The information provided on this website is for information only, please consult your tax advisor, accountant or Internal Revenue Service to determine tax deductibility of payments.

***This report does not prove that you paid the taxes. Only that the taxes were paid. Your canceled checks, your escrow report from your mortgage company and receipts are your legal proof.**

Bills numbers are not related to the year the taxes were paid. They refer to the Grand List year. You must look at the PAID DATE, not the Bill #.

Please note: Only the prior calendar year tax payment history is available online for this report. E.g. Current calendar year is 2026, so the calendar year 2025 is available online. All other prior paid tax information has been archived.
