Item 1- None

Item 2- Public comment

Item 3- Agenda review- Add to the agenda under new business the item on SourceOne electric pricing.

Item 4- Still need to approve Nov. meeting minuets.

Item 5- Old Business-

C-Pace- do more research

Constellation- demand reduction- remove from next agenda- commission believes that this program will not benefit Winsted at this time.

Facebook update- 2 new likes

Draft Policy update- remove replace with clean energy communities program.

Energy initiative update- 12/16/14 Mayor audit - ½ done & she seems pleased with the results and savings she will incur from recommendations so far. January 6th canvass will begin. Will meet with Brian concerning trainings.

Item 6- New business-

Clean Energy Communities-

M.Renzullo motions to make a recommendation to the BOS to sign the Clean Energy Communities program pledge which will allow Winchester to participation in the clean energies program. J. Wiarda second, **motion carries unanimously.** (Loretta)

SourceOne Electric- Email Robert to ask for a clear definition of the “pass through” pricing why is there such a difference between the prices? Commission feels that the pricing for 3yrs under the pass through heading would be the best.

If there are special instructions that go with it, we need to know that as well,

so that we can add those instructions. (Loretta)

Item 7- **T. Wheeler motions** to adjourn, J. Wiardia seconds, motion carries unanimously. 8:25pm
