Meeting Minutes August 12, 2026

Attendance: Chairman/Commissioner Jeremy Weid, Vice-Chairman/Commissioner Beth Campbell, Treasurer/Commissioner Mike Flaherty, Secretary/Commissioner Sharon Whalen, Commissioner Tina Molliconi, TVAC member Joe Ouellette, First Selectman Rich Sileo excused TVAC President Daniela Ouellette

Meeting called to order by Chairman Jeremy Weid at 6:03pm.

Minutes: A motion was made by Commissioner Molliconi and seconded by Commissioner Campbell to accept the minutes of August 12, 2026 as read. No discussion on the motion. Motion carried 5/0.

Correspondence: Nothing to report at this time.

Approval of Bills: Following careful review by the commissioner's a motion was made by Commissioner Molliconi and seconded by Commissioner Flaherty to pay the bills as presented. No discussion on the motion. Motion carried 5/0.

Treasurer's Report: A motion was made by Commissioner Molliconi and seconded by Commissioner Campbell to accept the treasurer's report as read. No discussion on the motion. Motion carried 5/0

TVAC Report: Calls to date totaled 790.

Building: Joe brought a proposal from Scott Wilson Caulking to replace all the caulking around the outside of the building to take care of the water leaks in the building. The total was $1440.00. A motion was made by Commissioner Molliconi and seconded by Commissioner Flaherty to have the work done. Joe also spoke about removing the mulch that is along the front of the building and replacing it with stone due to the leaks in the bedrooms. Joe is going to put the drone on the roof to check the ridge vent. There is no problem right now with the water. It was brought to our attention that the generator when in use only takes care of half the building, after doing some research it was found that the generator panel in the building is out of date and needs to be replaced. The generator is fine it's the panel that is the problem. Joe is looking into how this can be fixed especially because we are the first 24 hours as a shelter.

Vehicles: The old Unit One still needs to be fixed. The town crew started with repairs but needed to stop due to no mechanic available, also getting a price for ball joints. The oil was changed on both ambulances and the AC was fixed on Unit Two.

Old Business: The contract with the town and TVAC was discussed with First Selectman Rich Sileo. He suggested that TVAC go over the contract and make corrections, then submit the changes to the selectmen. The selectmen will call a meeting together with TVAC to talk about the changes and then come up with the final document at which time the new document will be submitted to the town attorney for his input.

Still working with the Fire Department about purchasing new radios and looking into grants that are available.

New Business: Rich spoke about being diligent on our Agendas with some suggestions on how to accomplish this.

The balance of the revenue account is $17548.04 and $24664.00 was turned over to the town. There was discussion on submitting reports from the revenue account be submitted quarterly and bank statements submitted monthly.

A motion was made by Commissioner Whalen and seconded by Commissioner Campbell to hold a special meeting to go over the current contract with the town and TVAC and make corrections. When the corrections are made a copy will be sent to the selectmen. The meeting will be held on August 26,2026 at 6pm at the TVAC building.

Adjourn Meeting: A motion was made by Commissioner Molliconi and seconded by Commissioner Campbell to adjourn the meeting at 7:07pm.

Respectfully Submitted
