

ADDENDUM No. 1
Project Phase 3 - Technology

September 2, 2026

Sherman School Renovation / Central Offices Renovation

2 Route 37 East

Sherman, Connecticut 06405

State Project Nos.: 127-0009RNV / 127-0010BE-RNV

REFERENCE CODE	
DC	Design Coordination / Improvement
SI	Supplemental Information
CL	Graphic and / or type correction and clarification
OC	Owner directed Change
BC	Bid or Contractual Language Clarification

The following clarifications and changes to the Contract Documents supersede previously issued Drawings and Specifications to the extent modified by this **Addendum No. 1**. Bidders shall ensure this addendum is acknowledged in the appropriate space provided on the Bid Form when submitting a bid.

General Items		Reference Code
A.	None.	
I.		
Clarifications		Reference Code
B.	Bidder Questions	
1.	Question: Document 003041 Technology Bid Forms is paginated "3 of 10" through "10 of 10," and categories TE-01 and TE-06 do not appear in it. Are pages 1 and 2 and those two categories being issued by addendum, or is that scope being procured separately? Response: Categories TE-01 and TE-06 are being purchased through the DAS State Contracts program and are not subject to competitive bid. Pages 1 of 10 and 2 of 10 are not relevant to competitively bid items and have been intentionally omitted from the bid documents for Project Phase 3 - Technology.	DC
2.	Question: Document 003040 Category Bid Summary lists TE-02 as Wireless Access Points, while 003041 lists TE-02 as Patch Cords. Which is correct? And within which bid category do specification sections 272100 LAN and Wi-Fi Network and 272113 Servers and Firewall fall? Response: Category TE-02 was mislabeled on the Category Bid Summary. The correct reference for Category TE-02 is "Patch Chords". LAN and Wi-Fi Network and Servers and Firewall fall under Category TE-01 and are being acquired through the DAS State Contract program.	DC
