Donate & Volunteer!

Help us achieve our goals — We gratefully accept contributions of talent, time, and treasure. Local businesses should consider becoming a Corporate Sponsor! If you do not have the time to volunteer, we have three membership levels: business, family or individual. Participate at our annual fundraising event “Bubbles & Truffles”. Your tax-deductible gifts will help us to continue affecting positive change downtown, from physical improvements to special events that continue to strengthen our sense of community.
