Financial Report: Thomasina explains how our funds are dispersed. Our $$ will go into the revenue account. The ARPA $$ is in a different account. Thomasina will meet with the Finance Director to get more information on how we access the $$. Michele will submit an invoice, and Thomasina will fill out a PO, and signees: Denise, Asst. finance Director, Stacy Dionne, Amichi Obi; then Thomasina signs off. Checks are written every 2 weeks.

Priscilla and Thomasina spoke to Danielle Mailer about murals. We like the idea of this prioritizing murals over the website at this time. We will write a grant for the mural. Anne Marie White, and the BOD of OWL need to be asked if they would be interested in being the site of the mural.

August 23 is next our next meeting @ the annex @ 6:30.
