

TOWN OF LITCHFIELD
PUBLIC NOTICE
PUBLIC INFORMATIONAL MEETING
FOR THE
CAMPVILLE ROAD ROADWAY RECONSTRUCTION – PHASE 2
PROJECT NO. 170-3717GR

The Town of Litchfield will conduct a Public Informational Meeting for the proposed second phase of the reconstruction of Campville Road in the Town of Litchfield. The Meeting will be held at the Litchfield Fire House Thursday, October 15, 2026 at 6:00 PM. The Fire House is located at 258 West St, Litchfield, CT 06759. Preliminary design has been completed by the Town of Litchfield and the project is slated for construction under the Transportation Rural Improvement Program overseen by the Connecticut Department of Transportation

It is the Town's and State's policy to keep persons informed and involved when such projects are undertaken. It is important that the community share its concerns to assist in the project's development. The Town of Litchfield will conduct a public informational meeting on Thursday, October 15, 2026 at 6:00 p.m. at the Fire House, 258 West St, Litchfield, CT 06759.

The purpose of the project is the reconstruction of a portion of Campville Road which is substandard in terms of pavement condition and storm drainage, creating safety concerns. The Town of Litchfield had previously addressed storm drainage issues, having replaced drainage structures and pipes. The proposed project will address the condition of the pavement, improving safety for vehicles travelling the roadway as well as extend the serviceability of the roadway.

Based upon preliminary assessment, the construction cost will be approximately \$993,000.

The CTDOT will provide 80% of the construction cost with the Town of Litchfield providing 20% of the project cost including design and construction inspection.

The public informational meeting is being held to afford a full opportunity for public participation and to allow open discussion of any views and comments the community may have concerning this proposed project.

There will be a 14-day comment period that follows the meeting, individuals may leave a question or comment via email @ ralexex@townoflitchfieldct.gov.

Anyone interested in obtaining further information or providing input may do so by contacting Raz Alexe, Public Works Director, 860-567-7575 ralexex@townoflitchfieldct.gov.
