Approve the minutes of March 7, 2023

Thomasina moved, Caylin seconded. Approved unanimously

Kaylee McCombs, LHS student attended.

Old Business

Website updates: headshots are required from each LAC member. Discuss with Clara what else she needs. Caylin will write a blurb highlighting a short history of Litchfield for the website homepage. We will start assigning members to capture footage for website homepage – music, dance, painting, sculpture.

Mural updates: The high school mural is being out on hold until the fall, but we discussed purchasing the materials for it now.

The Danielle Mailer mural mockup was presented by Thomasina. We discussed other examples of public art in Litchfield. Thomasina presented research showing the sculpture on 108 Gallows Lane was approved because it was deemed “appropriate” for the style of the home. We noted that the reasoning of this approval is subjective. We suggested asking the historical society and or the economic development help our strategy in getting the mural approved.

New Business

Art District designation decision: Bantam will be the designated Arts District of Litchfield.

Thomasina moved, Caylin seconded. Approved unanimously.

Earth Day April 22, we will have a table, Thomasina and Priscilla will attend. We will have a survey and an activity. Kaylee suggested building found object / recycled material sculptures.

Thomasina presented the treasurer’s report with an account total of \$20,269.89.

Meeting adjourned 7:08PM, moved Caylin, seconded Courtney.

Respectfully submitted,

Caylin Jensen
