To All Elm Street Residents:

Re: Public Informational Meeting on Elm Street Reconstruction Project

The Town's engineering firm will present an alternate design to what was previously presented. Reconstruction of Elm Street will include sidewalks and a section of the greenway. This design will address residents parking concerns as well. Please make every attempt to attend this public informational meeting scheduled for Thursday, August 14 at 7:00 p.m. in Lena Morton Gallery.

Sincerely,

Edmond V. Mone
First Selectman
