

Thomaston Advisory Board
Thomaston, CT 06787
January 13, 2025

Present: John Dudonis, Joan Mondak, Franziska Manual, Dana Bongiorno, Evie Platt and Richard Sileo.

Meeting started at 12:31.

Meeting ended at 1:06.

John Dudonis informed the board that the ARPA Grant is done for the Senior Center. Last year the senior center had many activities such as Yoga, Bingo, Bowling, Pool, and a Thanksgiving luncheon and a Christmas luncheon. Also, there were some changes in the by-laws.

The Senior Center now has 110 members.

Evie Platt is still waiting for a Small Cities Grant for Green Manor to make the facility ADA Compliant.

Grove Manor had their inspections done and completed. Everything which they had money for was completed. The electrical panel was updated today. There are 3 big issues which need to wait for a grant.

The first selectman was asked about moving the old police cars from the back row of the town hall parking lot to make some more parking for the seniors. As of today, nothing can be done. Those cars are used for extra duty by the police department.

Our meetings for 2026 will be on April 7, July 7, and October 6.
