included \$3.8 million of net capital investment and \$1.2 million unrestricted.

The Internal Service Fund recorded a negative change in net fund position. The Town ended the self insurance medical program as of June 30, 2019, leaving \$2.1 million in fund balance reserved for any outstanding medical benefits incurred prior to June 30, 2019 and subsequent years. \$502 thousand of this reserve was used for the Town's current year medical insurance.

General Fund Budgetary Highlights

Exhibit F shows the summary information of budget to actual revenues, expenditures and changes in undesignated, unreserved fund balance (funds available to be appropriated).

- Property tax increased because of the timeliness of collections.
- Charges for service increased due to the increase in construction activity.
- Investments decreased because of the reduced interest rates.
- All departments expended less than the budgeted amounts with the largest savings in the other (health insurance) and the education department. The reduction in health insurance was due to the portion paid by the self insurance fund.

For budgetary purposes, the operations of the Town increased the assigned fund balance by \$1.7 million. Of this savings, \$1,387,778 was committed for future capital projects, including \$121,751 for capital projects related to education (nonlapsing account).

Capital Assets

At June 30, 2021, the Town had \$84 million invested in a broad range of capital assets, including land, buildings, park facilities, vehicles and equipment, roads, bridges, and water and sewer lines. The Town's total amount represents a net decrease (including additions, deductions and depreciation) of \$1.6 million. The largest portion of new addition is the federal bridges program.

TABLE 3 CAPITAL ASSETS (Net of Depreciation)

		Governmental Activities	
		2021	2020
Land	\$	1,679	1,679
Buildings and improvements		44,165	44,429

Total	\$	<u>4,353</u>	<u>4,496</u>

TABLE 4 OUTSTANDING DEBT (In Thousands)

Long-Term Liabilities

At June 30, 2021 the Town had \$25.0 million in long-term liabilities versus \$30.6 million last year, as shown in Table 4.

	<u>2021</u>	<u>2020</u>
\$	<u>25,015,583</u>	<u>30,649,573</u>

General obligation bonds (backed by the Town) were reduced by \$2,190,000 as payments on debt was larger than new issuances.

Other obligations include accrued vacation pay and sick leave, and net pension and other post retirement benefit obligations. More detailed information about the Town's long-term liabilities is presented in Note 8 to the financial statements. The largest reduction in the long-term liabilities included the net pension obligation, which was a result of more than expected increase in the market value of the pension trust assets.

Included in the business-type activities is \$563 thousand in notes payable, which included the Clean Water Notes due to the State of Connecticut for the construction of the new water pollution control facilities.

Economic Factors and Next Year's Budgets and Rates

The Town's elected and appointed officials considered many factors when setting the fiscal-year 2021 budget tax rates. One of those factors is the economy and the benefits of continual development within the Town as well as the continual reduction in State financial assistance, the imposition of unfunded mandates, and potential risks associated with the COVID-19 pandemic.

These indicators along with a projected modest inflationary increase were taken into account when adopting the General Fund budget for 2021-22.

Contacting the Town's Financial Management

This financial report is designed to provide citizens, taxpayers, customers, investors and creditors with a general overview of the Town's finances and to show the Town's accountability for the money it receives. If you have questions about this report or need additional financial information, contact the Town's Finance Department at 74 West Main Street, P.O. Box 488, Litchfield, Connecticut, 06759.

**RECONCILIATION OF THE STATEMENT OF REVENUES, EXPENDITURES
AND CHANGES IN FUND BALANCES (DEFICITS) OF GOVERNMENTAL FUNDS
TO THE STATEMENT OF ACTIVITIES
For the Year Ended June 30, 2021**

Differences in amounts reported for government-wide activities in the Statement of Activities are due to:

Net change in fund balances - total governmental funds (Exhibit D)	\$ 1,719,621
Governmental funds report capital outlays as expenditures; however, in the statement of activities the cost of those assets is allocated over their estimated useful lives and reported as a depreciation expense. This is the amount by which capital outlays exceeded depreciation in the current period.	(1,568,782)
Revenues previously recognized in the statement of activities that provided current financial resources in the current year.	(2,026,038)
The issuance of long-term debt (e.g., bonds, leases) provide current financial resources to governmental funds, while the repayment of the principal of long-term debt consumes the current financial resources of governmental funds. Neither transaction, however, has any effect on net assets. Also, governmental funds report the effect of issuance costs, premiums, discounts, and similar items when debt is first issued, whereas these amounts are deferred and amortized in the statement of activities. This amount is the net effect of these differences in the treatment of long-term debt and related items.	4,203,988
Transfer of capital assets, debt and long-term assets into the business-type fund from the governmental funds.	-
The net expense of certain activities of internal service funds is reported with governmental activities.	<u>(502,472)</u>
Change in net position of governmental activities (Exhibit B)	<u>\$ 1,826,317</u>

The notes to the financial statements are an integral part of this statement.

TOWN OF LITCHFIELD, CONNECTICUT

NOTES TO THE FINANCIAL STATEMENTS June 30, 2021

Note 1 – Summary of Significant Accounting Policies

Reporting Entity

The Town of Litchfield, Connecticut, (the Town), was incorporated in 1719. It operates under a Selectmen/Town Meeting form of government with a Board of Finance and provides general government, public safety, public works, recreation, health and welfare, education services, and sanitation services.

Measurement Focus, Basis of Accounting and Financial Statement Presentation

The financial statements of the Town have been prepared in conformity with accounting principles generally accepted in the United States of America as applied to government units. The Governmental Accounting Standards Board (GASB) is the accepted standard setting board for governmental accounting financial reporting principles. These principles require that the Town report government-wide and fund financial statements, which are described below.

Government-Wide Financial Statements

The government-wide financial statements (i.e., the statement of net position and the statement of changes in net position) report information on all of the non-fiduciary activities of the primary government. *Government activities*, which are normally supported by taxes and intergovernmental revenues, are reported separately than *business-type activities*, which rely to a significant extent on fees and charges for support.

The statement of activities demonstrates the degree to which the direct expenses of a given function or segment of, are offset by program revenues. Direct expenses are those that are clearly identifiable with a specific function or segment. Program revenues include (1) charges to customers or applicants who purchase, use or directly benefit from goods, services or privileges provided by a given function or segment and (2) grants and contributions that are restricted to meeting the operational or capital requirements of a particular function or segment. Taxes and other items not properly included among program revenues are reported instead as *general revenues*.

The government-wide financial statements are reported using the *economic resources measurement focus* and the *accrual basis of accounting*, as are proprietary fund and fiduciary fund financial statements. Under this method, revenues are recorded when earned and expenses are recorded at the time liabilities are incurred. Property taxes are recognized as revenues in the year for which they are levied. Grants and similar items are recognized as revenues as soon as all eligibility requirements imposed by the provider have been met.

As a general rule, the effect of inter-fund activity, or internal balances, has been eliminated from the government-wide financial statements. Exceptions to this rule are charges between the business-type funds and the various other functions of the Town. Elimination of these charges would distort the direct costs and program revenues reported for the various functions.

TOWN OF LITCHFIELD, CONNECTICUT

NOTES TO THE FINANCIAL STATEMENTS, Continued June 30, 2021

Fund Financial Statements

Separate financial statements are provided for governmental funds, proprietary funds and fiduciary funds even though the latter are excluded from the government-wide financial statements. Major individual governmental funds are reported as separate columns in the fund financial statements.

The governmental fund financial statements are reported using the *current financial resources measurement focus* and the *modified accrual basis of accounting*. Revenues are recognized as soon as they are both measurable and available. Revenues are considered to be available when they are collectible within the current period or soon enough thereafter to pay liabilities of the current period. Expenditures are generally recorded when a liability has occurred, as under accrual accounting. However, expenditures related to long-term liabilities, such as debt service payments and compensated absences, are recorded only when payment is due.

Property taxes are levied on all taxable assessed property on the grand list of October 1 prior to the beginning of the fiscal year. Real estate taxes are payable in two installments (July 1 and January 1). Personal property taxes are payable annually (July 1) and motor vehicle taxes are due in one single payment on July 1. Liens are filed on delinquent real estate taxes within one year. Revenues from property taxes are recognized when they become available. Available means due, or past due, and receivable within the current period or expected to be collected soon enough thereafter to be used to pay liabilities of the current period. For this purpose, the Town considers property tax revenue to be available if they are collected within 60 days of the end of the fiscal year.

Those revenues susceptible to accrual are property taxes, special assessments and interest revenue. Fines, permits, and charges for services are not susceptible to accrual because generally they are not measurable until received in cash.

Intergovernmental revenue grants and similar items are recognized as soon as all eligible requirements imposed by the provider have been met and are collected soon enough to pay liabilities of the current period. For this purpose, grants may be recognized and received after 60 days of the fiscal year end.

The Town reports the following major governmental funds:

The **general fund** is the general operating fund of the Town's government. All unrestricted resources, except those required to be accounted for in another fund, are accounted for in this fund. From this fund are paid general operating expenditures, fixed charges, principal and interest on long-term debt and capital improvement costs of the Town, which were not paid through a special fund.

The **capital projects fund** is used to account for resources used for capital expenditures or for the acquisition or construction of capital facilities, improvements, and equipment. Most of the capital outlays are financed by the issuance of general obligation bonds and capital grants. Other sources include current tax revenues and low interest state loans.

TOWN OF LITCHFIELD, CONNECTICUT

NOTES TO THE FINANCIAL STATEMENTS, Continued June 30, 2021

The Town reports the following major proprietary funds:

The **Water Pollution Control Authority (W.P.C.A.)** accounts for the operations of the Town's wastewater treatment system. The Town operates its own sewage treatment plant, sewage pumping stations and collection system. Its operations are financed from direct charges to the users of the service.

Additionally, the Town reports the following fund types:

The **internal service fund** account for employee heart and hypertension and workers' compensation insurance provided to departments of the Town.

The **private-purpose trust fund** is used to account for assets held by the Town in a trustee capacity or as an agent on behalf of others.

The **agency funds** account for monies held as a custodian for outside groups and agencies such as student activity funds, senior trip funds and performance bonds.

Private-sector standards of accounting and financial reporting issued prior to December 1, 1989, generally are followed in both the government-wide and the enterprise funds reported in the proprietary fund financial statements to the extent that those standards do not conflict with or contradict guidance of the Governmental Accounting Standards Board. Governments also have the option of following subsequent private-sector guidance for their government-wide and propriety fund financial statements subject to this same limitation. The Town has elected not to follow subsequent private-sector guidance.

Proprietary funds distinguish operating revenues and expenses from non-operating items. Operating revenues and expenses generally result from providing services in connection with a proprietary fund's principal ongoing operations.

The principal operating revenues of the proprietary funds are charges to customers for services. Operating expenses for enterprise and internal service funds include the cost of operations and maintenance, provisions for doubtful accounts, and depreciation on capital assets. All revenues and expenses not meeting this definition are reported as non-operating revenues and expenses.

Assets, Liabilities and Net Assets or Equity

Cash and Cash Equivalents

The Town considers cash on hand, deposits and short-term investments, with an original maturity of three months or less from the date of acquisition.

Investments

Investments are stated at the fair value using quoted market prices.

TOWN OF LITCHFIELD, CONNECTICUT

NOTES TO THE FINANCIAL STATEMENTS, Continued June 30, 2021

Inventories

Inventories are stated at the lower of cost or market using the consumption method on the first-in, first-out basis for governmental fund types.

Receivables and Payables

Activities between funds that are representative of lending or borrowing arrangements outstanding at the end of the fiscal year are referred to as either "due to/from other funds" (current portion of interfund loans) or "advances to/from other funds" (noncurrent portion of interfund loans). Any residual balances outstanding between governmental activities and business-type activities are reported in the government-wide financial statements as "internal balances".

Advances between funds, as reported in the fund financial statements, are offset by a fund balance reserve account in applicable funds to indicate that they are not available for appropriation and are not expendable as financial resources.

All trade and property tax receivables, including those for W.P.C.A. funds, are shown net of an allowance for uncollectible accounts. Trade account receivables allowance for uncollectible accounts is estimated based on the inherent risk associated with the accounts.

Capital Assets

Capital assets, which include property, plant and equipment and infrastructure assets (e.g., roads, bridges, sidewalks and similar items) are reported in the applicable governmental or business-type activities columns in government-wide financial statements. Capital assets are defined by the government as assets with an initial individual cost of more than \$20,000 and an estimated useful life in excess of two years.

Such assets are recorded at historical cost or estimated historical cost if purchased or constructed. Donated capital assets are recorded at estimated fair value at the date of donation. The cost of normal maintenance and repairs that do not add to the value of the net assets or materially extend assets lives are not capitalized.

Major outlays for capital assets and improvements are capitalized as projects are constructed. Interest incurred during the construction phase of capital assets of the business-type activities is included as part of the capitalized value of the assets constructed.

Property, plant and equipment of the Town are depreciated using the straight-line method over the following estimated useful lives:

<u>Asset</u>	<u>Years</u>
Buildings and improvements	25-50
Infrastructure	10-65
Machinery and equipment	5-20

Capital assets are reported as expenditures and no depreciation expense is reported in the governmental fund financial statements.

TOWN OF LITCHFIELD, CONNECTICUT

NOTES TO THE FINANCIAL STATEMENTS, Continued **June 30, 2021**

Deferred Outflows/Inflows of Resources

The Statement of Net Position (Exhibit A) reports a separate section for deferred outflows of resources. This separate financial element represents a consumption of net position that applies to a future period or periods and so will not be recognized as an outflow of resources until a future period. The Town reports borrowing costs as well as a deferred charge on refunding as a result from the differences in the carrying value of refunded debt and its reacquisition price. These amounts are deferred and amortized over the shorter of the life of the related debt. A deferred outflow of resources related to pension and other post-employment benefits other than pensions ("OPEB") results from net difference between projected and actual experience and earnings on plan investments. These amounts are deferred and will be included as pension and OPEB expense in a systematic and rational manner.

The Statement of Net Position (Exhibit A) and the Balance Sheet for the government funds (Exhibit C) report a separate section for deferred inflows of resources. This separate financial element represents the addition of net position or fund balance that applies to future periods and will not be recognized as revenue until that time. The Town reports advance tax collections in the statement of net position and the balance sheet for the government funds. The Town reports a deferred inflow of resources related to pensions and OPEB in the statement of net position.

A deferred inflow of resources related to pension and OPEB results from differences between expected and actual experience and earnings. These amounts are deferred and included in pension and benefits expense in a systematic and rational manner. The government funds report unavailable revenue, which arises only under the modified accrual basis of accounting because it does not meet the measurable and available criteria for the recognition in the current period.

Compensated Absences

Under the terms of its various union contracts, Town and Board of Education employees are granted vacation and sick time in varying amounts based on length of service. Certain employees may also carry over a limited number of unused vacation days to subsequent years based on the terms of an employment or union contract. In the event of termination, these employees are reimbursed for accumulated vacation. The Town recognizes a liability in the government-wide financial statements for the vested portion, as well as the unvested portion to the extent expected to be paid, as compensated absences.

Net Pension Liability

The net pension liability is measured as the portion of the actuarial present value of projected benefits that is attributed to past periods of employee service (total pension liability), net of the pension plan's fiduciary net position. The pension plan's fiduciary net position is determined using the same valuation methods that are used by the pension plan for purposes of preparing its statement of fiduciary net position. The net pension liability is measured as of a date (measurement date) no earlier than the end of the employer's prior fiscal year, consistently applied from period to period.

TOWN OF LITCHFIELD, CONNECTICUT

NOTES TO THE FINANCIAL STATEMENTS, Continued June 30, 2021

Net OPEB Liability

The net OPEB liability is measured as the portion of the present value of projected benefit payments to be provided to current active and inactive employees that is attributed to those employees' past periods of service (total OPEB liability), less the amount of the OPEB plan's fiduciary net position. The OPEB plan's fiduciary net position is determined using the same valuation methods that are used by the OPEB plan for purposes of preparing its statement of fiduciary net position. The net OPEB liability is measured as of a date (measurement date) no earlier than the end of the employer's prior fiscal year, consistently applied from period to period.

Long-Term Obligations

In the government-wide financial statements and proprietary fund types in fund financial statements, long-term debt and other long-term obligations are reported as liabilities in the applicable governmental activities, business-type activities or proprietary fund type statement of net assets. Bond premiums and discounts, as well as issuance costs, are deferred and amortized over the life of the bonds using the effective interest method. Bonds payable are reported net of the applicable bond premium or discount. Bond issuance costs are reported as deferred charges and amortized over the terms of the related debt.

In the fund financial statements, governmental fund types recognize bond premiums and discounts, as well as bond issuance costs, during the current period. The face amount of the debt issued is reported as other financial sources. Premiums received on debt issuances are reported as other financing sources while discounts on debt issuances are reported as other financing uses. Issuance costs, whether or not withheld from the actual debt proceeds received, are reported as debt service expenditures.

Fund Equity and Net Position

In the government-wide financial statements, net position is classified in the following categories:

Investment in capital assets, net of related debt - This category groups all capital assets, including infrastructure, into one component of net position. Accumulated depreciation and the outstanding balances of debt that are attributable to the acquisition, construction or improvement of these assets reduce this category.

The ***restricted net position*** represents amounts of external restrictions imposed by creditors, grantors, contributors, and laws or regulations of other governments and restrictions imposed by law through constitutional provisions or enabling legislation.

The ***unrestricted net position*** represents the net position of the Town which are not restricted for any project or other purpose.

TOWN OF LITCHFIELD, CONNECTICUT

NOTES TO THE FINANCIAL STATEMENTS, Continued June 30, 2021

In the fund financial statements, fund balances of governmental funds are classified into five separate categories. The five categories and their general meanings are as follows:

The ***nonspendable*** are those net assets that are not in expendable form or are legally or contractually required to be maintained.

The ***restricted fund balances*** are defined in the same manner as for the restricted government-wide net assets.

Committed fund balances are those balances that can only be used for a specific purpose as a result of constraints imposed by formal action of the government's highest level of decision-making authority. For the *Town of Litchfield*, that was considered to be the Board of Selectmen.

Assigned fund balances are amounts that are contained by the government's intent to be used as a specific purpose.

Unassigned fund balance is defined as the residual classification for the general fund and includes those remaining balances that cannot be categorized in the four categories.

The Town has not established formal policy for its use of restricted and unrestricted (committed, assigned, unassigned) fund balance; however, the Town generally uses restricted fund balance first if the expenditure meets the restricted purpose, followed by committed, assigned and unassigned amounts.

Fair Value of Financial Instruments

In accordance with GASB 72, the Town is required to measure the fair value of its assets and liabilities under a three-level hierarchy, as follows:

Level 1: Quoted market prices for identical assets or liabilities to which an entity has access to at the measurement date.

Level 2: Inputs and information other than quoted market indices included in Level 1 that are observable for the asset or liability, either directly or indirectly. Level 2 inputs include:

- a. Quoted prices for similar assets or liabilities in active markets;
- b. Quoted prices for identical or similar assets in markets that are not active;
- c. Observable inputs other than quoted prices for the asset or liability;
- d. Inputs derived principally from, or corroborated by, observable market data by correlation or by other means.

Level 3: Unobservable inputs for the asset or liability. Unobservable inputs should be used to measure the fair value to the extent that observable inputs are not available.

Observable inputs reflect the assumptions market participants would use in pricing the asset or liability developed from sources independent of the reporting entity; and *unobservable inputs* reflect the reporting entity's own assumptions about the assumptions market participants would use in pricing the asset or liability developed based on the best information available in the circumstances.

Investments are carried at fair value based on quoted market prices.

TOWN OF LITCHFIELD, CONNECTICUT

NOTES TO THE FINANCIAL STATEMENTS, Continued June 30, 2021

Note 2 – Budgets and Budgetary Accounting

General Fund

The Statement of Revenues and Expenditures, and Changes in Fund Balance – Budgetary Basis - Budget to Actual presented in the financial statements for the General Fund is on the budgetary basis of accounting which is a basis of accounting other than the accrual basis and the modified basis of accounting. The budgetary basis of accounting and the Town's general budget policies are as follows:

- A. Prior to July 1 of each year, the budget is legally enacted through passage of a resolution.
- B. The Board of Finance is authorized to transfer budgeted amounts between appropriations and can approve additional estimates and may revise them as they deem advisable, except that in the case of the Department of Education, they have the authority to revise only the total estimated expenditures.
- C. The formal budgetary integration is employed as a management control device during the year.
- D. Legal level of control (the level at which expenditures may not legally exceed appropriations) is at the department level.
- E. Other than the Department of Education, all transfers \$20,000 or greater require approval from the Board of Finance and the approval of the Town Meeting.

Encumbrance accounting is utilized in the governmental funds. Encumbrances (e.g., purchase orders, contracts) outstanding at year end are reported in either restricted, committed or assigned fund balance depending on the level of restriction and are not recognized as expenditures or liabilities because the commitments will be re-appropriated and recognized in the subsequent year.

A reconciliation of General Fund operations and fund balance presented on a budgetary basis to the amounts presented in accordance with accounting principles generally accepted in the United States of America (GAAP) is as follows:

	Revenues	Expenditures	Other Financing Resources (Uses)
Balance, budgetary basis	\$ 32,355,313	30,909,818	286,091
Consolidate canine fund	-	63,760	65,000
Reclassify debt service	-	(301,537)	(301,537)
Surplus appropriations to capital and nonrecurring	-	-	(1,248,990)
Use of nonspendable assets		163,186	-
Relinquishment of encumbrances	(251,263)	-	-
State Teachers' Retirement "on-behalf" payment, not recognized for budgetary purposes	5,768,212	5,768,212	-
Balance, GAAP basis	\$ 37,872,262	36,603,439	(1,199,436)

TOWN OF LITCHFIELD, CONNECTICUT

NOTES TO THE FINANCIAL STATEMENTS, Continued June 30, 2021

Special Revenue Funds

The Town does not have legally adopted annual budgets for the Special Revenue Funds. Budgets for the various special revenue funds, which are utilized to account for specific grant programs, are established in accordance with the requirements of the grantor agencies. Such budgets carry over until completion of the grants and, therefore, may comprise more than one fiscal year.

Capital Projects Funds

Legal authorization for expenditures of the Capital Projects Funds is provided by the related bond ordinances and/or intergovernmental grant agreements or Connecticut State Statutes. Capital appropriations do not lapse until the purpose for which the appropriation was made has been accomplished or abandoned.

Note 3 – Reconciliation of Government-Wide and Fund Financial Statements

Explanation of Certain Differences Between the Government Fund Balance Sheet and the Government-Wide Statement of Net Position

The details of the components included in Exhibit C are as follows:

Capitalized assets are expensed in the fund financial statements in the period the expense is incurred while the expense is incurred over the useful life of the related asset in the government-wide financial statements:

Land	\$	1,679,473
Construction in progress		1,975,277
Net capital assets being depreciated		<u>76,224,348</u>
Net adjustment to increase fund balance to arrive at net position of government activities	\$	<u>79,879,098</u>

Long-term liabilities, including bonds payable, are not due and payable in the current period and, therefore, are not reported in the funds. The detail of this difference is as follows:

Net long-term debt	\$	(22,110,000)
Premium on bond issuances		(2,043,896)
Deferred portion on refunding		260,692
Compensated absences		(268,182)
Net pension liability and deferred inflows and outflows		(24,416)
Net OPEB liability and deferred inflows and outflows		(1,139,882)
Claims and judgments		(5,625)
Accrued interest on debt		<u>(255,288)</u>
Net adjustment to reduce fund balance to arrive at net position of government activities	\$	<u>(25,586,597)</u>

TOWN OF LITCHFIELD, CONNECTICUT

NOTES TO THE FINANCIAL STATEMENTS, Continued June 30, 2021

Other long-term assets are not available to pay for current period expenditures, and, therefore, are deferred in the funds. This amount includes the following:

Delinquent property tax and interest	\$	(499,715)
Deferred outflows/inflows included in pension		(384,295)
Notes receivable – assessments		<u>2,472,516</u>
Net adjustment to increase fund balance to arrive at net position of government activities	\$	<u>(1,588,506)</u>

Explanation of Certain Differences Between the Governmental Fund Statement of Revenues, Expenditures and Changes in Fund Balance and the Government-Wide Statement of Activities

The governmental fund statement of revenues, expenditures and changes in fund balances includes reconciliation between net changes in fund balances - total governmental funds and changes in net position of governmental activities as reported in the government-wide statement of activities. One element of that reconciliation explains that "governmental funds report capital outlays as expenditures. However, in the statement of activities the cost of those assets is allocated over their estimated useful lives and reported as depreciation expense." The details of this difference are as follows:

Acquisitions	\$	404,105
Depreciation		<u>(1,972,887)</u>
Net adjustment to increase net changes in fund balances to arrive at changes in net position of governmental activities	\$	<u>(1,568,782)</u>

Another element of that reconciliation states that "the issuance of long-term debt (e.g., bonds, leases) provides current financial resources to governmental funds, while the repayment of the principal of long-term debt consumes the current financial resources of governmental funds. Neither transaction, however, has any effect on net position. Also, governmental funds report the effect of issuance costs, premiums, discounts and similar items when debt is first issued, whereas, these amounts are deferred and amortized in the statement of activities." The details of this difference are as follows:

Payments of debt	\$	3,190,000
New issuances		(2,000,000)
Deferred portion on refunding		(37,241)
Premium new issuances		(132,115)
Amortization of issuance premiums		181,167
Net change in compensated absences		(11,492)
Net change in claims and judgment estimates		2,875
Net change in OPEB liability and net deferred inflows/outflows		(636,308)
Net change in pension liability and net deferred inflows/outflows		3,636,738
Accrued interest		<u>10,364</u>
Net adjustment to reduce net changes in fund balances to arrive at changes in net position of governmental activities	\$	<u>4,203,988</u>

TOWN OF LITCHFIELD, CONNECTICUT

NOTES TO THE FINANCIAL STATEMENTS, Continued June 30, 2021

Note 4 – Deposits and Investments

The Town's deposits and investments are presented in the accompanying balance sheets as follows:

	Deposits	Investments	Total
Cash and cash equivalents:			
Governmental activities	\$ 14,998,175	3,742,778	18,740,953
Business-type activities	50	-	50
Fiduciary funds	781,930	-	781,930
Investments:			
Fiduciary funds	-	25,546,196	25,546,196
Total deposits and investments	\$ 15,780,155	29,288,974	45,069,129

Deposits

The deposit of public funds is controlled by the Connecticut General Statutes (Section 7-402). Deposits may be made in a "qualified public depository" as defined by Statute or, in amounts not exceeding the Federal Deposit Insurance Corporation insurance limit, in an "out of state bank" as defined by the Statutes, which is not a "qualified public depository."

The carrying amounts of the Town's deposits consist of the following:

Bank deposit accounts	\$ 9,296,817
Certificate of deposits	6,482,912
Cash on hand	426
Total deposits	\$ 15,780,155

Custodial Credit Risk

As of June 30, 2021, the carrying amount of the Town's deposits had bank deposit balances of approximately \$15,238,475. The amount of the bank balance covered under federal depository insurance was approximately \$7,250,000. The remaining deposits were uninsured, however, provisions of the Connecticut General Statutes provide for protection against loss in excess of deposit insurance by requiring all qualified public depositories to maintain segregated collateral for public deposits. As of June 30, 2021, approximately \$1.5 million of uninsured deposits were collateralized under the provision.

Investments

The deposit of public funds is controlled by the Connecticut General Statutes (Section 7-402). Deposits may be made in a "qualified public depository" as defined by Statute or, in amounts not exceeding the Federal Deposit Insurance Corporation insurance limit, in an "out of state bank" as defined by the Statutes, which is not a "qualified public depository."

TOWN OF LITCHFIELD, CONNECTICUT

NOTES TO THE FINANCIAL STATEMENTS, Continued June 30, 2021

As of June 30, 2021, the Town held the following investments:

Investment Type	Fund	Fair Value (Level 1 hierarchy)	Weighted Average to Maturity (years)	Risk
	Government			
State Investment Fund	Funds	\$ 3,742,778	.2	na
Mutual Funds	Trust Funds	25,546,196	.2	na
Total Investments		\$ 29,288,974		

Interest Rate Risk

Interest rate risk is the risk that changes in the market interest rates which will adversely affect the fair value of an investment. The Town has, for the Pension Trust Funds, an investment policy that limits investment maturities as a means of managing its exposure to fair value losses arising from increasing interest rates.

Credit Risk

Generally, credit risk is the risk that an issuer of an investment will not fulfill its obligation to the holder of the investment. This is measured by the assignment of a rating by a nationally recognized statistical rating organization. It is the Town's policy to invest only in securities that meet the ratings requirements set by General State Statute, Chapter 112, Section 7-400.

Investment Policies

The Pension Commissions Investment Policy requires its fixed income portion to be high quality bonds managed consistent with Union Savings Bank's forecast of interest rates, inflation and valuation levels. The benchmark is the Lehman Brothers Aggregate Index for high quality and the J.P. Morgan Developed B/B Index for high yield.

The Pension Commission's benchmark for large capitalization companies is the S&P 500 Index, and for small capitalization companies uses the Russell 2000. The benchmark for international equities is the Morgan Stanley EAFE Index. The Policy uses these asset allocation targets; Equities 50%-70%; Fixed Income 30%-50%; Cash 0%-20%.

Other than the private purpose trust funds, State Statutes limit the investment options of cities and towns. The Investment Policy (described in the preceding paragraph) further limits its investment choices. The Town's interest-bearing investments are not subject to rating.

TOWN OF LITCHFIELD, CONNECTICUT

NOTES TO THE FINANCIAL STATEMENTS, Continued June 30, 2021

Note 5 – Receivables, Deferred Revenue and Payables

Receivables

The receivables as of June 30, 2021 for the Town's individual major funds and non-major, internal service and fiduciary funds in the aggregate, including the applicable allowance for uncollectible accounts are as follows:

	Governmental Funds			
	General Fund	Capital Projects	Non-major Funds	Total
Property taxes	\$ 569,610	-	-	569,610
Interest on taxes	63,214	-	-	63,214

Accounts	66,970	-	384,295	451,265
Allowance	(15,000)	-	-	(15,000)
Total net receivables	\$ 685,755	97,670	402,990	1,186,415

The receivables as of June 30, 2021 for the Town's business-type activities are as follows:

	W.P.C.A.
Accounts	\$ 263,565
Total net receivables	\$ 263,565

Note Receivable – Business-Type Activity

Pursuant to a 1984 agreement between the Towns of Litchfield and Morris, the Town of Litchfield receives and treats sanitary sewage from the Town of Morris at the Litchfield Sewage Treatment Plant. The agreement required the Town of Morris to finance Sewage Treatment Plant capital costs that benefit the Town of Morris. In a prior year, the Town of Litchfield Water Pollution Control Authority assessed the Town of Morris Sewer Authority for costs incurred to upgrade the Sewage Treatment Plant. Details of the assessment required the Town of Morris Sewer Authority to finance project costs incurred to date of \$214,583, future general obligation debt principal, and interest at 2%. Terms of the assessment include annual payments of \$22,074, including principal and interest. A final payment of \$1,825 was to be due in October 2023, however, the Town of Morris has paid the total note balance during the June 30, 2021 year.

	Beginning Balance	Additions	Reductions	Ending Balance	Due Within One Year
Note receivable – Town of Morris	\$ 65,941	-	65,941	-	-

TOWN OF LITCHFIELD, CONNECTICUT

NOTES TO THE FINANCIAL STATEMENTS, Continued June 30, 2021

Deferred Payments and Unavailable Receipts

Governmental funds report deferred revenue in connection with receivables for revenue that are not considered to be available to liquidate liabilities in the current period. Governmental funds also defer revenue recognition in connection with resources that have been received but not yet earned. At the end of the fiscal year the components of deferred revenue and unearned revenues reported in the governmental funds were as follows:

	<u>Unavailable</u>	<u>Unearned</u>	<u>Total</u>
General Fund:			
Delinquent property taxes	\$ 499,715	-	499,715
Advanced tax collections	-	58,345	58,345
Grants received in advance	-	283,832	283,832
Other Governmental Funds:			
Grants received in advance	-	933,164	933,164
Assessments and notes	384,295	-	384,295
Total deferred portion	\$ 884,010	1,275,341	2,159,351

Payables

Payables as of June 30, 2021 for the Town's individual major funds and non-major funds were as follows:

	<u>Vendors</u>	<u>Payroll</u>	<u>Total</u>
General Fund	\$ 1,212,078	185,439	1,397,517
Capital projects	161,542	-	161,542

TOWN OF LITCHFIELD, CONNECTICUT

NOTES TO THE FINANCIAL STATEMENTS, Continued June 30, 2021

General Obligation Bonds

The Town issues general obligation bonds to provide funds for the acquisition and construction of major capital facilities. General obligation bonds have been issued for both governmental and business-type activities and are direct obligations and pledge the good faith and credit of the government. Certain general obligation bonds are to be repaid by revenues of the enterprise funds. As of June 30, 2021 the outstanding general obligation bonded indebtedness of the Town was as follows:

	<u>General</u>	<u>Refunding</u>
\$2,130,000 GOB 2013 , issue of 2013, due 2023, interest at 1.5% to 2.0%, annual principal payments of \$225,000	\$ 450,000	-
\$4,555,000 GOB 2012, refunding issue of 8/1/2012, due 8/1/2024, interest at 3.0% to 4.0%, annual principal payments of \$5,000 to \$640,000	-	1,920,000
\$2,900,000 GOB 2012 , issue of 2012, due 8/1/2027, interest at 2.0% to 3.0%, annual principal payments of approximately \$200,000	1,150,000	-
\$1,270,000 GOB 2015 , issue of 2015, due 8/24/2023, interest at 2.0% to 4.0%, annual principal payments of \$145,000 to \$200,000	400,000	-
\$6,438,000 GOB 2016 , issue of 2016, due 8/24/2032, interest at 2.0% to 4.0%, annual principal payments of \$425,000 to \$430,000	4,730,000	-
\$2,535,000 GOB 2017 , issue of 2017, due 8/16/2033, interest at 2.0% to 3.0%, annual principal payments of \$165,000 to \$170,000	2,025,000	-
\$1,691,000 GOB 2018 , issue of 2018, due 8/1/2033, interest at 2.1% to 4.0%, annual principal payments of \$110,000 to \$115,000	1,465,000	-
\$9,400,000 GOB 2019 , issue of 2018, due 8/1/2034, interest at 3.0% to 5.0%, annual principal payments of \$240,000 to \$1,430,000	3,405,000	4,565,000
\$2,000,000 GOB 2021 , issue of 2021, due 8/1/2036, interest at 2.0% to 4.0%, annual principal payments of \$100,000 to \$140,000	2,000,000	-
Total general obligation bonds	\$ <u>15,625,000</u>	<u>6,485,000</u>

Annual debt service requirements for government funds to maturity for general obligation bonds are as follows:

Year Ended, June 30	<u>Governmental Activity</u>	
	<u>Principal</u>	<u>Interest</u>
2022	\$ 3,260,000	671,942
2023	3,255,000	548,424

Total	\$ <u>22,110,000</u>	<u>3,190,806</u>

TOWN OF LITCHFIELD, CONNECTICUT

NOTES TO THE FINANCIAL STATEMENTS, Continued June 30, 2021

Bonds Authorized But Unissued

Under regulations issued by the Internal Revenue Service, effective March 2, 1992, in order for capital projects to be funded through tax-exempt debt, all projects must be appropriated and designated as being funded through debt prior to any expenditure on these projects.

The Town has authorized but unissued bonds relating to capital projects at June 30, 2021, as follows:

	Authorized	Authorized and Unissued
2012-13 Capital Improvements	\$ 5,100,000	\$ 661,535
2020-21 Capital Improvements	2,125,055	100,055
2021-22 Capital Improvements	4,500,218	2,154,419
Total		\$ 2,916,009*

*As described in Note 13, \$2,020,000 of this balance was issued with a premium received of \$134,419 subsequent to June 30, 2021, leaving a total issued and unauthorized balance of \$761,590 subsequent to the September 14, 2021 bond issuance.

A portion of bonds authorized and unissued will be reduced by grants and loans received.

Clean Water Fund Loans Payable

The Town has an outstanding balance on loans payable to the State of Connecticut's Department of Environmental Protection, under its Clean Water Fund Program, for sanitary sewer projects. The individual loans were as follows:

Note	Date of Issue	Original Amount	Balance
CWF PLO 499-C	7/31/2004	\$ 4,595,198	\$ 563,464
Total Clean Water Fund Loans			\$ 563,464

These loans bear interest at 2% per annum and the annual debt service requirements to maturity are as follows:

Year Ended June 30,	Business-Type Activity	
	Principal	Interest
2022	\$ 267,536	8,826
2023	272,936	3,426
2024	22,992	38
Total	\$ 563,464	12,290

TOWN OF LITCHFIELD, CONNECTICUT

NOTES TO THE FINANCIAL STATEMENTS, Continued **June 30, 2021**

Claims and Judgments

In connection with the settlement of claims brought against the Town by a neighborhood alleging that the Town's landfill contaminated their drinking water, the Town agreed to pay to connect the residents to the Town water supply and pay their water bills for 20 years. The properties were connected during 2001, and at June 30, 2021, \$5,625 has been accrued as an estimate of the cost to provide water for the remaining 2 years of the agreement.

Note 9 – Commitments and Contingencies

Lawsuits

There were several personal injuries, negligence and personnel related lawsuits pending against the Town. The outcome and eventual liability of the Town, if any in these cases, is not known at this time. Based upon consultation with counsel, the Town's management estimates that potential claims against the Town not covered by insurance resulting from such litigation would not materially affect the financial position of the Town.

The Town received federal and state grants for specific purposes and is subject to review and audit by the grantor agency for compliance and disallowed expenses under the grant. Management believes that such disallowances, if any, will not be material to the financial position of the Town.

The spread of the COVID-19 virus has caused business disruption throughout the United States and in the State of Connecticut specifically through the State of Connecticut Executive Orders. While disruption is expected to be temporary, there is a considerable uncertainty concerning the duration and financial impact of this disruption. Although the Town does not expect this matter to negatively impact its financial condition, results of operation, or cash flow, the extent of the financial impact and duration cannot be reasonably estimated.

Risk Management and Self-Insurance

The Town is exposed to various risks of loss including torts, theft of, damage to, and destruction of assets; error and omissions; injuries to employees; employee health; and natural disasters. The Town generally obtains commercial insurance for these risks, but has chosen to retain the risks for employee health and medical claims. For all types of commercial coverage, settled claims have not exceeded coverage in any of the past three years.

Under Public Act 9-342, health insurance for retired teachers, subsidy equal to the equivalents flat dollar premium amount of Blue Cross 65/Blue Shield 65 is paid by the State directly to the local school districts. Where it is applied to reduce premium payments of the retired members' 1% supplemental contributions, since July 1, 1989, have been directed to a dedicated health insurance fund. There is no cost to the Town.

TOWN OF LITCHFIELD, CONNECTICUT

NOTES TO THE FINANCIAL STATEMENTS, Continued June 30, 2021

Note 10 – Employee Retirement Plans

Plan Description and Benefits Provided

Town Retirement Plan

The Town has a defined benefit retirement plan (the Town Plan) covering substantially all employees of the Town and Board of Education except certified staff of the Board of Education covered by the State Teachers' Retirement Board Plan. The Town is the administrator of this single-employer public employee retirement system (PERS) established and administered to provide pension benefits for its employees. The Town Plan provides retirement, disability, and death benefits to plan members and beneficiaries.

Employees are eligible to participate in the Town Plan when they complete 1 year of eligible service, have completed 1,000 hours during the first 12 months of employment and have attained the age of 18. For employees who do not complete 1,000 hours of service during the first 12 months of employment, eligibility begins on the first day of the year during which 1,000 hours were completed. Employees are 100% vested after 5 years of credited service.

Management of the plans rests with the PERS Board, which consists of five voting members and two alternate members. Members of the Board are appointed by the Board of Selectmen. The First Selectman serves as an ex-officio member.

All employees hired after July 1, 2012 will only be eligible to participate in the defined contribution plan for which the Town will contribute a sum equal to 3% of the employee's bi-weekly wages to a 401A account commencing the first payroll after the employee's one year anniversary.

Merit Service Plan

This single-employer defined benefit retirement plan (the Merit Service Plan) covers all volunteer firemen who belong to the volunteer fire departments and, as of July 1, 1992, the members of the volunteer ambulance corps. Volunteer firemen and ambulance corps members are eligible to participate in the Merit Service Plan on July 1 following the date on which one year of eligible service has been completed and age 18 has been attained. Employees are 100% vested after 5 years of credited service.

The Town's pension plans do not use issue stand-alone financial statements.

Membership in the plans consisted of the following at July 1, 2020 the date of the last actuarial valuation:

	Town Plan	Merit Service Plan
Retirees and beneficiaries currently receiving benefits	79	74
Terminated plan members entitled to, but not yet receiving benefits	38	55
Active plan members	47	155
Total	164	284

TOWN OF LITCHFIELD, CONNECTICUT

NOTES TO THE FINANCIAL STATEMENTS, Continued **June 30, 2021**

Summary of Significant Accounting Policies

Basis of Accounting

Financial statements are prepared using the accrual basis of accounting for the two defined benefit pension plans. Plan member contributions are recognized in the period in which the contributions are due. Employer contributions are recognized when due and a formal commitment to provide the contributions has been made. Benefits and refunds are recognized when due and payable in accordance with the terms of the plans.

Method Used to Value Investments

Investments are reported at fair value. Securities traded on a national exchange are valued at the last reported sales price. Investment income is recognized as earned.

Funding Policy

For the Town Plan, effective July 1, 2015 all active employees will be required to contribute 1% of their salary to the defined benefit plan. Effective July 1, 2016 active employees in the Highway and Sewer Departments contribute 2% of pay. The Town is required to contribute amounts necessary to fund the Plan. State of Connecticut Statutes assign the authority to establish and amend the contribution provisions of the Plan to the Town of Litchfield.

Investments

Investment Policy

The pension plan's policy in regard to allocation of invested assets is established and may be amended by the PERS Board by a majority vote of its members. It is the policy of the PERS Board to pursue an investment strategy that reduces risk through the prudent diversification of the portfolio across a broad selection of distinct asset classes. The pension plan's investment policy discourages the use of cash equivalents, except for liquidity purposes, and aims to refrain from dramatically shifting asset class allocation over short time spans.

Rate of Return

For the year ended June 30, 2021, the annual money-weighted rate of return on the pension plan investments, net of pension plan investment expense, was 24.80% for the Town Plan and 24.81% for the Merit Plan. The money-weighted rate of return expresses investment performance, net of investment expense, adjusted for the changing amounts actually invested.

Net Pension Liability of the Town

The Town's net pension liability was measured as of June 30, 2021, and the total pension liability used to calculate the net pension liability was determined by an actuarial valuation as of July 1, 2020.

TOWN OF LITCHFIELD, CONNECTICUT

NOTES TO THE FINANCIAL STATEMENTS, Continued June 30, 2021

The components of the net pension liability of the Town at June 30, 2021 were as follows:

	Town Plan	Merit Service Plan	Total
Total pension liability	\$ 19,360,202	4,912,035	24,272,237
Plan fiduciary net position	19,119,297	5,038,525	24,157,822
Net pension liability	\$ 240,905	(126,490)	114,415
Plan fiduciary net position as a percentage of the total pension liability	98.76%	102.58%	.47%

Actuarial Assumptions

The total pension liability was determined by an actuarial valuation as of July 1, 2020, using the following actuarial assumption, applied to all periods included in the measurement:

Inflation	2.50%
Salary increase	3.50%, average, including inflation (n/a for Merit Plan)
Investment rate of return	6.75%, net of investment and administrative expense

Mortality rates were based on the RP-2014 adjusted to 2006 Total Dataset Mortality Table projected to valuation date with Scale MP-2018.

The actuarial assumptions used in the July 1, 2020 valuation were based on standard tables modified for certain plan features such as eligibility for full and early retirement where applicable and input from the plan sponsor. A full experience study has not been completed.

Long-Term Rate of Return

The long-term expected rate of return on pension plan investments was determined using a building-block method in which best-estimate ranges of expected future real rates of return (expected returns, net of pension plan investment expense and inflation) are developed for each major asset class. These ranges are combined to produce the long-term expected rate of return by weighting the expected future real rates of return by the target asset allocation percentage and by adding expected inflation. The target asset allocation and most recent best estimates of geometric real rates of return for each major asset class included in both pension plan's actuarial valuation as of July 1, 2020 are summarized in the following table:

Asset Class	Target Allocation	Long-Term Expected Real Rate of Return
U.S. equities	49.00%	5.10%
International developed economies	6.00%	6.10%
International emerging economies	5.00%	6.40%
High quality bond	33.00%	1.40%
High yield bond	5.00%	4.80%
Cash equivalents	2.00%	1.00%
	100.00%	

TOWN OF LITCHFIELD, CONNECTICUT

NOTES TO THE FINANCIAL STATEMENTS, Continued June 30, 2021

Discount Rate

The discount rate used to measure the total pension liability was 6.75% for both plans. The projection of cash flows used to determine the discount rate assumed that plan member contributions will be made at the current contribution rate and that Town contributions will be made at rates equal to the difference between actuarially determined contribution rates and the member rates. Based on those assumptions, the pension plan's fiduciary net position was projected to be available to make all projected future benefit payments of current plan members. Therefore, the long-term expected rate of return on pension plan investments was applied to all periods of projected benefit payments to determine the total pension liability.

Changes in the Net Pension Liability

Town Plan

	Increase (Decrease)		
	Total Pension Liability (a)	Plan Fiduciary Net Position (b)	Net Pension Liability (a)-(b)

Teachers' Retirement

All Town of Litchfield Board of Education certified employees participate in the State of Connecticut Teachers' Retirement System ("TRS" or the "Plan") under Section 10.183 of the General Statutes of the State of Connecticut.

TOWN OF LITCHFIELD, CONNECTICUT

NOTES TO THE FINANCIAL STATEMENTS, Continued June 30, 2021

Plan Description

Teachers, principals, superintendents or supervisors engaged in service of public schools are provided with pensions through the Connecticut State Teachers' Retirement System – a cost sharing, multiemployer, defined benefit pension plan administered by the Teachers' Retirement Board. Title 10, Chapter 167a of the State Statutes grants authority to establish and amend the benefit terms to the State Teachers' Retirement Board ("TRB"). The State Treasurer is responsible for investing Teachers' Retirement System funds for the exclusive benefit of the TRS members.

The Teachers' Retirement System is considered to be a part of the State of Connecticut financial reporting entity and is included in the State's financial reports as a pension trust fund. Those reports may be obtained by writing to the State of Connecticut, Office of the State Comptroller, 55 Elm Street, Hartford, Connecticut 06106, by calling 860-702-3480, or by visiting the State's website www.ct.gov.

Benefit Provisions

The plan provides retirement, disability and death benefits. Employees are eligible to retire at age 60 with 20 years of credited service in Connecticut, or 35 years of credited service including at least 25 years of service in Connecticut.

Normal Retirement: Retirement benefits for the employees are calculated as 2% of the average annual salary times years of credited service (maximum benefit is 75% of average annual salary during the 3 years of highest salary).

In addition, amounts derived from the accumulation of the 6% contributions made prior to July 1, 1989 and voluntary contributions are payable.

Early Retirement: Employees are eligible after 25 years of credited service with a minimum of 20 years of Connecticut service, or age 55 with 20 years of credited service with a minimum of 15 years of Connecticut service. Benefits are reduced for those retiring before normal retirement age.

Minimum Benefit: Effective January 1, 1999, Public Act 98-251 provides a minimum monthly benefit of \$1,200 to teachers who retire under the normal retirement provisions and who have completed at least 25 years of full time Connecticut service at retirement.

Disability Retirement: Employees are eligible for service-related disability benefits regardless of length of service. Five years of credited service is required for nonservice-related disability eligibility. Disability benefits are calculated as 2% per year of service times the average of the highest three years of pensionable salary, as defined per the Plan, but not less than 15%, nor more than 50%. In addition, disability benefits under this plan (without regard to cost-of-living adjustments) plus any initial award of Social Security benefits and workers' compensation cannot exceed 75% of average annual salary.

TOWN OF LITCHFIELD, CONNECTICUT

NOTES TO THE FINANCIAL STATEMENTS, Continued June 30, 2021

A plan member who leaves service and has attained 10 years of service will be entitled to 100% of the accrued benefit as of the date of termination of covered employment. Benefits are payable at age 60, and early retirement deductions are based on the number of years of service the member would have had if they had continued work until age 60.

Pre-Retirement Death Benefit: The plan also offers a lump-sum return of contributions with interest or surviving spouse benefit depending on length of service.

Contributions

State of Connecticut

Per Connecticut General Statutes Section 10-183z, (which reflects Public Act 79-436 as amended), contribution requirements of active employees and the State of Connecticut is amended and certified by the State Teachers' Retirement Board and appropriated by the General Assembly. The contributions are actuarially determined as an amount that, when combined with employee contributions and investment earnings, is expected to finance the costs of the benefits earned by employees during the year, with any additional amounts to finance any unfunded accrued liability.

Employer (School Districts)

School district employers are not required to make contributions to the Plan.

Employees

Effective July 1, 1992, participants are required to contribute 6.00% of their pensionable salary to the pension System as required by CGS Section 10-183b (7). Effective January 1, 2018, the required contribution increased to 7.00% of pensionable salary. For the year ended June 30, 2020, \$609,750 mandatory contributions were deducted from the salaries of teachers who were participants in the System. The estimated covered payroll for the Town was \$8,711,000.

Administrative Expenses

Administrative expenses of the Plan are to be paid by the General Assembly per Section 10-183r of the Connecticut General Statutes.

Pension Liabilities, Pension Expense, and Deferred Outflows of Resources and Deferred Inflows of Resources Related to Pensions

The State has a statutory requirement to pay 100% of the required plan contribution, therefore, as of June 30, 2020 the Town reports no amounts for its proportionate share of the net pension liability, and related deferred outflows and inflows. The amount recognized by the Town as its proportionate share of the net pension liability, the related state support, and the total portion of the net pension liability associated with the Town were as follows:

Town's proportionate share of the net pension liability	\$	-
State's proportionate share of the net pension liability associated with the Town		<u>27,718,392</u>
Total net pension liability	\$	<u>27,718,392</u>

TOWN OF LITCHFIELD, CONNECTICUT

NOTES TO THE FINANCIAL STATEMENTS, Continued June 30, 2021

The net pension liability was measured as of June 30, 2020, and the total pension liability used to calculate the net pension liability was determined by an actuarial valuation as of June 30, 2020. The assumptions used in the June 30, 2020 valuation were based on the results of an actuarial experience study for the period July 1, 2015 - June 30, 2019.

For the year ended June 30, 2021 the Town has recognized, in the General Fund, intergovernmental revenue and education expenditures in the amount of \$5,503,512 as payments made by the State of Connecticut on behalf of the Town for teachers' pension.

Actuarial Assumptions

The total pension liability was determined by an actuarial valuation as of June 30, 2020, using the following actuarial assumptions, applied to all periods included in the measurement:

Inflation	2.75%
Salary increase	3.25-6.50%, including inflation
Investment rate of return	8.00%, net of pension plan investment expense, including inflation
Administrative expenses	\$0 assumption as expenses are paid for by the State of CT General Assembly

Mortality rates were based on the RPH-2014 White Collar Table with employee and annuitant rates blended from ages 50 to 80, projected to the year 2020 using the BB improvement scale, and further adjusted to grade in increases (5% for females and 8% for males) to rates over age 80 for the period after service retirement and for dependent beneficiaries as well as for active members. The RPH-2014 Disabled Mortality Table projected to 2017 with Scale BB is used for the period after disability retirement.

Future Cost-of-Living increases for teachers who retired prior to September 1, 1992, are made in accordance with increases in the Consumer Price Index, with a minimum of 3% and a maximum of 5% per annum. For teachers who were members of the Teachers' Retirement System before July 1, 2007, and retire on or after September 1, 1992, pension benefit adjustments are made that are consistent with those provided for Social Security benefits on January 1 of the year granted, with a maximum of 6% per annum. If the return on assets in the previous year was less than 8.5%, the maximum increase is 1.5%. For teachers who were members of the Teachers' Retirement System after July 1, 2007, pension benefit adjustments are made that are consistent with those provided for Social Security benefits on January 1 of the year granted, with a maximum of 5% per annum. If the return on assets in the previous year was less than 11.5%, the maximum increase is 3%, and if the return on the assets in the previous year was less than 8.5%, the maximum increase is 1.0%.

TOWN OF LITCHFIELD, CONNECTICUT

NOTES TO THE FINANCIAL STATEMENTS, Continued June 30, 2021

Long-Term Rate of Return

The long-term expected rate of return on pension plan investments was determined using a log-normal distribution analysis in which best-estimate ranges of expected future real rates of return (expected returns, net of pension plan investment expense and inflation) are developed for each major asset class. These ranges are combined to produce the long-term expected rate of return by weighting the expected future real rates of return by the target asset allocation percentage and by adding expected inflation. The target asset allocation and best estimates of arithmetic real rates of return for each major asset class are summarized in the following table:

<u>Asset Class</u>	<u>Target Allocation</u>	<u>Long-Term Expected Real Rate of Return</u>
Large cap U.S. equities	21.0%	5.8%
Developed non U.S. equities	18.0%	6.6%
Emerging markets – non U.S.	9.0%	8.3%
Core fixed income	7.0%	1.3%
Inflation linked bonds	3.0%	1.0%
Emerging market bond	5.0%	3.7%
High yield bonds	5.0%	3.9%
Real estate	7.0%	5.1%
Private equity	11.0%	7.6%
Alternative investment	8.0%	4.1%
Cash	6.0%	0.4%
Total	<u>100.0%</u>	

Discount Rate

The discount rate used to measure the total pension liability was 8.0%. The projection of cash flows used to determine the discount rate assumed that plan member contributions will be made at the current contribution rate and that State contributions will be made at rates equal to the difference between actuarially determined contribution rates and the member rate. Based on those assumptions, the pension plan's fiduciary net position was projected to be available to make all projected future benefit payments of current plan members. Therefore, the long-term expected rate of return on pension plan investments was applied to all periods of projected benefit payments to determine the total pension liability.

Sensitivity of the Net Pension Liability to Changes in the Discount Rate

The Town's proportionate share of the net pension liability is \$0. Any change in the discount rate would only have an effect on the amount recorded by the State of Connecticut.

TOWN OF LITCHFIELD, CONNECTICUT

NOTES TO THE FINANCIAL STATEMENTS, Continued June 30, 2021

Defined Contribution Retirement Plan

On July 1, 2012 the Town established a defined contribution retirement plan that covers employees of the Town and Board of Education hired on or after July 1, 2012. This plan was adopted and can be amended by the Board of Selectmen. Under this plan, the Town contributes an amount equal to 3% each year of an eligible employee's wages into a 401(a) on the employee's behalf. In addition, eligible employees may make an additional contribution up to the amount allowed by law. There are currently 29 participants in the plan as of June 30, 2021, and contributions of \$25,771 have been made in the fiscal year ended June 30, 2021.

Note 11 – Other Post-Employment Benefits Plans

Board of Education OPEB Plan

Plan Description

The Retiree Health Plan (RHP) is a single-employer defined benefit healthcare plan administered by the Board of Education (BOE). The RHP provides medical and dental insurance benefits to eligible retirees and their spouses. All employees of the BOE are eligible to participate in the plan.

A trust was officially established on March 29, 2011 between the Town of Litchfield and the Litchfield Board of Education and the Town's Pension Commission. The monies in the OPEB special revenue fund were transferred to the OPEB trust fund at that date. As in prior years, all expenses for post-employment benefits were paid out of the General Fund during the fiscal year ended June 30, 2021. The plan does not issue a stand-alone financial report.

At July 1, 2020, plan participation consisted of the following (not rounded):

Retirees and beneficiaries currently receiving benefits	7
Terminated plan members entitled to, but not yet receiving benefits	-
Active plan members	102
Total participants	<u>109</u>

Funding Policy

The BOE's contributions are actuarially determined on an annual basis using the entry age normal actuarial cost method, level dollar. The BOE's policy is to contribute the actuarially determined contribution with the end of year remaining budget balance, if available.

Benefits

The BOE provides certain retirees with health care and lump-sum benefits, in accordance with Teacher and Administrators union contracts.

TOWN OF LITCHFIELD, CONNECTICUT

NOTES TO THE FINANCIAL STATEMENTS, Continued **June 30, 2021**

Litchfield Education Association OPEB Contract Provisions

Upon retirement under the Connecticut State Teachers' Retirement System, teachers will be provided at BOE expense for the following benefits:

1. For those who retire in either fiscal year 2008 or 2009:
 - a. \$5,000 on date of retirement and the BOE shall pay the cost of single health and dental insurance coverage under one of the plans (excluding the high deductible/health savings account option) offered by the BOE to actively employed teachers, less the contribution from the State of Connecticut Teachers' Retirement Board, for a period of 5 years immediately following retirement; or,
 - b. Teachers who do not elect the option set forth in (a) above shall receive ten thousand dollars at the time of retirement and no other compensation or benefits.
2. For those who retire in fiscal year 2010 or before 2014:
 - a. \$5,000 at the time of retirement; or,
 - b. The BOE shall pay the cost of single health and dental insurance coverage under one of the plans (excluding the high, deductible/health savings account option) offered by the BOE to actively employed teachers, less the contribution from the State of Connecticut Teachers' Retirement Board, for a period of 4 years immediately following retirement.
3. For those who retire after June 2013 or after the 4 or 5 year periods in (1) and (2) above, the retiree and spouse of retiree must pay 100% of the cost for medical coverage.

Litchfield Administrators Association OPEB Contract Provisions

Upon retirement under the Connecticut State Teachers' Retirement System, qualified administrators employed on or prior to June 30, 2005 and whose employment with the Litchfield Public Schools is at least 10 years:

1. For those who retire after June 2013 the retiree and spouse of retiree must pay 100% of the cost for medical coverage.

Superintendent

BOE provides a \$5,000 annual payment until eligible for Medicare, age 65, or for 5 years immediately following retirement, whichever is less. The superintendant is also eligible for a \$250,000 life insurance policy until age 67, after five years of service.

Investments

Investment Policy

The OPEB plan's policy in regard to allocation of invested assets is established and may be amended by the Board of Education. It is the policy of the Board to pursue an investment strategy that reduces risk through the prudent diversification of the portfolio across a broad selection of distinct asset classes. The pension plan's investment policy discourages the use of cash equivalents, except for liquidity purposes, and aims to refrain from dramatically shifting asset class allocation over short time spans.

TOWN OF LITCHFIELD, CONNECTICUT

NOTES TO THE FINANCIAL STATEMENTS, Continued June 30, 2021

Rate of Return

For the year ended June 30, 2021, the annual money-weighted rate of return on the OPEB plan investments, net of pension plan investment expense, was 7.46%. The money-weighted rate of return expresses investment performance, net of investment expense, adjusted for the changing amounts actually invested.

Net OPEB Liability

During the prior year, the Town implemented GASB Statement No. 75, *Accounting and Financial Reporting for Post-Employment Benefit Plans Other than Pensions* (OPEB). This statement requires the net OPEB liability to be measured as the total OPEB liability, less the amount of the OPEB plan's fiduciary net position.

The components of the net OPEB liability of the Town at June 30, 2021 were as follows:

Total OPEB liability	\$	1,405,426
Plan fiduciary net position		<u>1,963,110</u>
Net OPEB liability (asset)	\$	<u>(557,684)</u>
Plan fiduciary net position as a percentage of the total OPEB liability		1.40%

Actuarial Assumptions

The total pension liability was determined by an actuarial valuation as of July 1, 2020, using the following actuarial assumption, applied to all periods included in the measurement:

Inflation	2.50%
Salary increase	3.50%, average, including inflation
Investment rate of return	6.75%, net of investment and administrative expense
Healthcare cost trend rates	6.00% in 2021, reducing by .5% each year to a final 4.50% per year rate for 2024 and later

Mortality rates were based on the RP-2014 adjusted to 2006 Total Dataset Mortality Table projected to valuation date with Scale MP-2018.

The actuarial assumptions used in the July 1, 2020 valuation were based on standard tables modified for certain plan features such as eligibility for full and early retirement where applicable and input from the plan sponsor. A full experience study has not been completed.

Long-Term Rate of Return

The long-term expected rate of return on OPEB plan investments was determined using a building-block method in which best-estimate ranges of expected future real rates of return (expected returns, net of pension plan investment expense and inflation) are developed for each major asset class. These ranges are combined to produce the long-term expected rate of return by weighting the expected future real rates of return by the target asset allocation percentage and by adding expected inflation.

TOWN OF LITCHFIELD, CONNECTICUT

NOTES TO THE FINANCIAL STATEMENTS, Continued June 30, 2021

The target asset allocation and most recent best estimates of geometric real rates of return for each major asset class as of the July 1, 2020 actuarial valuation are summarized in the following table:

Asset Class	Target Allocation	Long-Term Expected Real Rate of Return
U.S. equities	49.00%	5.60%
International developed economies	6.00%	5.90%
International emerging economies	5.00%	7.20%
High quality bond	33.00%	2.10%
High yield bond	5.00%	4.00%
Cash equivalents	2.00%	.80%
	<u>100.00%</u>	

Discount Rate

The discount rate used to measure the total OPEB liability was 6.75%. The projection of cash flows used to determine the discount rate assumed that plan contributions will be made at the current contribution rate and that Town contributions will be made at rates equal to the actuarially determined contribution rates. Based on those assumptions, the plan's fiduciary net position was projected to be available to make all projected future benefit payments of current plan members and administrative expenses. Therefore, the long-term expected rate of return on plan investments was applied to all periods of projected benefit payments to determine the total OPEB liability.

Changes in the Net OPEB Liability

	Increase (Decrease)		
	Total OPEB Liability (a)	Plan Fiduciary Net Position (b)	Net OPEB Liability (a)-(b)

NOTES TO THE FINANCIAL STATEMENTS, Continued **June 30, 2021**

Teachers' Retirement OPEB Plan

All Town of Litchfield Board of Education certified employees participate in the State of Connecticut Teachers' Retirement System ("TRS" or the "Plan") under Section 10.183 of the General Statutes of the State of Connecticut.

Plan Description

Teachers, principals, superintendents, or supervisors engaged in service of public schools are provided with benefits, including retiree health insurance, through the Connecticut State Teachers' Retirement System – a cost sharing, multiemployer, defined benefit pension plan administered by the Teachers' Retirement Board. Title 10, Chapter 167a of the State Statutes grants authority to establish and amend the benefit terms to the State Teachers' Retirement Board ("TRB"). The State Treasurer is responsible for investing Teachers' Retirement System funds for the exclusive benefit of the TRS members.

The Teachers' Retirement System is considered to be a part of the State of Connecticut financial reporting entity and is included in the State's financial reports as a pension trust fund. Those reports may be obtained by writing to the State of Connecticut, Office of the State Comptroller, 55 Elm Street, Hartford, Connecticut 06106, by calling 860-702-3480, or by visiting the State's website www.ct.gov.

Benefit Provisions

The plan provides healthcare insurance benefits to eligible retirees and their spouses. Any member currently receiving a retirement or disability benefit through the Plan is eligible to participate in the healthcare portion of the Plan. Subsidized Local School District Coverage provides a subsidy paid to members still receiving coverage through their former employer and the TRB Sponsored Medicare Supplemental Plans provide coverage for those participating in Medicare, but not receiving Subsidized Local School District Coverage.

Any member that is not currently participating in Medicare Parts A & B is eligible to continue health care coverage with their former employer. A subsidy of up to \$110 per month for a retired member plus an additional \$110 per month for a spouse enrolled in a local school district plan is provided to the school district to first offset the retiree's share of the cost of coverage, any remaining portion is used to offset the district's cost. The subsidy amount is set by statute, and has not increased since July of 1996. A subsidy amount of \$220 per month may be paid for a retired member, spouse or the surviving spouse of a member who has attained the normal retirement age to participate in Medicare, is not eligible for Part A or Medicare without cost, and contributes at least \$220 per month towards coverage under a local school district plan.

Any member that is currently participating in Medicare Parts A & B is eligible to either continue health care coverage with their former employer, if offered, or enroll in the plan sponsored by the System. If they elect to remain in the plan with their former employer, the same subsidies as above will be paid to offset the cost of coverage.

If a member participating in Medicare Parts A & B so elects, they may enroll in one of the CTRB Sponsored Medicare Supplemental Plans. Active members, retirees, and the State pay equally toward the cost of the basic coverage (medical and prescription drug benefits).

TOWN OF LITCHFIELD, CONNECTICUT

NOTES TO THE FINANCIAL STATEMENTS, Continued June 30, 2021

The choices and calendar year premiums charged as of July 1, 2019 are as follows:

- | | |
|--|--------|
| • Medicare Supplement with Prescriptions | \$ 199 |
| • Medicare Supplement with Prescriptions and Dental | 254 |
| • Medicare Supplement with Prescriptions, Dental, Vision & Hearing | 259 |

Survivor Health Care Coverage: Survivors of former employees or retirees remain eligible to participate in the plan and continue to be eligible to receive either the \$110 monthly subsidy or participate in the TRB-Sponsored Medicare Supplemental Plans, as long as they do not remarry.

Normal Retirement: Eligible after age 60 with 20 years of credited service in Connecticut, or 35 years of credited service including at least 25 years of service in Connecticut.

Early Retirement: Eligible after 25 years of credited service with a minimum of 20 years of Connecticut service, or age 55 with 20 years of credited service with a minimum of 15 years of Connecticut service.

Proratable Retirement: Eligible after age 60 with 10 years of credited service.

Disability Retirement: Eligible after 5 years of credited service in Connecticut if not incurred in the performance of duty and no service requirement if incurred in the performance of duty.

Termination of Employment: Eligible after 10 or more years of credited service.

Contributions

State of Connecticut

Per Connecticut General Statutes Section 10-183z (which reflects Public Act 79-436 as amended), contribution requirements of active employees and the State of Connecticut is amended and certified by the State Teachers' Retirement Board and appropriated by the General Assembly. The State pays for one third of plan costs through an annual appropriation in the General Fund.

Employer (School Districts)

School district employers are not required to make contributions to the Plan.

Employees

The cost of providing plan benefits is financed on a pay-as-you-go basis as follows:

- Active teachers pay one third of the Plan costs through a contribution of 1.25% of pensionable salary.
- Retired teachers pay one third of the Plan costs through monthly premiums.

For the year ended June 30, 2020, \$108,884 mandatory contributions were deducted from the salaries of active teachers who were participants in the System. The estimated covered payroll for the Town was \$8,711,000.

TOWN OF LITCHFIELD, CONNECTICUT

NOTES TO THE FINANCIAL STATEMENTS, Continued June 30, 2021

Administrative Expenses

Administrative expenses of the Plan are to be paid by the General Assembly per Section 10-183r of the Connecticut General Statutes.

OPEB Liabilities, OPEB Expense, and Deferred Outflows of Resources and Deferred Inflows of Resources Related to OPEB

The State has a statutory requirement to pay 100% of the required plan contribution; therefore as of June 30, 2021 the Town reports no amounts for its proportionate share of the net OPEB liability, and related deferred outflows and inflows. The amount recognized by the Town as its proportionate share of the net OPEB liability, the related state support, and the total portion of the net OPEB liability associated with the Town were as follows:

Town's proportionate share of the net OPEB liability	\$	-
State's proportionate share of the net OPEB liability associated with the Town		5,730,375
Total net OPEB liability	\$	<u>5,730,375</u>

The net OPEB liability was measured as of June 30, 2020, and the total OPEB liability used to calculate the net pension liability was determined by an actuarial valuation as of June 30, 2020. The assumptions used in the June 30, 2020 valuation were based on the results of an actuarial experience study for the period five year period ended June 30, 2019.

For the year ended June 30, 2020 the Town has recognized, in the General Fund, intergovernmental revenue and education expenditures related to OPEB in the amount of \$264,700 as payments made by the State of Connecticut on behalf of the Town teachers' OPEB.

Actuarial Assumptions

The total OPEB liability was determined by an actuarial valuation as of June 30, 2020, using the following actuarial assumptions, applied to all periods included in the measurement:

Inflation	2.50% (previously 2.75%)
Salary increase	3.00% (previously 3.25 %) including inflation
Long-term investment rate of return	3.00%, net of pension plan investment expense, including inflation
Real wage growth	.05% (Previously .75%)
Wage inflation	3.00%(Previously) 3.25%
Municipal bond index rate	3.87% (3.56% at prior measurement date)
Single equivalent interest rate	3.87%, net of OPEB plan investment expense, including inflation (3.56% at prior measurement date)
Healthcare cost trend rates	5.395% for 2018 decreasing to an ultimate rate of 4.75% by 2025
Year fund net position will be depleted	2020

Mortality rates were based on the RPH-2014 White Collar Table with employee and annuitant rates blended from ages 50 to 80, projected to the year 2020 using the BB improvement scale, and further adjusted to grade in increases (5% for females and 8% for males) to rates over age 80. For disabled retirees, the RPH-2014 Disabled Mortality Table projected to 2020 using the BB improvement scale.

TOWN OF LITCHFIELD, CONNECTICUT

NOTES TO THE FINANCIAL STATEMENTS, Continued June 30, 2021

Long-Term Rate of Return

The long-term expected rate of return on plan investments was determined using a log-normal distribution analysis in which best-estimate ranges of expected future real rates of return (expected returns, net of investment expense and inflation) are developed for each major asset class. These ranges are combined to produce the long-term expected rate of return by weighting the expected future real rates of return by the target asset allocation percentage and by adding expected inflation. The assumption is not expected to change absent a significant change in the asset allocation, a change in the inflation assumption, or a fundamental change in the market that alters expected returns in future years. The target asset allocation and best estimates of geometric real rates of return for each major asset class are summarized in the following table:

<u>Asset Class</u>	<u>Target Allocation</u>	<u>Long-Term Expected Real Rate of Return</u>
U.S. Treasuries (cash equivalents)	100.0%	3.00%
Total	100.0%	

Discount Rate

The discount rate used to measure the total OPEB was 2.21%. The projection of cash flows used to determine the discount rate assumed that plan member contributions will be made at the current member contribution rate and that contributions for future plan members were used to reduce the estimated amount of total service costs for future plan members. No future State contributions were assumed to have been made. Based on those assumptions, the OPEB plan's fiduciary net position was projected to be depleted in 2019 and, as a result, the Municipal Bond Index Rate was used in the determination.

Sensitivity of the Net OPEB Liability to Changes in the Discount Rate

The Town's proportionate share of the net OPEB liability is \$0. Any change in the health care cost trend rate or the discount rate would only have an effect on the amount recorded by the State of Connecticut.

TOWN OF LITCHFIELD, CONNECTICUT

NOTES TO THE FINANCIAL STATEMENTS, Continued June 30, 2021

Note 12 – Fund Deficits and Restrictions to Fund Position

Restricted Fund Position

<u>Fund</u>	<u>Restricted Net Position</u>	<u>Restriction</u>
Cemetery Trust	\$ 10,000	For donor intentions
Scholarship Fund	49,202	Scholarships
Small Cities Grant	<u>48,221</u>	Small Cities Program
	<u>\$ 107,423</u>	

General Fund Committed and Assigned Fund Balance

In accordance with Connecticut General Statute 10-248, the Town's Board of Finance established a non-lapsing account to be used for Board of Education capital expenses defined as being at least \$10,000 or a useful life of 10 years. The account will have deposits equal to one half of the operating surplus plus one half of the education tuition paid to the Town during the previous fiscal year. The deposit may not exceed 2% of the Board of Education's total appropriation for one year.

The activity of the non-lapsing account was as follows:

Balance at July 1, 2020	\$ 132,410
Deposits:	
½ education surplus (\$206,600)	103,300
½ tuition received (\$36,902)	18,451
Expenditures	<u>-</u>
Balance June 30, 2021	\$ <u>254,161</u>

In addition, the Town's management assigned a portion of the general fund balance to the canine fund through the annual operating budget. This is presented in the General Fund's balance sheet as assigned fund balance.

General Fund Unassigned Balance Policy

The Board of Finance formally adopted a general fund policy on May 13, 2019. In accordance with the policy, the Town limits the use of undesignated ("unassigned") general fund balance in excess of 15% of the next year's appropriation to the following: limited funds for capital projects, equipment sinking fund, capital improvement projects, debt service, or any one time nonrecurring expenditure. As of June 30, 2021, \$4.8 million of general fund unassigned balance was limited for these purposes.

TOWN OF LITCHFIELD, CONNECTICUT

NOTES TO THE FINANCIAL STATEMENTS, Continued June 30, 2021

Fund Deficits

The School cafeteria fund had a fund deficit on June 30, 2021, which was funded by the subsequent year general fund appropriation.

Note 13 – Subsequent Events

Management has evaluated events subsequent to the date of the financial statements through November 30, 2021, the date the financial statements were available to be issued. No events have occurred subsequent to the Statement of Net Position date through November 30, 2021 that would require readjustment to the financial statements.

The Town issued a general obligation bond on September 14, 2021 for \$2,020,000. The bond was sold with a premium of \$134,419. The debt will be paid annually over a 15 year period beginning August 1, 2022 and interest will be paid semiannually with an interest rate of 2%-4%.

Notes to Schedule

Changes in benefit terms	None
Changes in assumptions	In 2016, rates of withdrawal, disability, retirement, mortality and assumed rates of salary increase were adjusted to more closely reflect actual and anticipated experience. These assumptions were recommended as part of the experience study for the system for the five-year period ended June 30, 2015.

Methods and assumptions used to determine contribution rates:

Actuarial cost method	Entry age
Amortization method	Level percent of salary, closed
Single equivalent amortization period	17.6 years
Asset valuation method	4-year smoothed market
Inflation	2.75%
Salary increase	3.25-6.50%, including inflation
Investment rate of return	8.00%, net of investment related expense, including inflation

This schedule is intended to show information for ten years. Additional information will be added as it becomes available.

**SCHEDULE OF THE TOWN'S PROPORTIONATE SHARE OF THE NET OPEB LIABILITY -
TEACHERS' RETIREMENT PLAN**

Last Four Fiscal Years

	2021	2020	2019	2018
Town's proportion of the net OPEB liability	0.00%	0.00%	0.00%	0.00%
Town's proportionate share of the net OPEB liability	\$ -	-	-	-
State's proportionate share of the net OPEB liability associated with the Town	5,730,375	5,606,372	5,541,084	7,483,319
Total	\$ 5,730,375	5,606,372	5,541,084	7,483,319
Town's covered payroll	\$ 8,698,205	8,698,205	8,710,714	8,762,327
Town's proportionate share of the net OPEB liability as a percentage of its covered payroll	0.00%	0.00%	0.00%	0.00%
Plan fiduciary net position as a percentage of total OPEB liability	2.50%	2.08%	1.49%	1.79%

Notes to Schedule

Changes in benefit terms	None
Changes in assumptions	- The single equivalent interest rate was increased from 3.56% to 3.87% to reflect the change in the Municipal Bond Index Rate. - Changes were made to the assumed initial per capita health care costs, rates of health care inflation used to project the per capita costs, and the rates of Plan participation based upon recent experience and current expectations. - As a result of the experience study for the five-year period ending June 30, 2019, the payroll growth rate assumption was decreased from 3.75% to 3.25% to reflect the decrease in the rate of inflation and the decrease in the rate of real wage increase. Last, the salary growth assumption, the payroll growth rate, the rates of withdrawal, the rates of retirement, the rates of mortality, and the rates of disability incidence were adjusted based upon the experience study's findings and their adoption by the Board. - In June 30, 2020 the investment rate of return was increased .25% to 3.00% and inflation was reduced by .25% to 2.50%

Methods and assumptions used to determine contribution rates:

Actuarial cost method	Entry age
Amortization method	Level percent of payroll
Amortization period	30 years, open
Asset valuation method	Market value of assets
Inflation	2.50%
Salary increase	3.25-6.50%, including inflation
Investment rate of return	6.90%, net of investment related expense, including inflation

This schedule is intended to show information for ten years. Additional information will be added as it becomes available.

APPENDIX B – FORM OF OPINION OF BOND COUNSEL

August __, 2022

Town of Litchfield
Town Hall
74 West Street
Litchfield, Connecticut 06759

We have acted as Bond Counsel in connection with the issuance by the Town of Litchfield, Connecticut (the “Town”), of its \$_____ General Obligation Bonds, Issue of 2022 (the “Bonds”) dated August __, 2022. In such capacity, we have examined a record of proceedings of the Town authorizing the Bonds, a Tax Regulatory Agreement of the Town dated the date hereof (the “Agreement”), such law and such other proceedings, certifications, and documents as we have deemed necessary to render this opinion.

As to questions of fact material to our opinion, we have relied upon the certified proceedings and other certifications of public officials furnished to us without undertaking to verify the same by independent investigation.

We are of the opinion that when the Bonds are duly certified by U.S. Bank Trust Company, National Association, the Bonds will be valid and legally binding general obligations of the Town payable as to both principal and interest from ad valorem taxes which may be levied on all taxable property subject to taxation by the Town without limitation as to rate or amount except as to classified property such as certified forest lands taxable at a limited rate and dwelling houses of qualified elderly persons of low income or of qualified disabled persons taxable at limited amounts pursuant to Connecticut statutes. We are further of the opinion that the Agreement is a valid and binding agreement of the Town and was duly authorized by the Town.

The rights of the holders of the Bonds and the enforceability thereof may be subject to bankruptcy, insolvency, reorganization, moratorium and other similar laws affecting creditors’ rights generally and by equitable principles, whether considered at law or in equity.

The Internal Revenue Code of 1986, as amended (the “Code”), establishes certain requirements that must be satisfied at and subsequent to the issuance and delivery of the Bonds in order that interest on the Bonds be excluded from gross income under Section 103 of the Code. In the Agreement, the Town has made covenants and representations designed to assure compliance with such requirements of the Code. The Town has covenanted in the Agreement that it will at all times comply with all requirements of the Code that must be satisfied subsequent to the issuance of the Bonds to ensure that interest on the Bonds shall not be included in gross income for federal income tax purposes retroactive to the date of issuance of the Bonds, including covenants regarding, among other matters, the use, expenditure and investment of the proceeds of the Bonds.

In rendering the below opinions regarding the federal treatment of interest on the Bonds, we have relied upon and assumed (i) the material accuracy of the representations, statements of intention and reasonable expectations, and certifications of fact contained in the Agreement, and (ii) continuing compliance by the Town with the covenants set forth in the Agreement as to such tax matters.

The Town has designated the Bonds as “qualified tax exempt obligations” within the meaning of Code Section 265(b)(3) for purposes of the deduction by financial institutions for interest expense allocable to the Bonds.

In our opinion, under existing statutes and court decisions, (i) interest on the Bonds is excluded from gross income for federal income tax purposes; and (ii) such interest is not an item of tax preference for purposes of calculating the federal alternative minimum tax. We express no opinion regarding other federal income tax consequences caused by ownership or disposition of, or receipt of interest on the Bonds.

We are further of the opinion that, under existing statutes, interest on the Bonds is excluded from Connecticut taxable income for purposes of the Connecticut income tax on individuals, trusts and estates and is excluded from amounts on which the net Connecticut minimum tax is based for individuals, trusts and estates required to pay the federal alternative minimum tax. We express no opinion regarding other state income tax consequences caused by ownership or disposition of, or receipt of interest on the Bonds.

We express no opinion herein regarding the accuracy, adequacy, or completeness of the Preliminary Official Statement, the Official Statement and other offering material relating to the Bonds.

The foregoing opinion is based upon existing laws, regulations, rules and court decisions. We undertake no responsibility to inform you of changes in law or fact occurring after the date hereof which may affect the conclusions herein. In addition, we have not undertaken to advise in the future whether any events after the date of issuance of the Bonds, including the adoption of federal tax legislation, may affect the tax status of interest on the Bonds.

Respectfully,

PULLMAN & COMLEY, LLC

APPENDIX C – FORM OF CONTINUING DISCLOSURE AGREEMENT

In accordance with the requirements of Rule 15c2-12 promulgated by the Securities and Exchange Commission, the Issuer will agree, pursuant to a Continuing Disclosure Agreement for the Bonds to be executed by the Issuer substantially in the following form, to provide, or cause to be provided, (i) annual financial information and operating data, (ii) in a timely manner not in excess of ten business days after the occurrence of the event, notice of the occurrence of certain events with respect to the Bonds, and (iii) timely notice of a failure by the Issuer to provide the required annual financial information on or before the date specified in the Continuing Disclosure Agreement for the Bonds.

CONTINUING DISCLOSURE AGREEMENT

This Continuing Disclosure Agreement (this “Agreement”) is executed and delivered as of August __, 2022, by the Town of Litchfield, Connecticut (the “Issuer”), acting by its undersigned officers, duly authorized, in connection with the issuance of \$_____ General Obligation Bonds, Issue of 2022, dated August __, 2022 (the “Bonds”) for the benefit of the beneficial owners from time to time of the Bonds.

Section 1. Definitions.

For purposes of this Agreement, the following capitalized terms shall have the following meanings:

“Final Official Statement” means the official statement of the Issuer, dated _____, 2022, prepared in connection with the Bonds.

“Listed Events” means any of the events listed in Section 3 of this Agreement.

“MSRB” means the Municipal Securities Rulemaking Board established under the Securities Exchange Act of 1934, as amended, or any successor thereto.

“Repository” means the MSRB, through the operation of the Electronic Municipal Market Access (EMMA) system as described in 1934 Act Release No. 59061 and maintained by the MSRB for purposes of the Rule, or any other nationally recognized municipal securities information repository or organization recognized by the SEC from time to time for purposes of the Rule.

“Rule” means rule 15c2-12(b)(5) adopted by the SEC under the Securities Exchange Act of 1934, as of the date of this Agreement.

“SEC” means the Securities and Exchange Commission of the United States, or any successor thereto.

Section 2. Annual Financial Information.

(a) The Issuer agrees to provide, or cause to be provided, to the Repository in an electronic format, accompanied by identifying information, as prescribed by the MSRB, and otherwise in accordance with the provisions of the Rule and of this Agreement, annual financial information and operating data (commencing with information and data for the fiscal year ending June 30, 2022) as follows:

(i) Audited financial statements of the Issuer as of and for the year ending on its Fiscal Year End prepared in accordance with generally accepted accounting principles, as promulgated by the Governmental Accounting Standards Board from time to time or mandated state statutory principles as in effect from time to time. As of the date of this Agreement, the Issuer is required to prepare audited financial statements of its various funds and accounts.

(ii) Financial information and operating data as of and for the year ending on its Fiscal Year End of the following type to the extent not included in the audited financial statements described in (i) above:

- (A) the amounts of the gross and net taxable grand list;
- (B) a listing of the ten largest taxpayers on the grand list, together with each such taxpayer's taxable valuation thereon;
- (C) the percentage or amount of the annual property tax levy collected and uncollected;
- (D) a schedule of annual debt service on outstanding long-term bonded indebtedness;
- (E) a calculation of the direct debt, net direct debt and overall net debt (reflecting overlapping and underlying debt);
- (F) the direct debt and overall net debt of the Issuer per capita;
- (G) the ratios of direct debt and overall net debt of the Issuer to the Issuer's equalized net (taxable) grand list;
- (H) a statement of statutory debt limitations and debt margins;
- (I) the funding status of the Issuer's pension benefit obligation.

(b) The financial statements and other financial information and operating data described above will be provided on or before the date eight (8) months after the close of the fiscal year for which such information is being provided. The Issuer's fiscal year currently ends on June 30. The Issuer agrees that if audited information is not available eight (8) months after the close of any fiscal year, it shall submit unaudited information by such time and will submit audited information when available.

(c) Annual financial information or operating data may be provided in whole or in part by specific reference to other documents available to the public on the MSRB's Electronic Municipal Market Access (EMMA) system, the current internet web address of which is www.emma.msrb.org, or filed with the SEC. If the document to be cross-referenced is a final official statement, it must be available from the MSRB. The Issuer shall clearly identify each such other document so incorporated by cross-reference. All or a portion of the financial information and operating data may be provided in the form of a comprehensive annual financial report or the annual adopted budget.

(d) The Issuer reserves the right (i) to provide financial statements which are not audited if no longer required by law, (ii) to modify from time to time the format of the presentation of such information or data, and (iii) to modify the accounting principles it follows to the extent required by law, by changes in generally accepted accounting principles, or by changes in mandated statutory accounting principles as in effect from time to time, provided that the Issuer agrees that the exercise of any such right will be done in a manner consistent with the Rule.

(e) The Issuer may file information with the Repository, from time to time, in addition to that specifically required by this Agreement (a "Voluntary Filing"). If the Issuer chooses to make a Voluntary Filing, the Issuer shall have no obligation under this Agreement to update information contained in such Voluntary Filing or include such information in any future filing. Notwithstanding the foregoing provisions of this Section 2(e), the Issuer is under no obligation to provide any Voluntary Filing.

Section 3. Reporting of Listed Events.

The Issuer agrees to provide, or cause to be provided, to the Repository in an electronic format, accompanied by identifying information, as prescribed by the MSRB, notice of the occurrence of any of the following Listed Events with respect to the Bonds, in a timely manner not later than ten (10) business days after the occurrence of any such Listed Event:

- (a) principal and interest payment delinquencies;
- (b) non-payment related defaults, if material;
- (c) unscheduled draws on debt service reserves reflecting financial difficulties;
- (d) unscheduled draws on credit enhancements reflecting financial difficulties;
- (e) substitution of credit or liquidity providers, or their failure to perform;
- (f) adverse tax opinions, the issuance by the Internal Revenue Service of proposed or final determinations of taxability, Notices of Proposed Issue (IRS Form 5701-TEB) or other material notices or determinations with respect to the tax status of the Bonds, or other material events affecting the tax status of the Bonds;
- (g) modifications to rights of holders of the Bonds, if material;
- (h) Bond calls, if material, and tender offers;
- (i) defeasances;
- (j) release, substitution, or sale of property securing repayment of the Bonds, if material;
- (k) rating changes;
- (l) bankruptcy, insolvency, receivership or similar event of the Issuer;

Note to clause (l): For the purposes of the event identified in clause (l) above, the event is considered to occur when any of the following occur: the appointment of a receiver, fiscal agent or similar officer for the Issuer in a proceeding under the U.S. Bankruptcy Code or in any other proceeding under state or federal law in which a court or government authority has assumed jurisdiction over substantially all of the assets or business of the Issuer, or if such jurisdiction has been assumed by leaving the existing governing body and officials or officers in possession but subject to the supervision and orders of a court or governmental authority, or the entry of an order confirming a plan of reorganization, arrangement or liquidation by a court or governmental authority having supervision or jurisdiction over substantially all of the assets or business of the Issuer;

- (m) the consummation of a merger, consolidation, or acquisition involving the Issuer or the sale of all or substantially all of the assets of the Issuer, other than in the ordinary course of business, the entry into a definitive agreement to undertake such an action or the termination of a definitive agreement relating to any such actions, other than pursuant to its terms, if material;
- (n) appointment of a successor or additional trustee or the change of name of trustee, if material;
- (o) incurrence of a financial obligation, if material, or agreement to covenants, events of default, remedies, priority rights, or other similar terms of a financial obligation, any of which affect security holders, if material; and
- (p) default, event of acceleration, termination event, modification of terms, or other similar events under the terms of the financial obligation of the Issuer, any of which reflect financial difficulties.

Note to clauses (o) and (p): For the purposes of the events identified in clauses (o) and (p), the term “financial obligation” means a (i) debt obligation; (ii) derivative instrument entered into in connection with, or pledged as security or a source of payment for, an existing or planned debt obligation; or (iii) guarantee of (i) or (ii). The term “financial obligation” shall not include municipal securities as to which a final official statement has been provided to the MSRB consistent with the Rule.

Section 4. Notice of Failure to Provide Annual Financial Information.

The Issuer agrees to provide, or cause to be provided, in a timely manner, to the Repository in an electronic format, accompanied by identifying information, as prescribed by the MSRB, notice of any failure by the Issuer to provide annual financial information as set forth in Section 2(a) hereof on or before the date set forth in Section 2(b) hereof.

Section 5. Use of Agents.

Annual financial information and operating data and notices to be provided pursuant to this Agreement may be provided by the Issuer or by any agents which may be employed by the Issuer for such purpose from time to time.

Section 6. Termination.

The obligations of the Issuer under this Agreement shall terminate upon the earlier of (i) payment or legal defeasance, at maturity or otherwise, of all of the Bonds, or (ii) such time as the Issuer ceases to be an obligated person with respect to the Bonds within the meaning of the Rule.

Section 7. Enforcement.

The Issuer acknowledges that the undertakings set forth in Sections 2, 3 and 4 of this Agreement are intended to be for the benefit of, and enforceable by, the beneficial owners from time to time of the Bonds. In the event the Issuer shall fail to perform its duties hereunder, the Issuer shall have the option to cure such failure within a reasonable time (but not exceeding thirty (30) days with respect to undertakings set forth in Section 2 of this Agreement or five (5) business days with respect to undertakings set forth in Sections 3 and 4 of this Agreement) from the time the First Selectman, or a successor, receives written notice from any beneficial owner of the Bonds of such failure. For purposes of this section, notice to the Issuer should be made to the First Selectman, Town of Litchfield, 74 West Street, Litchfield, Connecticut 06759.

In the event the Issuer does not cure such failure within the time specified above, the beneficial owner of any of the Bonds shall be entitled only to the remedy of specific performance. No monetary damages shall arise or be payable hereunder nor shall any failure to comply with this Agreement constitute an event of default with respect to the Bonds.

Section 8. Miscellaneous.

(a) The Issuer shall have no obligation to provide any information, data or notices other than as set forth in this Agreement; provided, however, nothing in this Agreement shall be construed as prohibiting the Issuer from providing such additional information, data or notices from time to time as it deems appropriate in connection with the Bonds. If the Issuer elects to provide any such additional information, data or notices, the Issuer shall have no obligation under this Agreement to update or continue to provide further additional information, data or notices of the type so provided.

(b) This Agreement shall be governed by the laws of the State of Connecticut.

(c) Notwithstanding any other provisions of this Agreement, the Issuer may amend this Agreement, and any provision of this Agreement may be waived, if (i) such amendment or waiver is made in connection with a change of circumstances that arises from a change in legal requirements, a change in law, or a change in the identity, nature or status of the Issuer, (ii) this Agreement as so amended or waived would have complied with the requirements of the Rule as of the date of this Agreement, taking into account any amendments or interpretations of the Rule, as well as any change in circumstances, and (iii) such amendment or waiver is supported by either an opinion of counsel expert in federal securities laws to the effect that such amendment or waiver would not materially adversely affect the beneficial owners of the Bonds or an approving vote by the holders of not less than 66 2/3% of the aggregate principal amount of the Bonds then outstanding. A copy of any such amendment or waiver will be filed in a timely manner with the Repository in electronic format. The annual financial information provided on the first date following adoption of any such amendment or waiver will explain, in narrative form, the reasons for the amendment or waiver and the impact of the change in the type of operating or financial information provided.

IN WITNESS WHEREOF, the Issuer has caused this Continuing Disclosure Agreement to be executed in its name by its undersigned officers, duly authorized, all as of the date first above written.

APPENDIX D – NOTICE OF SALE

TOWN OF LITCHFIELD, CONNECTICUT
\$2,166,000* GENERAL OBLIGATION BONDS, ISSUE OF 2022
(BANK QUALIFIED)
BOOK-ENTRY-ONLY

NOTICE IS GIVEN that ELECTRONIC BIDS solely via **PARITY**® will be received by the TOWN OF LITCHFIELD, CONNECTICUT (the “Issuer”), until 11:30 A.M. (E.T.) on TUESDAY,

AUGUST 9, 2022

(the “Sale Date”) for the purchase, when issued, of all (but not less than all) of the Issuer’s \$2,166,000* General Obligation Bonds, Issue of 2022, dated August 23, 2022 (the “Bonds”), at no less than par and accrued interest from the date of the Bonds to the date of delivery, if any, maturing on August 1 in the principal amounts and in each of the years as follows:

<u>Maturity</u>	<u>Amount (\$)*</u>	<u>Maturity</u>	<u>Amount (\$)*</u>
2023	146,000	2031	145,000
2024	145,000	2032	145,000
2025	145,000	2033	145,000
2026	145,000	2034	145,000
2027	145,000	2035	145,000
2028	145,000	2036	140,000
2029	145,000	2037	140,000
2030	145,000		

The Bonds will bear semiannually on February 1 and August 1 in each year until maturity, commencing February 1, 2023, as further described in the Preliminary Official Statement (as hereinafter defined), at the rate or rates per annum specified by the winning bidder.

**Preliminary, subject to change. See “Adjustment of Principal Amount and Maturity Schedule of the Bonds” herein.*

Optional Redemption

The Bonds maturing on or before August 1, 2028 are not subject to redemption prior to maturity. The Bonds maturing August 1, 2029 and thereafter are subject to redemption prior to maturity, at the option of the Issuer, on and after August 1, 2028, either in whole or in part at any time, in such order of maturity and amount as the Issuer may determine, and by lot within a maturity, at the respective prices (expressed as a percentage of the principal amount of the Bonds to be redeemed) set forth in the following table, plus interest accrued and unpaid to the redemption date:

<u>Period During Which Redeemed</u>	<u>Redemption Price</u>
August 1, 2028 and thereafter	100.0%

Nature of Obligation

The Bonds will constitute general obligations of the Issuer, and the Issuer will pledge its full faith and credit to pay the principal of and interest on the Bonds when due. Unless paid from other sources, the Bonds are payable from ad valorem taxes which may be levied on all taxable property subject to taxation by the Issuer without limit as to rate or amount except as to classified property such as certified forest lands taxable at a limited rate and dwelling houses of qualified elderly persons of low income or of qualified disabled persons taxable at limited amounts pursuant to provisions of the Connecticut General Statutes, as amended.

Bank Qualification

The Bonds SHALL be designated by the Issuer as qualified tax exempt obligations under the provisions of Section 265(b)(3) of the Internal Revenue Code of 1986, as amended, for purposes of the deduction by financial institutions for interest expense allocable to the Bonds.

Registration

The Bonds will be issued by means of a book-entry system with no physical distribution of bond certificates made to the public. The Bonds will be issued in registered form and one bond certificate for each maturity will be issued to The Depository Trust Company ("DTC"), New York, New York, registered in the name of its nominee, Cede & Co., and immobilized in its custody. A book-entry system will be employed, evidencing ownership of the Bonds in principal amounts of \$1,000 or any integral multiple thereof, with transfers of ownership effected on the records of DTC and its participants pursuant to rules and procedures adopted by DTC and its participants. The purchaser, as a condition to delivery of the Bonds, will be required to deposit the bond certificates with DTC, registered in the name of Cede & Co. Principal of, redemption premium, if any, and interest on the Bonds will be payable by the Issuer or its agent to DTC or its nominee as registered owner of the Bonds. Principal and interest payments by DTC to participants of DTC will be the responsibility of DTC; principal and interest payments to beneficial owners by participants of DTC will be the responsibility of such participants and other nominees of beneficial owners. The Issuer will not be responsible or liable for payments by DTC to its participants or by DTC participants or indirect participants to beneficial owners or for maintaining, supervising or reviewing the records maintained by DTC, its participants or persons acting through such participants. Upon receipt from the Issuer, the Paying Agent will pay principal of and interest on the Bonds directly to DTC so long as DTC or its nominee, Cede & Co, is the bondholder.

In the event that (a) DTC determines not to continue to act as securities depository for the Bonds and the Issuer fails to identify another qualified securities depository to replace DTC, or (b) the Issuer determines to discontinue the book-entry system of evidence and transfer of ownership of the Bonds, the Issuer will authenticate and deliver replacement Bonds in the form of fully registered certificates. Any such replacement Bonds will provide that interest will be payable by check mailed by the Paying Agent to the registered owner whose name appears on the registration books of the Issuer as of the close of business on the record date preceding each interest payment date. The record dates for the Bonds will be the fifteenth day of January and July, or the preceding business day if such fifteenth day is not a business day, in each year.

Proposals

Each bid must be for the entire \$2,166,000¹ of the Bonds. Each proposal must specify the amount bid for the Bonds (which shall be the aggregate par value of the Bonds, and, at the option of the bidder, a premium), and must specify in a multiple of one-twentieth of one percent (1/20 of 1%) or one-eighth of one percent (1/8 of 1%) the rate or rates of interest per annum which the Bonds are to bear, provided that such proposal shall not state (a) more than one interest rate for any Bonds having a like maturity or (b) any interest rate for any Bonds of one maturity which exceeds the interest rate stated in such proposal for Bonds of a different maturity by more than two (2) percentage points. In addition to the amount bid for the Bonds, the purchaser must pay an amount equal to the interest on the Bonds accrued to the date of delivery. For the purpose of the bidding process, the time as maintained on **PARITY®** shall constitute the official time. For information purposes only, bidders are requested to state in their bids the true interest cost ("TIC") to the Issuer, as described under "Basis of Award" below, represented by the rate or rates of interest and the bid price specified in their respective bids. Interest shall be calculated on the basis of a 360-day year consisting of twelve 30-day months. No proposal for less than par and accrued interest to the date of delivery will be considered.

Basis of Award; Right to Reject Proposals; Waiver; Postponement; Change of Terms

Unless all bids are rejected, as between proposals which comply with this Notice of Sale, the Bonds will be awarded to the bidder whose bid proposes the lowest true interest cost ("TIC") to the Issuer. The TIC will be the annual interest rate, compounded semiannually, which, when used to discount all payments of principal and interest payable on the Bonds results in an amount equal to the purchase price for the Bonds, excluding interest accrued to the date of delivery. If there is more than one bidder making said offer at the same lowest TIC, the Bonds will be sold to the bidder whose proposal is selected by the Issuer by lot from among all such proposals. It is requested that each proposal be accompanied by a statement of the percentage of TIC computed and rounded to six decimal places. Such statement shall not be considered as part of the proposal. The purchase price must be paid in immediately available federal funds.

¹ Preliminary, subject to change.

The right is reserved to reject any and all proposals and to reject any proposal not complying with this Notice of Sale and to waive any irregularity or informality with respect to any proposal.

The Issuer further reserves the right to postpone the sale to another time and date in its sole discretion for any reason, including Internet difficulties. The Issuer will use its best efforts to notify prospective bidders in a timely manner of any need for a postponement. Upon the establishment of an alternative sale date, any bidder may submit proposals for the purchase of the Bonds in accordance with the provisions of this Notice of Sale.

Adjustment of Principal Amount and Maturity Schedule of the Bonds

The Issuer reserves the right to change the maturity schedule after the determination of the winning bidder. In such event, the final aggregate principal amount of the Bonds will be increased or decreased by a net amount of such change or changes in principal amount of one or more maturities. The winning bidder will be required to provide the coupon, yield and reoffering price information to be included in the issue price certificate, if requested, for purposes of determining the adjustment. The dollar amount bid by the bidder will be adjusted to reflect any adjustments in the final maturity schedule and the aggregate principal amount of the Bonds to be issued. The adjusted bid price will reflect changes in the dollar amount of the underwriter's discount and original issue discount/premium, if any, but every effort will be made to not change the per bond underwriter's discount as calculated from the bid and the initial reoffering prices required to be delivered to the Issuer as stated herein. **The winning bidder may not withdraw its bid or change the interest rates bid or initial reoffering prices provided as a result of any changes made to the principal amounts within these limits.**

CUSIP Numbers

The deposit of the Bonds with DTC under a book-entry system requires the assignment of CUSIP numbers prior to delivery. It shall be the responsibility of the purchaser to apply for CUSIP numbers for the Bonds prior to delivery. Neither the failure to print such CUSIP number on any bond, nor any error with respect thereto, shall constitute cause for a failure or refusal by the purchaser thereof to accept delivery of and pay for the Bonds. All expenses in relation to the printing of CUSIP numbers on the Bonds shall be paid for by the Issuer; provided, however, that the Issuer assumes no responsibility for any CUSIP Service Bureau charge or other charge that may be imposed for the assignment of such numbers, which charges shall be the responsibility of and shall be paid for by the purchaser.

Electronic Proposals Bidding Procedure

Electronic bids for the purchase of the Bonds must be submitted through the facilities of **PARITY®**. Any prospective bidder must be a subscriber of i-Deal's BiDCOMP competitive bidding system. Further information about **PARITY®**, including any fee charged, may be obtained from **PARITY®**, c/o i-Deal LLC, 1359 Broadway, 2nd Floor, New York, New York 10018, Attention: Customer Support (telephone: (212) 849-5021 – email notice: parity@i-deal.com). The Issuer neither will confirm any subscription nor be responsible for any failure of a prospective bidder to subscribe.

Once an electronic bid made through the facilities of **PARITY®** is communicated to the Issuer, it shall constitute an irrevocable offer, in response to this Notice, and shall be binding upon the bidder as if made by the signed, sealed bid delivered to the Issuer. By submitting a bid for the Bonds via **PARITY®**, the bidder represents and warrants to the Issuer that such bidder's bid for the purchase of the Bonds is submitted for and on behalf of such prospective bidder by an officer or agent who is duly authorized to bind the prospective bidder by an irrevocable offer and that acceptance of such bid by the Issuer will bind the bidder by a legal, valid and enforceable contract, for the purchase of the Bonds on the terms described in this Notice. **The Issuer shall not be responsible for any malfunction or mistake made by, or as a result of the use of the facilities of PARITY®, or the inaccuracies of any information, including bid information or worksheets supplied by PARITY®, the use of PARITY® facilities being the sole risk of the prospective bidder. Each Bidder is solely responsible for knowing the terms of the sale as set forth herein.**

Disclaimer. Each of **PARITY®** prospective electronic bidders shall be solely responsible to make necessary arrangements to access **PARITY®** for the purpose of submitting its bid in a timely manner and in compliance with the requirements of this Notice. Neither the Issuer nor **PARITY®** shall have any duty or obligation to undertake such arrangements to bid for any prospective bidder or to provide or assure such access to any prospective bidder, and neither the Issuer or **PARITY®** shall be responsible for a bidder's failure to make a bid or for the proper operation of, or have any liability for any delays or interruptions of, or any damages caused by, **PARITY®**. The Issuer is using **PARITY®** as a communication mechanism, and not as the Issuer's agent, to conduct the electronic bidding for the Bonds. The Issuer is not bound by any advice and determination of **PARITY®** to the effect that any particular bid complies with the terms of this Notice and in particular the bid requirements herein set forth. All costs and expenses incurred by prospective bidders in connection with their subscription to, arrangements with and submission of bids via **PARITY®** are the sole responsibility of the bidders; and the Issuer is not responsible directly or indirectly, for any of such costs or expenses. If the prospective bidder encounters any difficulty in arranging to bid or submitting, modifying or withdrawing a bid for the Bonds, the prospective bidder should telephone **PARITY®** at (212) 849-5021. If any provision of this Notice shall conflict with information provided by **PARITY®**, this Notice shall control.

For the purpose of the electronic bidding process, the time maintained on **PARITY®** shall constitute the official time.

Certifying Agent, Registrar, Paying Agent and Transfer Agent

The Bonds will be authenticated by U.S. Bank Trust Company, National Association, Hartford, Connecticut. U.S. Bank Trust Company, National Association will also act as Registrar, Paying Agent and Transfer Agent.

Delivery, Payment and Closing Requirements

At or prior to the delivery of the Bonds the purchaser shall be furnished, without cost, with (a) the approving opinion of Pullman & Comley, LLC of Hartford, Connecticut, Bond Counsel ("Bond Counsel") (see "Bond Counsel Opinion" below); (b) a signature and no litigation certificate, in form satisfactory to said firm, dated as of the date of delivery of the Bonds, and stating that there is no litigation pending, or to the knowledge of the signer or signers thereof threatened, affecting the validity of the Bonds or the power of the Issuer to levy and collect taxes to pay them; (c) a signed copy of the Official Statement prepared for this bond issue; (d) a certificate of Issuer Officials relating to the accuracy and completeness of the Official Statement; (e) a Continuing Disclosure Agreement; and (f) a receipt of payment for the Bonds.

The Bonds will be delivered against payment in immediately available federal funds through the facilities of DTC, New York, New York or its agent via Fast Automated Securities Transfer ("FAST") on or about August 23, 2022 (the "Closing Date").

The Issuer will have no responsibility to pay for any expenses of the purchaser except to the extent specifically stated in this Notice of Sale. The purchaser will have no responsibility to pay for any of the Issuer's costs of issuance except to the extent specifically stated in this Notice of Sale.

The purchaser will be responsible for the clearance or exemption with respect to the status of the Bonds for sale under securities or "Blue Sky" laws and the preparation of any surveys or memoranda in connection with such sale. The Issuer shall have no responsibility for such clearance, exemption or preparation.

Bond Counsel Opinion

The legality of the issue will be passed upon by Pullman & Comley, LLC of Hartford, Connecticut, Bond Counsel, and the purchaser will be furnished with its opinion, without charge, substantially in the form set forth in Appendix B to the Official Statement. The opinion will state that the Bonds are valid and binding obligations of the Issuer. If the Competitive Sale Rule (as defined below in the "Establishment of Issue Price" section) is met, Bond Counsel will require as a precondition to release of its opinion that the purchaser of such Bonds deliver to it a completed "issue price" certificate, or similar certificate, regarding expectations or public offering prices, as applicable, with respect to the Bonds awarded to such bidder, as described below under "Establishment of Issue Price".

Establishment of Issue Price

In order to provide the Issuer with information that enables it to comply with certain requirements of the Internal Revenue Code of 1986, as amended (the “Code”), relating to the exclusion of interest on the Bonds from the gross income of their owners, the winning bidder will be required to complete, execute, and deliver to the Issuer at or prior to the delivery of the Bonds an “issue price” or similar certificate setting forth the reasonably expected initial offering price to the Public (the “Initial Offering Price”) or the actual sales price or prices of the Bonds, as circumstances may determine, together with the supporting pricing wires or equivalent communications, with such modifications as may be appropriate or necessary, in the reasonable judgment of Bond Counsel. Communications relating to this “Establishment of Issue Price” section, the completed certificate(s) and any supporting information shall be delivered to (1) Bond Counsel at Sandra Dawson, Esq., Pullman & Comley, LLC, 90 State House Square, Hartford, CT 06103, Telephone: (860) 424-4348, E-mail: sdawson@pullcom.com and (2) the Municipal Advisor at Mark Chapman, Munistat Services, Inc., 129 Samson Rock Drive, Suite A, Madison, CT 06443, Telephone: (203) 421-2087, E-mail: Mark.Chapman@munistat.com (the “Municipal Advisor”). Questions related to this “Establishment of Issue Price” section should be directed to Bond Counsel or the Municipal Advisor. For purposes of this “Establishment of Issue Price” section, Bond Counsel may act on behalf of the Issuer and the Municipal Advisor may act on behalf of the Issuer.

By submitting a bid, each bidder is certifying that its bid is a firm offer to purchase the Bonds, is a good faith offer which the bidder believes reflects current market conditions, and is not a “courtesy bid” being submitted for the purpose of assisting in meeting the competitive sale requirements relating to the establishment of the “issue price” of the Bonds pursuant to Section 148 of the Code, including the requirement that bids be received from at least three (3) underwriters of municipal bonds who have established industry reputations for underwriting new issuances of municipal bonds.

By submitting a bid, a bidder represents to the Issuer that it has an established industry reputation for underwriting new issuances of municipal bonds such as the Bonds, represents that such bidder’s bid is submitted for or on behalf of such bidder by an officer or agent who is duly authorized to bind the bidder to a legal, valid and enforceable contract for the purchase of the Bonds, and understands that upon award by the Issuer that this Notice of Sale constitutes a written contract between such bidder, as winning bidder, and the Issuer.

By submitting a bid, the bidder agrees that if the Competitive Sale Rule (as set forth below) is not met, it will satisfy either the Actual Sales Rule (as set forth below) or the Hold-the-Offering-Price Rule (as set forth below).

Bids will not be subject to cancellation in the event that the competitive sale requirements are not satisfied.

Notification of Contact Information of Winning Bidder. Promptly upon award, the winning bidder shall notify the Municipal Advisor and Bond Counsel of the contact name, telephone number and e-mail address of the person(s) of the winning bidder for purposes of communications concerning this “Establishment of Issue Price” section.

Competitive Sale Rule. The Issuer intends that the provisions of Treasury Regulations Section 1.148-1(f)(3)(i) (defining “competitive sale” for purposes of establishing the issue price of the Bonds) will apply to the initial sale of the Bonds (the “Competitive Sale Rule”) because:

- (1) the Issuer shall disseminate, or have disseminated on its behalf, this Notice of Sale to potential bidders in a manner that is reasonably designed to reach potential bidders;
- (2) all bidders shall have an equal opportunity to bid;
- (3) the Issuer anticipates receiving bids from at least three underwriters of municipal bonds who have established industry reputations for underwriting new issuances of municipal bonds; and
- (4) the Issuer anticipates awarding the sale of the Bonds to the bidder who submits a firm offer to purchase the Bonds at the lowest true interest cost (“TIC”), as set forth in this Notice of Sale.

Competitive Sale Rule Met. The Issuer, or the Municipal Advisor on behalf of the Issuer, shall at the time of award advise the winning bidder if the Competitive Sale Rule has been met. Within two (2) hours of award (or such other time as agreed to by Bond Counsel), the winning bidder shall provide Bond Counsel and the Municipal Advisor, via e-mail, a completed “ISSUE PRICE CERTIFICATE” in the form attached hereto as Attachment A.

Competitive Sale Rule Not Met. In the event that the Competitive Sale Rule is not satisfied, the Issuer, or the Municipal Advisor on behalf of the Issuer, shall at the time of award advise the winning bidder. The Issuer may determine to treat (i) the first price at which ten percent (10%) of a Maturity of the Bonds (the “Actual Sales Rule”) is sold to the Public as the issue price of that Maturity, and/or (ii) the Initial Offering Price to the Public as of the Sale Date of any Maturity of the Bonds as the issue price of that Maturity (the “Hold-the-Offering-Price Rule”), in each case applied on a Maturity-by-Maturity basis. In the event that the Competitive Sale Rule is not satisfied, the winning bidder, by 4:30 p.m. (E.T.) on the Sale Date, shall notify and provide, via e-mail, Bond Counsel and the Municipal Advisor (I) of the first price at which ten percent (10%) of each Maturity of Bonds has been sold to the Public and (II) reasonable supporting documentation or certifications of such price the form of which is acceptable to Bond Counsel; i.e., those Maturities of the Bonds that satisfy the Actual Sales Rule as of the Sale Date. After such receipt, the Issuer, or Bond Counsel on behalf of the Issuer, shall promptly confirm with the winning bidder, via e-mail, which Maturities of the Bonds shall be subject to the Actual Sales Rule and which Maturities shall be subject to the Hold-the-Offering-Price Rule.

For those Maturities of Bonds subject to the Hold-the-Offering-Price Rule, the winning bidder shall (i) provide Bond Counsel (via e-mail) a copy of pricing wire or equivalent communication for the Bonds (ii) confirm that each Underwriter (as defined below) has offered or will offer all of the Bonds to the Public on or before the date of award at the Initial Offering Prices and (ii) agree, on behalf of each Underwriter participating in the purchase of the Bonds, that each Underwriter will neither offer nor sell unsold Bonds of any Maturity to which the Hold-the-Offering-Price Rule shall apply to any person at a price that is higher than the Initial Offering Price for such Maturity during the period starting on the Sale Date and ending on the earlier of the following:

- (1) the close of the fifth (5th) business day after the Sale Date; or
- (2) the date on which the Underwriters have sold at least ten percent (10%) of that Maturity of the Bonds to the Public at a price that is no higher than the Initial Offering Price.

The winning bidder shall promptly advise Bond Counsel and the Municipal Advisor, via e-mail, when the Underwriters have sold ten percent (10%) of that Maturity of the Bonds to the Public at a price that is no higher than the Initial Offering Price, if that occurs prior to the close of the fifth (5th) business day after the Sale Date.

By submitting a bid, each bidder confirms that: (i) any agreement among underwriters, any selling group agreement and each third-party distribution agreement (to which the bidder is a party) relating to the initial sale of the Bonds to the Public, together with the related pricing wires, contains or will contain language obligating each Underwriter, each dealer who is a member of the selling group, and each broker-dealer that is a party to such third-party distribution agreement, as applicable, to (A) report the prices at which it sells to the Public the unsold Bonds of each Maturity allotted to it until it is notified by the winning bidder that either the Actual Sales Rule has been satisfied as to the Bonds of that Maturity or all Bonds of that Maturity have been sold to the Public and (B) comply with the Hold-the-Offering-Price Rule, if applicable, in each case if and for so long as directed by the winning bidder and as set forth in the related pricing wires, and (ii) any agreement among underwriters relating to the initial sale of the Bonds to the Public, together with the related pricing wires, contains or will contain language obligating each Underwriter that is a party to a third-party distribution agreement to be employed in connection with the initial sale of the Bonds to the Public to require each broker-dealer that is a party to such third-party distribution agreement to (A) report the prices at which it sells to the Public the unsold Bonds of each Maturity allotted to it until it is notified by the winning bidder or such Underwriter that either the Actual Sales Rule has been satisfied as to the Bonds of that Maturity or all Bonds of that Maturity have been sold to the Public and (B) comply with the Hold-the-Offering-Price Rule, if applicable, in each case if and for so long as directed by the winning bidder or such Underwriter and as set forth in the related pricing wires.

Sales of any Bonds to any person that is a Related Party (as defined below) to an Underwriter shall not constitute sales to the Public for purposes of this Notice of Sale.

Definitions. For purposes of this “Establishment of Issue Price” section:

- (1) “Maturity” means Bonds with the same credit and payment terms. Bonds with different maturity dates, or Bonds with the same maturity date but different stated interest rates, are treated as separate Maturities.
- (2) “Public” means any person (including an individual, trust, estate, partnership, association, company, or corporation) other than an Underwriter or a Related Party to an Underwriter.

- (3) “Related Party” generally means any two or more persons who have greater than 50% common ownership, directly or indirectly.
- (4) “Underwriter” means (i) any person that agrees pursuant to a written contract with the Issuer (or with the lead Underwriter to form an underwriting syndicate) to participate in the initial sale of the Bonds to the Public, and (ii) any person that agrees pursuant to a written contract directly or indirectly with a person described in clause (i) of this definition to participate in the initial sale of the Bonds to the Public (including a member of a selling group or a party to a third-party distribution agreement participating in the initial sale of the Bonds to the Public).

Official Statement

For more information regarding the Bonds or the Issuer, reference is made to the Preliminary Official Statement dated July 29, 2022 (the “Official Statement”) describing the Bonds and the financial condition of the Issuer. The Preliminary Official Statement is available in electronic format at www.i-dealprospectus.com and www.munistat.com, and such electronic access is being provided as a matter of convenience only. Copies of the Preliminary Official Statement may be obtained from Mark Chapman, Munistat Services, Inc., 129 Samson Rock Drive, Suite A, Madison, CT 06443, Telephone: (203) 421-2087, E-mail: Mark.Chapman@munistat.com. The Issuer deems such Official Statement to be a final official statement for purposes of complying with Securities and Exchange Commission Rule 15c2-12 (the “Rule”), but such Official Statement is subject to revision or amendment as appropriate. The Issuer will make available to the purchaser a reasonable number of copies of the final Official Statement at the Issuer’s expense, and the final Official Statement will be made available to the purchaser by no later than the earlier of the delivery of the Bonds or by the seventh (7th) business day after the day bids on the Bonds are received. If the Issuer’s Municipal Advisor, is provided with the necessary information from the purchaser by 12:00 o’clock noon on the day after the Sale Date, the copies of the final Official Statement will include an additional cover page and other pages, if necessary, indicating the interest rates, rating(s), yields or reoffering prices and the name of the managing underwriter of the Bonds, and any corrections. The purchaser shall arrange with the Municipal Advisor the method of delivery of the copies of the final Official Statement to the purchaser. Additional copies of the final Official Statement may be obtained by the purchaser at its own expense by arrangement with the printer.

Continuing Disclosure Agreement

As required by the Rule, the Issuer will undertake, pursuant to a Continuing Disclosure Agreement (the “Agreement”), to provide annual financial information and operating data including audited financial statements, notice of the occurrence of certain events with respect to the Bonds within ten (10) business days of such event, and timely notice of any failure by the Issuer to provide annual reports on or before the date specified in the Agreement. A form of the Agreement is attached to the Official Statement as Appendix C. The purchaser’s obligation to purchase the Bonds shall be conditioned upon its receiving, at or prior to delivery of the Bonds, an executed Agreement.

TOWN OF LITCHFIELD, CONNECTICUT

DENISE RAAP
First Selectman

FRANCIS C. CARPENTIER
Town Treasurer

July 29, 2022

ATTACHMENT A

ISSUE PRICE CERTIFICATE

(If Competitive Sale Rule Met)

TOWN OF LITCHFIELD, CONNECTICUT
\$ _____ GENERAL OBLIGATION BONDS, ISSUE OF 2022
Dated August 23, 2022

The undersigned, on behalf of [UNDERWRITER] (“[SHORT NAME OF UNDERWRITER]”), hereby certifies as set forth below with respect to the sale of the above-captioned obligations (the “Bonds”).

1. ***Due Authorization.*** The undersigned is a duly authorized representative of [SHORT NAME OF UNDERWRITER], the purchaser of the Bonds.

2. ***Purchase Price.*** The TOWN OF LITCHFIELD, CONNECTICUT (the “Issuer”) sold to [SHORT NAME OF UNDERWRITER], for delivery on or about August 23, 2022, the Bonds at a price of par (\$ _____), plus an aggregate net premium of \$ _____ and less an underwriter’s discount of \$ _____, resulting in an aggregate net purchase price of \$ _____.

3. ***Reasonably Expected Initial Offering Price.***

(a) As of August 9, 2022 (the “Sale Date”), the reasonably expected initial offering prices of the Bonds to the Public by [SHORT NAME OF UNDERWRITER] are the prices listed in **Schedule A** (the “Expected Offering Prices”). The Expected Offering Prices are the prices for the Maturities of the Bonds used by [SHORT NAME OF UNDERWRITER] in formulating its bid to purchase the Bonds. Attached as **Schedule B** is a true and correct copy of the bid provided by [SHORT NAME OF UNDERWRITER] to purchase the Bonds.

(b) [SHORT NAME OF UNDERWRITER] was not given the opportunity to review other bids prior to submitting its bid.

(c) The bid submitted by [SHORT NAME OF UNDERWRITER] constituted a firm offer to purchase the Bonds.

4. ***Defined Terms.***

(a) “Maturity” means Bonds with the same credit and payment terms. Bonds with different maturity dates, or Bonds with the same maturity date but different stated interest rates, are treated as separate Maturities.

(b) “Public” means any person (including an individual, trust, estate, partnership, association, company, or corporation) other than an Underwriter or a related party to an Underwriter. The term “related party” for purposes of this certificate generally means any two or more persons who have greater than fifty percent (50%) common ownership, directly or indirectly.

(c) “Underwriter” means (i) any person that agrees pursuant to a written contract with the Issuer (or with the lead underwriter to form an underwriting syndicate) to participate in the initial sale of the Bonds to the Public, and (ii) any person that agrees pursuant to a written contract directly or indirectly with a person described in clause (i) of this definition to participate in the initial sale of the Bonds to the Public (including a member of the selling group or a party to a third-party distribution agreement participating in the initial sale of the Bonds to the Public).

5. ***Representations and Information.*** The representations set forth in this certificate are limited to factual matters only. Nothing in this certificate represents [SHORT NAME OF UNDERWRITER]'s interpretation of any laws, including specifically Sections 103 and 148 of the Internal Revenue Code of 1986, as amended, and the Treasury Regulations thereunder (collectively, the "Code"). The undersigned understands that the foregoing information will be relied upon by the Issuer in making its certification as to issue price of the Bonds under the Code and with respect to compliance with the federal income tax rules affecting the Bonds. Pullman & Comley, LLC, bond counsel, may rely on the foregoing representations in rendering its opinion on the exclusion from federal gross income of the interest on the Bonds, the preparation of the Internal Revenue Service Form 8038-G, and other federal income tax advice that it may give to the Issuer relating to the Bonds. Except as set forth above, no third party may rely on the foregoing certifications, and no party may rely hereon for any other purpose.

IN WITNESS WHEREOF, the undersigned has executed this Certificate as of August 9, 2022.
