Good Afternoon, Everyone.

Due to the holidays and inclement weather, we haven't been able to hold meetings. In order to ensure attendance and prevent last Monday's confusion, we will be taking the following steps:

1) You will be received Google Calendar invitations in advance of the meetings. 2) One to two days prior to the meeting, you will receive reminder cellphone texts. Please respond by text message so that all members will know who will be attending and by what means, i.e., in-person, remote-computer, or remote cellphone.

Please feel free to contact me should you have any questions.

Thank you. John Pudlinski

Vice-Chairman
