Social Media posted about Scarecrows in the Meadow.

Caylin is keeping content in the story, and is doing all the responding to the DMs on Instagram.

Priscilla, Thomasina, and Michele met with Roberta Andrulis Mette about a mural at the Railroad Station. This is not a likely spot. Renovations will take 2 years and a final footprint is not decided.

We are discussing alternative sites. The exterior wall of the Village Restaurant on the alley is appealing.

A preliminary, thematic sculpture discussion about a theme for a mural at the Village was discussed. An Agricultural Theme highlighting the thriving agro-business in Litchfield. The Village is a farm to table restaurant and identifies where the food comes from. Corn, Apples, Tobacco were crops...meet with Denise next.

Grant Committee: Grant has been submitted.

Community Outreach Committee-tabled.

New Business: Meeting time moved to 6:00. An amended schedule will be sent to the Town Clerk.
