

Hillside Cemetery Meeting Minutes

July 16, 2026

- Meeting called to order at 6:01 pm
- New Business
- Motion was made by Brian Davis and seconded by Matt Belval to accept the minutes of the last meeting. Motion passed unanimously.
- Brian reports that the oldest stone in the ancient cemetery is unreadable and reports it would cost \$1,800 to replicate a new one. Motion was made by Brian and seconded by Matt to spend \$1,800 to replace the stone. Motion passed unanimously.
- Motion was made by Matt and seconded by Brian to pay Acer Tree Service LLC \$3,600 to have fallen trees in the ancient cemetery removed. Motion passed unanimously.
- Old Business
- Tim Scatina has our records for input into the new computer software data.
- The water system is currently not operational due to broken pipes in the system. Jamie is working to locate breaks and repair them.
- Members and employees will be taking part in the upcoming fireman's parade.
- 15 green T-shirts have been ordered for use by members during the fireman's parade.
- Jeff Dunn will loan the committee prop monuments and foam headstones for decoration of the float for the parade.
- The cemetery directory is still a work in progress.
- Motion was made by Matt Belval and seconded by Brian Davis to adjourn. Motion passed unanimously.
- Adjourned at 6:19pm
