Treasurer's Report

29301.36, Rotary Grant of 750, 30051.36 balance

Plus 135.75 cash that was in the treasurer's box and will be deposited

New Business

Christmas in July Fundraiser: we have 7 businesses that want to participate; Senior Panchos is making a special drink and will give a portion back. Businesses will have the choice of when they can participate.

Calendar to come with the businesses and what week they will be participating.

EDC has passports to businesses in the month of July also, which may help our cause as well.

Senor Pancho's asked about the lights on the building.

Thomaston Congregational Church is getting a new lawn in September, per Mary Beth Johnson, so after September we will not be able to be on the lawn. Beth will reach out to her BIL to see when it can be done this summer.

Beth reached out to ask for season passes at Beardsley Zoo, Lake Compounce and other businesses about donating gift certificates.

New Vendors:

Super Nova: Balloon vendor did not work out last year because of the cold, the face painters worked out well because they were inside. We can put them in the Old Fire House, the doors need to be opened. We can plan to have the Waterbury Corale in there as well.

LIGHT UP THOMASTON
158 MAIN STREET
THOMASTON, CT 06787

Beth will reach out to vendors for last year to get an idea of who is available and to confirm prices.

We will continue to look for a vendor that will provide a horse drawn carriage for rides. Wood Acres does not provide this service any longer.

Acrylic Ornaments sponsors – decorate a tree for sponsorship. This would be based on the letters that are sent out. With a Cricut we can add the business logos to the bulbs.

Baskets: We will choose all of the winners prior to starting to call anyone. We will not fill a second person; we will let the winner know we will be here that night and until a specific time the following day. We will stop selling the tickets at 7:30pm to allow time for them to be entered into the computer.

Old Business

- Letter for local businesses – Beth is continuing to work on this.
- Library for movie night – tabled for now
- Spring/Summer fundraising events
- Reschedule the cleanup for storage area – We will look at fall days.
- Fireman's Carnival – because of their license, they are not allowed to bring anything in.
- Jud Reed is in charge of the vendors at the Car Show. Kay will reach out to him.

Meeting Adjourned: 8:09 pm
