### EXECUTIVE ORDER 7.S

Under Governor Lamont's Executive order, and by unanimous vote of the Scotland Board of Selectman, all tax payers are given an extended grace period, until October 1, 2020, to pay taxes without interest. On October 2, 2020, all interest and payments will be due and payable back to the due date of July 1, 2020, for a total of 6% interest. While the Executive Order does provide for the town to require residents to show covid-related need for this deferment, the Scotland BOS voted to offer it to every taxpayer in order not to create a paperwork burden for taxpayers or town officials. This policy assumes the honesty and good will of our citizens. But government must still operate, so please do not delay paying your taxes unless the pandemic has made it impossible to pay on time.

**Stay Safe and Healthy!!**
