To,
The Honorable Chairwoman, Melanie Dobos
The Honorable Library Board of Trustees
Director, Amy Schumann

Town Clerk, Cathy Dupont
158 Main Street, Thomaston, Connecticut, 06787

Greetings, below are the recommendations from the Maintenance Chair.

Item A

Side Entrance Door

- Amy has been in contact with the contractors for the door and components.

Recommendation

- Will wait for further details.

Item B

Property Line Trees

- There appears to be one deceased tree that is most likely on our property. Another tree also appears to be deceased but is unlikely to be on our property, however it can become a safety issue in the future.

Recommendation

- Follow up with Tree Warden about next steps.

Item C

Custodial Services

- Still in the process of exploring alternative services.

Recommendation

- Nothing at this time.

Item D

Door Counters

- After additional research the door counters first presented are still the superior option.

Recommendation

- I am requesting an increase in available funds for the door counters from 2 pairs to 3. This will allow all exterior doors to be covered for maximum data collection.

Item E

Wood Molding

- The wood molding in the Children's area has been remedied.

Recommendation

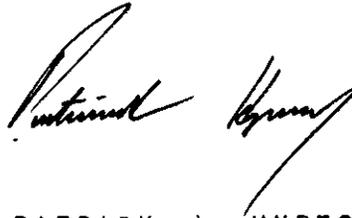

- None.
