Unfortunately I did not set it up last month, I just set up the computer and monitored people logging on to make sure all that wanted to get on could. If the computer and a log in and password are set up I will do the same, but I do not have the ability to set up a zoom meeting on my own. I will help in any way I am able to,

Thank you,

Craig

Good afternoon Cheryl,

Selectman Whiting, handle it late month and also will be recording the meeting if you would contact him and ask if he is planning to attend and set up a Zoom meeting. like he did last month and then yes he would also have the password.

Thank you

Steve

I have a request to join the zoom meeting tonight. Do we have a password/ID for it?

I will also send him to you.
