Dear Fellow Litchfield Resident:

The Town Facilities Review Committee has been charged with evaluating future town facilities needs and recommending potential uses for existing town facilities. It is our goal that these recommendations reflect the needs and aspirations of our community. Therefore, to be successful in this mission, we are asking for YOUR help!

We ask that you take a few moments to complete this survey regarding current and potential future town facilities. Please consider taking the survey online at townoflitchfield.org, as it will aid the committee in tabulating results (and save you the cost of a stamp!). If you prefer, you may complete this survey form and return it to us in the enclosed envelope either by mail or at Town Hall. If multiple members of your household would like to respond, please feel free to make multiple copies of the survey and return them all (or each take the survey online!).

Looking forward, the Committee will conduct a series of public hearings to present the findings of the survey, and to engage in a further community discussion of the results. It is our sincere belief that only a plan that carefully considers community input can be successful for our Town.

We thank you in advance for your participation and input.

Sincerely,

Sam Olmstead
Chair - Town Facilities Review Committee

The **Litchfield Broadband Commission** is a Town of Litchfield commission whose mission is to evaluate broadband available in Litchfield and to determine how to provide adequate broadband to Litchfield residents and businesses in the future.

If you would prefer to fill this out online, please go to townoflitchfield.org

What type of internet connection do you have at home?

- I do not have internet access
- DSL (Frontier)
- Wireless/cell service/hot spot
- Other/I don't know
- Cable (Optimum)
- Dial-up
- Satellite (HughesNet, Viasat)

How would you rate your internet service provider for overall reliability, bandwidth speed, customer service, and cost?

- I do not have internet access
- I'm happy with my service but I wish it cost less
- I believe I'm getting good service at a good price
- I am unhappy with the service and the price
- My internet is slower than I want

What is the speed of your internet connection?*

- Upload Speed: _____ (Mbps) How much do you pay per month for internet: \$ _____
- Download Speed: _____ (Mbps)

To determine your internet speed, run a speed test at northwest-connect.org – the link is at the bottom of the page. (For a mobile device, download the SpeedTest.net app)

Please check each of these statements that apply to you:

- I work from home and fast, reliable internet speed is important to me
- My children need internet access for remote learning
- I use the internet for telemedicine
- I run a business from home and high speed internet access is essential
- I use the internet to stream TV instead of using cable

One solution would involve the Town of Litchfield forming a municipal utility to build a fiber-optic network to provide high speed internet for all residents. Would you support this initiative?

- Yes
- Maybe-I need more information
- No
