Road Closure Notice

Case Avenue from Main St to Center St

Dear Residents and Business Owners:

The Town of Winchester has entered into a construction contract with Dayton Construction Co., Inc. of Watertown, CT to complete a road improvement project on Case Avenue. This work is being done as part of the Road Improvement Bonds.

As part of the project, **Case Avenue will be closed to through traffic from Main Street to Center St during working hours beginning September 11th to September 22nd** to allow the work to be completed. The Intersection of Center and Case may also be closed at times. Please plan accordingly. The work may also include Case Avenue from Center to Gay St. The progress of the work depends on the weather. Updates will be provided as work progresses.

The work to improve Case Avenue begins with the replacement of the Drainage system out to Main St. Then, the sidewalks will be replaced. After the sidewalks, the road pavement will be removed and replaced. The Road surface will be rough while this work is being completed. Use Caution when using the road.

Please call the Winchester Public Works Department at 860-379-4101 if you have any questions.
